In this volume, however, the reader will find a manageable set of texts that may be read on their own as part of a world literature course or as supplementary readings for an East Asian history class. As economic and political news from East Asia sweeps across the world, this anthology aims to provide a taste of the enduring traditions upon which contemporary East Asia is built, a glimpse into the hopes and fears, love and sorrow in the hearts of the people behind the headlines. This anthology will be welcomed by students and scholars of Asian history, culture, society, and literature.

Luna's Lament David Colby, 2024-11-14 Publishers Weekly calls *Lunar Cycle Book 1* appealingly reminiscent of an updated Heinlein juvenile. As Drusilla Zhao begins her new life on Earth with her girlfriend Sara, she struggles to adapt while suffering from PTSD. When Sara's home is threatened, Dru must fight to defend the Alliance while battling enemies inside her own head.

Refusenik! Peretz Kidron, 2013-07-18 Hundreds of Israeli soldiers called up to take part in controversial campaigns like the 1982 invasion of Lebanon or policing duties in the Palestinian territories today have refused orders. Many of these refuseniks have faced prison sentences rather than take part in what they regard as an unjust occupation in defence of illegal Jewish settlements. In this inspirational book, Peretz Kidron himself, a refusenik, gives us the stories, experiences, viewpoints, even poetry of these courageous conscripts who believe in their country but not in its actions beyond its borders. We read about the cautious, even embarrassed response of the authorities. And we see the wider implications of the philosophy of selective refusal, which is not the same thing as pacifism for conscientious citizens in every country where conscription still exists. Here is a real model for the peace movement in Israel and worldwide.

Thinning of the Veils Carl Hitchens, 2018-06-22 *Thinning of the Veils* is a work of spiritual, socially relevant poetry and memoir. Drawing on personal life experiences, the author weaves a spell of tactile, felt memories that have been instrumental in his growth in awareness. Intermingled with observational looks at patterns of human activity, its poems suggest correlations and differentness uncommonly entertained about conscious and unconscious states.

Tango's Magic Tricks Sheryl Cesmat, Marilyn Cesmat Clague, 2005 The entertaining true story of Tango opens with a grandmother purchasing baby rabbits as surprise gifts for her grandsons on Easter morning. Grammy, as the children call her, ends up with a rabbit herself, which she calls Tango. This playful and amusing little rabbit becomes the light of her life and a wonderful friend and companion. Grammy and Tango play games and experience some unusual, sometimes frightening adventures together. Tango is mischievous, exceptionally bright, and always striving to be the center of attention. With Grammy's help, he learns to do tricks, even magic stunts. He can open toy doors to retrieve toys, play cards, and a toy piano pull a little train, pull hidden scarves out of a magic hat, and more, all quite amazing for a rabbit. Tango loves people. With his sparkling personality and entertaining trick skills, he amazes and charms children as well as adults with staged performances, always dressed in his top

hat and bowtie Though Tango loves to tease and is full of lively fun his most endearing quality is a special empathy and understanding connection with Grammy even battling her depression and illness to help save her life Tango s delightful personality is apt to touch your heart in such a way that henceforth whenever you see a rabbit you will think of Tango s story He will bring a smile to your face and warm your heart Pet lovers everywhere especially children will relate to and enjoy Tango s wonderful true story
