## **Blood Dimmed Tide Dispatches From The Middle East:**

**A Blood-dimmed Tide** Amos Elon, 2001 Amos Elon has been reflecting and reporting the state of Israel since 1967 His essays and reportage collected here provide insights into Israeli paradoxes passions and predicaments It includes essays on Moshe Dayan s romantic and unsettling influence on the national imagination the moves towards peace with the Palestinians and Israel s precarious neutrality in the Gulf War Traditions and Transitions in Israel Studies Association for Israel Studies, 2003-01-01 Introduces the cutting edge issues and current scholarship in the interdisciplinary field of Israel Studies

Traditions and Transitions in Israel Studies Laura Zittrain Eisenberg, Neil Caplan, Naomi B. Sokoloff, Mohammed Abu-Nimer, 2012-02-01 This sixth volume in the Books on Israel series is an interdisciplinary compilation that encompasses contributions from both the social sciences and the humanities and reflects the exciting integration of approaches that are on the cutting edge of Israel Studies The contributors go beyond the review of recent books on Israel to offer original examinations of the state of scholarship about Israel within the various disciplines of anthropology economics history literature political science and sociology Recent trends in contemporary Israeli society politics economics and culture are also explored America Embattled Richard Crockatt, 2012-10-12 What causes Anti Americanism and where are its historical roots What is the impact of 9 11 on America s sense of itself and its role in the world Is America paradoxically a victim of its own political and economic power This book seeks to understand the terrible attacks of September 11th within a broader historical political and ideological context Rather than drawing on simple clash of civilisation oppositions the author argues that it is important to have an awareness of the complex historical processes which influence America s sense of itself and its changing view of the world How the world especially the Muslim world views America The changing nature of international politics and the global system since the end of the cold war Drawing on a wide range of contemporary and historical sources Richard Crockatt has written a balanced subtle and highly readable book which provides genuine insight into American foreign policy anti Americanism and Islamic fundamentalism It will be important reading for all those seeking to understand the background to the war on terror The World After Gaza Pankaj Mishra, 2025-02-11 Courageous and bracing learned and ethical rigorous and mind expanding Naomi Klein This profoundly important and urgent book finds Mishra one of our most intellectually astute and courageous writers at the peak of his powers Hisham Matar A triumphant work of empathy in a polarizing conflict Anand Giridharadas Named a Best Book of the Month by TIME Named a Most Anticipated Book of 2025 by The Guardian Bustle Foreign Policy and Literary Hub From one of our foremost public intellectuals an essential reckoning with the war in Gaza that reframes our understanding of the ongoing conflict its historical roots and the fractured global response The postwar global order was in many ways shaped in response to the Holocaust That event became the benchmark for atrocity and in the Western imagination the paradigmatic genocide Its memory orients so much of our thinking and crucially forms the basic justification for Israel s right first to establish itself and

then to defend itself But in many parts of the world ravaged by other conflicts and experiences of mass slaughter the Holocaust's singularity is not always taken for granted even when its hideous atrocity is Outside of the West Pankaj Mishra argues the dominant story of the twentieth century is that of decolonization The World After Gaza takes the current war and the polarized reaction to it as the starting point for a broad reevaluation of two competing narratives of the last century the Global North's triumphant account of victory over totalitarianism and the spread of liberal capitalism and the Global South's hopeful vision of racial equality and freedom from colonial rule At a moment when the world's balance of power is shifting and the Global North no longer commands ultimate authority it is critically important that we understand how and why the two halves of the world are failing to talk to each other As old touchstones and landmarks crumble only a new history with a sharply different emphasis can reorient us to the world and worldviews now emerging into the light In this concise powerful and pointed treatise Mishra reckons with the fundamental questions posed by our present crisis about whether some lives matter more than others how identity is constructed and what the role of the nation state ought to be The World After Gaza is an indispensable moral guide to our past present and future

**The Zionist Bible** Nur Masalha, 2014-10-20 Throughout the history of European imperialism the grand narratives of the Bible have been used to justify settler colonialism The Zionist Bible explores the ways in which modern political Zionism and Israeli militarism have used the Bible notably the Book of Joshua and its description of the entry of the Israelites into the Promised Land as an agent of oppression and to support settler colonialism in Palestine The rise of messianic Zionism in the late 1960s saw the beginnings of a Jewish theology of zealotocracy based on the militant land traditions of the Bible and justifying the destruction of the previous inhabitants The Zionist Bible examines how the birth and growth of the State of Israel has been shaped by this Zionist reading of the Bible how it has refashioned Israeli Jewish collective memory erased and renamed Palestinian topography and how critical responses to this reading have challenged both Jewish and Palestinian nationalism

founder Ron Sider posed the questions What would happen if we in the Christian church developed a new nonviolent peacekeeping force ready to move into violent conflicts and stand peacefully between warring parties Everyone assumes that for the sake of peace it is moral and just for soldiers to get killed by the hundreds of thousands even millions Do we not have as much courage and faith as soldiers Christian Peacemaker Teams CPT has been trying to answer those questions since 1986 CPT has responded to invitations from grassroots organizers on five continents who are using nonviolent strategies to confront systemic oppression This book provides a glimpse into the mistakes and successes the triumphs and tragedies that teams have shared in with local co workers in various nations It also continues to pose the question What would happen if CPT s efforts were multiplied by millions of Christians with a radical commitment to Jesus s nonviolent gospel Settling Hebron Tamara Neuman,2018-05-02 The city of Hebron is important to Jewish Islamic and Christian traditions as home to the Tomb of the Patriarchs the burial site of three biblical couples Abraham and Sarah Isaac and Rebecca and Jacob and Leah Today Hebron is one of the epicenters of the Israel Palestine conflict consisting of two unequal populations a traditional Palestinian majority without citizenship and a fundamentalist Jewish settler minority with full legal rights Contemporary Jewish settler practices and sensibilities legal gray zones and ruling complicities have remade Hebron into a divided Palestinian city surrounded by a landscape of fragmented militarized strongholds In Settling Hebron Tamara Neuman examines how religion functions as ideology in Hebron with a focus on Jewish settler expansion and its close but ambivalent relationship to the Israeli state Neuman presents the first critical ethnography of the Jewish settler populations in Kiryat Arba and the adjacent Jewish Quarter in the Old City of Hebron considered by many Israelis as the most ideological of settlements Through extensive fieldwork interviews with settlers soldiers displaced Palestinian urban residents and farmers as well as archival research Neuman challenges dismissive portraits of settlers as rigid fanatical adherents of an anachronistic worldview At the same time she reveals the extent of disconnection between these settler communities and mainstream Modern Orthodox Judaism both of which interpret written sources on the sacredness of land biblical texts rabbinic commentary and mystical traditions in radically different ways Neuman also traces the violent results of a settler formation Palestinian responses to settler encroachment and the connection between ideological settlement and economic processes Settling Hebron explores the complexity of Hebron s Jewish settler community in its own right through its routine practices and rituals its most extreme instances of fundamentalist revision and violence and its strategic relationships with successive Israeli governments *The Middle East and North Africa 2003* Eur, **Survey of Arab-Israeli Relations 1947-2001** David Lea,2003-09-02 A definitive survey of one of the highest profile and longest running contemporary international disputes **Scars of War, Wounds of Peace** Shlomo Ben-Ami,2007 An Oxford trained historian who became Israeli Foreign Minister Shlomo Ben Ami was a key figure in the Camp David negotiations and many other peace talks He offers here an unflinching account of the Arab Israeli conflict informed by his firsthand knowledge **Survey of**

**Arab-Israeli Relations** Cathy Hartley, Paul Cossali, 2004-06-17 Impartial documentation and background information fundamental to the understanding of Arab Israeli relations Key Features covers in detail the years since the first Arab Israeli war and the statehood of Israel in 1947 48 to the most recent developments in relations between Israel the emerging Palestinian political entities and the Arab States a chronology provides an at a glance record of events from 1947 until the present day a Documents on Palestine section gives essential background to the various ongoing areas of dispute profiles of prominent political figures a bibliography section a series of maps illustrating the history of Arab Israeli conflict and recent peace initiatives and settlement issues      Theologies of Liberation in Palestine-Israel Nur Masalha, Lisa Isherwood, 2014-04-29 This collection of essays concerns the development of contextualized theologies of liberation in Palestine and the indigenous Palestinian people s struggle for justice and liberation The work is innovative because of its inclusion of indigenous perspectives within its remit and the introduction of new concepts such as civil liberation theology The collection offers other ways to look at biblical discourses and their impact on the ongoing conflict ways to live peace ways to be ethical when visiting these conflicted lands understandings of resource ethics and even a new way to understand how we approach our understanding of liberation theology Contributors include well known scholars from Muslim Jewish Christian Palestinian Israeli Indian American and British contexts This work goes beyond standard academic collections It is aimed not only at scholars and students but also at peace activists and policymakers It should be of use not only in academic courses but also for practitioners of conflict resolution peace and reconciliation      Index to Jewish Periodicals , 1999 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests      Lincoln's Political Ambitions, Slavery, and the Bible Edwin D. Freed, 2012-07-01 Abraham Lincoln did not take his family Bible to the White House And the reason he did not use the Bible in his first inaugural address was not because it failed to arrive in his baggage Freed concentrates on what Abraham Lincoln himself says instead of what others say about him which yields insights into understanding Lincoln s speech before the Young Men s Lyceum his reply to the Loyal Colored People of Baltimore and his Second Inaugural Address The author shows that much of what has been written about Lincoln s knowledge of the Bible and its influence on his thought is myth Although his language was replete with vocabulary from the Bible Lincoln s knowledge of it was superficial and he did not use the Bible to promote religion He was always a politician but with a moral sensitivity With the Declaration of Independence and the US Constitution he used the Bible to help him achieve his political ambitions and to support the emancipation of slaves A unique book on a subject never treated so thoroughly this is a must read for all Lincoln admirers      *The Jewish Spectator* , 1998      **The Palestine Yearbook of International Law, 1996-1997** Academie de Droit International, 1998-07-01 When the international legal community seeks definitive information and educated commentary on Palestinian issues it turns to The Palestine Yearbook of International Law The ninth volume contains leading articles on the judicial review in Palestine on water management and on the status of Jerusalem the texts of
