ARMED FATE CHAPTER 02 Transforming into a bat can be said to be one of Dracula's most powerful attack abilities Using the remaining life of his own to transform into a bat to attack the enemy as long as there is only one remaining Dracula will not die Of course it is only a pitiful point of life left But the attack brought by hundreds of thousands of bats is extremely dangerous It is just that this skill also has a disadvantage which is to fear skills or tools that can deal damage in a wide range Once a group damage skill is used to bombard the bats Count Dracula will definitely take the brunt However at this point Count Dracula can confirm that those people do not have any group attack skills or tools so he can rest assured to boldly use it At this moment several hundred bats simultaneously dispersed and attacked everyone crazily starting to bite at them Everyone quickly fought back but could not withstand the large number of bats and were continuously injured
