Blood In The Sea: The Dark History of Hindu Oppression In Goa Dr Vinay Nalwa, 2023-12-12 *Blood In The Sea The Dark History Of Hindu Oppression In Goa* by Dr Vinay Nalwa delves into the untold and often overlooked history of Goa revealing a dark past marred by brutality and suppression Dr Vinay Nalwa uncovers the systematic persecution faced by the Hindu community throughout centuries of invasions and colonial rule This powerful book challenges readers to confront the uncomfortable truths behind Goa's picturesque facade presenting a compelling narrative rooted in scholarly research and historical accuracy An extraordinary and much needed exploration of Goa's forgotten past Dr Vinay Nalwa's meticulous research and passionate writing shed light on the painful and often ignored history of Hindu oppression An absolute must read for those who seek the truth beyond popular narratives A powerful and eye opening book that challenges conventional history The depth of research is commendable and the writing is impactful At times the narrative can be dense with information but it's undoubtedly an essential read for those who want to know the real story of Goa An engaging and well researched work that brings to light a dark chapter often overlooked Dr Nalwa's commitment to revealing historical truths is admirable While some parts felt slightly repetitive the overall impact of the book is profound and enlightening A thought provoking book that addresses an important topic but the writing style can be a bit heavy at times Some sections felt overly detailed which made it a slow read for me Still it's a valuable addition to historical literature on Goa Absolutely brilliant Dr Nalwa's dedication to uncovering the suppressed history of Goa is truly admirable This book is not just informative but also deeply moving It challenges readers to reflect on the hidden stories of the past and their relevance today Highly recommended

*Genpei* Kara Dalkey, 2015-07-07 Throughout the twelfth century two rival clans the Minamoto and the Taira struggled for supremacy in Imperial Japan Each attempted a rebellion and for a time the Taira gained ascendancy But their rule turned despotic and at last during the Genpei War of 1179-1185 the Minamoto drove the Taira out of the capital and took control for themselves At the final battle of Dan no ura the Taira-born child emperor and his family all jumped into the Inland Sea to avoid capture and drowned With them was lost the Imperial Sword never to be seen again The Minamoto leader took control moved the capital and became the first Shogun of Japan That much is history But wherefore come the tales of superhuman strength the incredible insight the clandestine knowledge of the Genpei War's heroes There
