Weston,2013-03-27 Reticent and Tranquil presents an inspiring poetry collection that embraces a spiritual passion for everyday life Author Randal Weston conjures the emotions that life's journey brings at every turn Inner strength is evident in his poems along with his love for others and an appreciative attitude for those around him Throughout our years on earth we trek many roads Good and bad situations are guaranteed but the way we handle them reveals our faith and core From the patriotic beauty of Old Glory to an intriguing poem about The Wooden Chief Westons unique voice resonates in each of his poem as they bring his innermost thoughts to life With tones ranging from realistic to fun to dreamy and visionary the verses of Reticent and Tranquil present his peaceful energy for all to share Night Stared All was silent and all was still as night stared at the two men One wore a muddy gray uniform the other a muddy blue uniform Both lives had ended due to circumstantial fate Neither soldier would return home marry or have children Had the men met in another time another place perhaps they would have been friends But now all was silent and all was still as night stared at the two men **Can**

War Be Justified? Andrew Fiala,Jennifer Kling,2023-02-21 Can war be justified Pacifists answer that it cannot they oppose war and advocate for nonviolent alternatives to war But defenders of just war theory argue that in some circumstances when the effectiveness of nonviolence is limited wars can be justified In this book two philosophers debate this question drawing on contemporary scholarship and new developments in thinking about pacifism and just war theory Andrew Fiala defends the pacifist position while Jennifer Kling defends just war traditions Fiala argues that pacifism follows from the awful reality of war and the nonviolent goal of building a more just and peaceful world Kling argues that war is sometimes justified when it is a last ditch necessary effort to defend people and their communities from utter destruction and death Pulling from global traditions and histories their debate will captivate anyone who has wondered or worried about the morality of political violence and military force Topics discussed include ethical questions of self defense and other defense the great analogy between individuals and states evolving technologies and methods of warfighting moral injury and post traumatic stress disorder broader political and communal issues and the problem of regional security in a globalizing world The authors consider cultural and religious issues as well as the fundamental question of moral obligation in a world saturated in military conflict The book was written in the aftermath of the war on terrorism and includes reflection on lessons learned from the

past decades of war as well as hopes for the future in light of emerging threats in Europe and elsewhere The book is organized in a user friendly fashion Each author presents a self contained argument which is followed by a series of responses replies and counter arguments Throughout the authors model civil discourse by emphasizing points of agreement and remaining areas of disagreement The book includes reader friendly summaries a glossary of key concepts and suggestions for further study All of this will help students and scholars follow the authors dialogue so they may develop their own answer to the question of whether war can be justified Key Features Summarizes the debate between pacifism and just war theory Considers historical and traditional sources as well as contemporary scholarship and applications Models philosophical dialogue and civil discourse while seeking common ground Discusses issues of concern in contemporary warfighting and peacemaking while offering an analysis of the war on terrorism

Changing the Way You Think Sheldon Malone, 2015-12-30 It was during an isolated tour of military duty that the author Sheldon Malone was led to compile these devotionals written over the years into a one year devotional book designed to encourage readers to look at Gods Word from a whole new perspective by changing the way they thought It was not until he changed his thinking that he truly began to see the transforming power of God manifested in his life in tangible ways This is precisely why we have to allow God to expand our territory and horizon by permitting Him to change the way we think through His Word As you read each devotional this authors prayer is that you will find strength and encouragement to allow God to propel you into higher heights and deeper depths in the things of the Kingdom The Word of God may just give you a different perspective as it encourages you to change your thinking in order to achieve a new mindset [Live for](#)
