The Riddle Andrew Razeghi,2008-01-07 While organizations claim to value creativity they are often at a loss when attempting to conjure up novel ideas particularly in a world where technology has made information readily available to everyone As a result leaders ask Where will the next big idea come from In response they allocate significant resources for innovation however the source of creative inspiration has remained a mystery Science has shown that it s possible to create conditions under which the mind is more prepared to have insights or a ha moments In this fascinating book Andrew Razeghi examines the precursors to creative insight and offers clear cut methods for making Eureka moments routine practice rather than lucky accidents Combining the latest scientific research interviews with current innovators and studies of history s most creative minds he dissects the creative process and presents a practical approach for inspiring innovation

*Body Language from Head to Toe* Per-Olof Hasselgren,2015-08-20 Written by a physician Body Language from Head to Toe is a dictionary of American idioms and other expressions that contain the name of a body part The use of body part related expressions is both interesting and fun This book contains about 2 000 such idioms words and expressions such as with the back against the wall brainstorming sweet tooth and tongue in cheek Says author Per Olof Hasselgren As a surgeon I understand the importance of anatomy and the knowledge of organs and tissues This book reflects my longstanding interest in idioms and other expressions referring to body parts and it connects anatomy with the spoken and written language This book was written for three main reasons First anatomy matters particularly in surgery During the last several years collecting such expressions became a hobby for the author Second as someone moving to this country from another part of the world Dr Hasselgren is interested in the peculiarities of the American language Idioms slang and other expressions are specific for any given language and quite often cannot be directly translated Third when one starts to be aware of them written and spoken body language can become quite entertaining

Blood from a Stone-- ,2005 **The Trilogy of Time** Samantha Dickens,2013 That bright star high up in the sky symbolizes that small light at the end of the tunnel that ray of hope in the darkness that small chance that even in the hardest of times things will get better The creation of the Earth saw the life of new souls humans dwarves elves and dragons But the differences in the races brought war and destruction about this peaceful land It was then that the Creator created a soul that had enough power to save the entire planet and its race s This one soul had enough magic to save all the souls the creator had placed upon the earth Yet there was a flaw in the plan that the lord did not foresee although the soul had the power to save the earth they had the power to destroy it too

*The Accidental* Gina Franco, 2019-10-14 Cascading through each of the poems in Gina Franco's *The Accidental* is a question What does it mean to be human in a world where the soul is exalted but the body brutalized Franco explores the terrain of the borderlands not just the physical space of the American southwest but the spaces where lines are drawn between body and soul God and self violence and ecstasy Unfolding along these borders in a torrent of deep contemplation Franco's poems bring the reader to the line between accident and choice delving into the role each plays in creating the lives we are born into and in determining how those lives end A body caught in a tree after a flood an accident calls to mind deliberate violences crucifixion and lynching Guided even so by a stark hopefulness *The Accidental* makes a character of the soul and traces its pilgrimage from suffering toward transcendence The soul saw Franco writes that it saw through the wound This book tenders a creation myth steeped in existential philosophy and shimmering with the vernacular of the ecstatic

**The Stone** A C Wright, 2008-06 When Illian a thirteen year old boy is awakened by a chilling dream he is thrown into the midst of an age old battle Now he must face a monstrous king dangerous perils dragons and evil beasts All to bring the true king back to power Though lacking the qualities of a skilled warrior the true King of Varveria anoints Illian as the Chosen One and gives him a stone prophesied to crush the evil king's tyranny Plain to the ordinary eye the Stone contains great powers It's up to Illian and a small band of friends each with unique gifts to discover the Stone's true purpose Will Illian face his fears and destroy the evil king or will darkness prevail Travel with Illian to an ancient land layered in truth and mystery where falcons talk warriors ride fiery chariots evil has wings and one boy with one stone can change everything
