**A Doctor Dies and Other Stories** Joseph Chamberlin, 2013-02-19 Life and death are spun to poetry in *A Doctor Dies and Other Stories*. A legless veteran leaves footprints in the snow. Boys carry the casket of a friend up ice covered church steps. A son asks to dress his deceased father in boots and jacket as he and his mother await the funeral director on a winter morning. A boy finds a pop sickle stick lodged in the ice on a February day. For Evelyn and Smiley a romantic taunt on a frigid night stops time between Teds Dairy and Vietnam. Within these 15 stories Joseph Chamberlin, also the author of *My Father Frank*, *The Story of a Priest*, *The Woman He Loved* and *The Sons They Left Behind*, builds a world of ordinary heroes.

**Back to God's Country and Other Stories** James Oliver Curwood, 2021-05-19 *Back to God's Country and Other Stories* showcases James Oliver Curwood's masterful ability to weave tales that reflect the beauty and brutality of the natural world. This collection, characterized by vivid descriptions and a deep reverence for the wilderness, presents a series of narratives that explore themes of love, survival, and the intrinsic bond between humans and nature. Curwood's unique literary style combines adventure with philosophical musings grounded in the early 20th century context where nature writing gained prominence, offering readers not only thrilling escapades but also contemplative reflections on existence and morality in the wild. Curwood, an ardent lover of nature and a prolific author, was deeply influenced by his early experiences in the Canadian wilderness. His passion for conservation and his advocacy for the natural world are evident throughout this collection as he poignantly brings to life the landscapes and creatures that inhabit it. Curwood's background as a hunter and fisherman coupled with his career in journalism provided him with a keen insight into both the joys and perils of life in untamed territories. I wholeheartedly recommend *Back to God's Country and Other Stories* to readers who seek an immersive experience that pays homage to the majesty of the natural world while confronting the human spirit's resilience. Curwood's tales are not merely stories; they are a clarion call to cherish and protect the wilderness, making this collection an essential read for lovers of adventure and nature alike.
