Blood Done Sign My Name Timothy B. Tyson, 2004 The author returns to his hometown of Oxford North Carolina to make sense of the thirty year old murder of a black man by a Klansman and the Klansman's subsequent acquittal by an all white jury

Pharaoh and Herod to Society Dr. James Banks, 2024-07-17 Ultimately this writing is made to help all families deal with the attack from the inside that will eventually cause a complete separation having no boundaries in place for the children This leads to putting the child in the direction of constant battles to comprehend why their life is no longer at its best but has become increasingly abnormal The Pharaohian and Herodian syndrome will make ways to constantly divide change and take away what should be given to the child in every family unconditional love However if you must deal with the redheaded stepchild syndrome RSS it can turn your whole life around to put you in a seemingly no win situation where you may suffer in silence Today I ask you to take the mask off externally and deal with the intrinsic feelings from within This will begin to illuminate the real you and keep you in a remorseful state after you know that you were under attack to create chaos in your life Let your heart turn to the child and his/her heart will turn to you After you have taken things for a season which is not a lifetime move into the restoration period for all lives involved To know restoration is to know who our redeemer is Christ May your life and days be enriched from this day forward Nothing you went through will be wasted It will all be used for the glory of God Your salvation was paid in full and now is the time to live for the overflow in the harvest you cultivated To God be the glory
