Blood On The Doorposts:

TYPES and SHADOWS: Prophetic Pictures to Wholeness in Christ Shirley Christian, 2006-08 The revelation shown in this edition reveals to believers the richness and grandeur of the Old Testament Biblical Studies *The Identity of Jesus* J. J. Bartholomew, 2010-09 The belief that Mary's husband Joseph was not Jesus biological father is common to all who know His story well especially to those who believe in Him However there is something else that must be considered it is this Mary herself was not Jesus biological mother He possessed neither her genes nor her blood This important fact though fundamental to Jesus identity has long been neglected relegated to some dark corner away from the Christian message This book *The Identity of Jesus* brings it into light and deals with related issues including seed of the woman seed of David the deity of Jesus and the meaning of the term the God man In a non traditional yet biblical way *The Identity of Jesus* answers the difficult questions It promises closure to some major controversial issues one of which being the true place of the Blessed Virgin Mary as the mother of Jesus This has the potential to cause both Catholics and Protestants to come to a common conclusion Everyone can profit from *The Identity of Jesus* It brings the believer into a greater consciousness of the reality of who Jesus is and increases the awareness of the value of the sacrifice that was made for salvation The information obtained within its pages can transform a life already committed to Christ into one that exercises greater authority displays more of God's glory and overcomes more adversities For the non believer *The Identity of Jesus* clarifies the misunderstood and makes what once seemed unbelievable believable *The Popular Bible Prophecy Commentary* Tim F. LaHaye, Edward E. Hindson, 2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus's Second Coming Daniel's prophecies about the Antichrist Tribulation and the world's kingdoms and the interpretation of the book of Revelation **Mekhilta De-Rabbi Shimon Bar Yo (Edward E. Elson Classic)** W. David Nelson, 2006-10-09 The Mekhilta de Rabbi Shimon bar Yohai is a collection of classical midrashic interpretation of the biblical Book of Exodus Lost for centuries the text was reconstructed and recovered in the 19th and 20th centuries by both German and Israeli scholars from a variety of source materials including medieval manuscripts of the text and midrashic anthologies As one of the first collections of rabbinic biblical interpretation the Mekhilta de Rabbi Shimon bar Yohai is an indispensable source for understanding the history beliefs and practices of the earliest rabbis This edition translated and explicated for the first time in English by W David Nelson is The Jewish Publication Society's latest contribution to making ancient Jewish literature accessible to modern readers A critical introduction provides the reader with a firm grounding in the historical setting of the text as well as its source material reconstruction subject matter and significance for understanding the history of Judaism Set in a modern readable typeface the Hebrew text faces the English translation with the author's annotation beneath Indexes include scriptural verse citations and rabbinic sages named in the text *Looking at Life through a Biblical Lens* Robert C.

Tannehill,2021-07-01 It may seem that so many sermons have been preached on biblical texts that there is nothing new to say Careful reading and imaginative thought however can result in new insights especially if the biblical text becomes a lens through which we freshly view issues of human life Larger literary units should be considered rather than isolated Bible verses and there is often a development in the text that is suggestive for development of the sermon Clear thinking is necessary about real issues for people today Discernment of the link between the ancient text and the challenges we face requires both thought and imagination The result should be new suggestions for ways of expressing the gospel message appropriate for our time These sermons are presented as good examples of biblical preaching They illustrate the qualities noted above They can also be used in daily or weekly devotions They are more challenging than much devotional material but that may add to their value in nourishing a thoughtful life of faith

The First Passover: A Night of Deliverance Ahmed Musa, 2024-12-12 A night of darkness A meal of hope A promise of freedom sealed in blood The first Passover is a moment of divine intervention that forever alters the course of history As the angel of death sweeps through Egypt God's people are marked by the blood of a lamb protected from judgment and delivered from slavery The First Passover A Night of Deliverance takes you back to that pivotal night when God's power and mercy intersected in a profound act of redemption This sacred event became the foundation of Israel's identity and the blueprint for the ultimate deliverance through Jesus Christ In The First Passover A Night of Deliverance you will discover The significance of the Passover lamb its blood and how it symbolized God's protection and deliverance from death The detailed instructions God gave to Moses and the Israelites on how to prepare for the night of judgment and how these rituals would shape their future celebrations How the first Passover revealed God's justice and mercy both punishing the Egyptians for their oppression and sparing the Israelites in an act of grace The profound spiritual implications of the Passover for believers today especially in light of Christ as the ultimate Lamb of God whose sacrifice brings deliverance from sin and death How the story of the first Passover is not

just about ancient Israel but is a timeless message of redemption for all who believe That night when the blood of the lamb was smeared on the doorposts marked the beginning of Israel s journey from slavery to freedom from oppression to covenant The first Passover points us to the final deliverance found in Jesus Christ who is the fulfillment of that promise How does the story of the first Passover impact your understanding of deliverance and sacrifice What does it mean for you that Jesus is the Lamb of God who takes away the sin of the world The first Passover reminds us that freedom and deliverance come at a great cost but also that God s grace is always available to those who trust in His provision Step into The First Passover and experience the power of deliverance and the promise of freedom God s plan of redemption began that night and it continues to transform lives today

Forty Years in the Wilderness: Moses Leads the Bible's Lost Generation Sue Sandidge,2005-12-22 The escape from Egypt is the pivotal event in the Old Testament Through it God gave his people their freedom For forty tumultuous years God and Moses and a chronically rebellious people suffered and fought and established the foundations of a legal system and a system of ethics that changed the world The Old Testament reminds us that we must never forget the Exodus or we will forget who we are And as we learn about the Exodus we learn who we are

The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard,2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century

and that the development of Easter Sunday is dependent upon this custom is endorsed by the author's close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil

Glimpses of God Cookie Magee, DMin, 2023-04-24 Glimpses of God are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His presence within ourselves and strive to see it more readily in others then we grow not only in love with our God self and others we are filled with a deeper peace a greater joy and a sense of being beloved If we are open to sharing these gifts with others then we too are being a Glimpse of God to those in our family our neighborhood our community our society our church our friends those we encounter on a daily basis and even the stranger

Labourers in the Vineyard of the Lord, 2018-01-29 The centrality of the King James Bible to early modern culture has been widely recognized Yet for all the vast literature devoted to the masterpiece little attention has been paid either to the scholarly scaffolding of the translation or to the erudition of the translators The present volume seeks to redress this neglect by focusing attention on seven key translators as well as on their intellectual milieu Utilizing a wide range of hitherto unknown or overlooked sources the volume furnishes not only precious new information regarding the composition and early reception of the King James Bible but firmly situates the labours of the translators within the broad context of early modern biblical and
