Blood Memory Greg Iles, 2005-12 Catherine Cat Ferry is a forensic odontologist a specialist in bite marks and the clues they provide But while Cat s colleagues know her as a world class scientist she secretly attempts to manage her fragile psyche with alcohol delving into the minds of rapists and murderers yet never allowing her own frightening past to creep into the foreground Cat s latest case involves a disturbing murder in New Orleans Banishing her personal demons she focuses on the potential killer until one morning she s paralyzed by a panic attack at a grisly murder scene Praying the attack is a onetime event she continues her job as a consultant to the New Orleans Police Department but when another victim dies in the same shocking way raising fears that a serial killer is at large Cat blacks out over the victim s mutilated corpse Suspended from the FBI task force plagued by nightmares and at odds with her married lover a homicide detective Cat finally reaches her breaking point In a desperate effort to regain control over a life spiraling out of control Cat retreats to her hometown of Natchez Mississippi But her family s secluded antebellum estate provides no sanctuary When some of Cat s forensic chemicals are spilled in her childhood bedroom two bloody footprints are revealed This sight shocks her more than any corpse she has seen in her career Cat s father was murdered when she was eight years old but she always believed the crime occurred in the garden outside their home The bloody footprints suggest otherwise Driven by this fragment of her past Cat attempts a forensic reconstruction of the decades old crime even as developments in New Orleans task force pull her back into the case she left behind Plagued by troubling nightmares Cat pieces together the horrifying events she has been shielded from all her life Soon both she and the FBI realize that the murders occurring now in New Orleans are intimately bound up with Cat s family and her past **BOOK JACKET**

mihko kiskisiwin - Blood Memory Indigenous Poets Society,2024-04-23 Thomas King said The truth about stories is stories are all that we are Colonization has tried to erase and eradicate Indigenous narratives for centuries Even mainstream literature features the same kinds of stories told by the same voices It fails to recognize the diversity of voices across Turtle Island Stories exist and persist in diverse and divergent forms mihko kiskisiwin is a collection of Indigenous North American voices from incarcerated and diversified Indigenous community members elders and youth to people with disabilities and 2SLGBTQIA people This anthology by the Indigenous Poets Society Saskatchewan Ontario showcases spoken and written poetry fiction and creative non fiction from emerging and established artists writers and performers Testimony is at the heart of this collection With vulnerability and urgency these writers illuminate the complexities of trauma identity and healing By empowering diverse and divergent Indigenous voices intersectional awareness and diversity flourish We see how one story can t possibly encapsulate the breadth of Indigenous North American cultures and experiences In Cree mihko kiskisiwin means blood memory It s the idea that our ancestral knowledge is in our blood s memory and calls for right relationship cultural restoration and resilience inter related respectfulness and interconnected reciprocity This anthology is our stories in our own words as a revolutionary act of remembering reclamation resurgence for future generations to come

Forgetting the Alamo, Or, Blood Memory Emma Pérez,2010-01-01 In this literary novel set in nineteenth century Texas a Tejana lesbian cowgirl embarks on an adventure after the fall of the Alamo Micaela Campos witnesses the violence against Mexicans African Americans and indigenous peoples after the infamous battles of the Alamo and of San Jacinto both in 1836 Resisting an easy opposition between good versus evil and brown versus white characters the novel also features Micaela s Mexican Anglo cousin who assists and hinders her progress Micaela s travels give us a new portrayal of the American West populated by people of mixed races who are vexed by the collision of cultures and politics Ultimately Micaela s journey and her romance with a Black American Indian woman teach her that there are no easy solutions to the injustices that birthed the Texas Republic This novel is an intervention in queer history and fiction with its love story between two women of color in mid nineteenth century Texas P rez also shows how a colonial past

still haunts our nation's imagination The battles of the Alamo and San Jacinto offered freedom and liberty to Texans but what is often erased from the story is that common people who were Mexican Indian and Black did not necessarily benefit from the influx of so many Anglo immigrants to Texas The social themes and identity issues that P rez explores political climate debates over immigration and historical revision of the American West are current today P rez's sparse clean writing style is a blend of Cormac McCarthy Carson McCullers and Annie Proulx This makes for a quick and engrossing reading experience as the narrative has a fluid quality about it Alicia Gaspar de Alba professor and chair of Chicana and Chicano Studies University of California Los Angeles and author of *Sor Juana's Second Dream* Riveting Emma P rez captures well the violence and the chaos of the southwest borderlands during the time of territorial and international disputes in the 1800s Perez vividly depicts the conflicts between nations with the authority of a historian and with language belonging to a poet A fine fine read Helena Maria Viramontes author of *Their Dogs Came with Them* P rez's new novel Powerfully presents a revenge tale from an unusual point of view that of a displaced Chicana in 1836 Texas The writing is sharp and clever The dialogue is realistic Lambda Literary Lambda Award Finalist Filled with lush beauty harshness and horrifying brutality this is one of those books in which you just KNOW what's going to happen at the end but you're wrong The Gay Lesbian Review **Ireland.
