## **Blood On The Risers An Airborne Soldiers:**

**Blood on the Risers** Michael O'Shea,2013 This artfully crafted saga depicts in vivid detail the arduous journey of a young impressionable patriot yearning to fulfill his destiny in the turmoil of the 1960 s The author draws you close to him as he encounters stiff challenges to his basic values his character as well as his faith in his fellow man You ll taste the bitter prop blast as you stand in the open door beside him holding your breath while he soars through the icy sky to the mountainous drop zone below Discover the true nature of this Nation s most valiant fighting men as he progressively learns what it takes to lead Green Berets into battle Share the distinct smell of death while he clutches on to the remnants of his tattered soul constantly violated while he processes the tragedy of life unfolding before him Witness the sheer resolve he and his men display in their commitment to their country despite the disrespect and utter contempt shown to them by their own countrymen This factual rendering allows you to eavesdrop on the innermost workings of a Special Forces A Team as they train and ultimately prepare for battle You ll be sprinting with a SOG Recon Team as they desperately work to elude the hordes of NVA soldiers feeling the impact of explosions and the crackling of rifle fire along the way This read will provide you with a renewed appreciation of what men endure when they make the commitment to defend their country and their way of life despite the intimate danger and life long consequences that accompany that decision With dialogue that keeps the pages turning Michael O Shea transports us directly back to the real American experience in Vietnam It s been nearly fifty years since the US inserted troops into jungles and villages more than 8 000 miles away Stories such as Blood on the Risers are important and necessary for today s readers and future generations veterans like O Shea are prized for sharing them Chris Henning Clarion Review

**Blood on the Risers** John Leppelman,2010-05-26 In three straight years he was a paratrooper and army seaman and a LRRP and he lived to tell about it As an FNG paratrooper in the 173d Airborne John Leppelman made that unit s only combat jump in Vietnam Then he spent months in fruitless search of the enemy watching as his buddies died because of poor leadership and lousy weapons Often it seemed the only way out of the carnage in the Central highlands was in a body bag But Leppelman did get out transferring first to the army s riverboats and then the all volunteer Rangers one of the ballsiest units in the war In three tours of duty that ended only when malaria forced him back to the States Leppelman saw the war as few others did a Vietnam that many American boys didn t live to tell about but whose valor and sacrifice survive on these pages

**Armed with Abundance** Meredith H. Lair,2011 Popular representations of the Vietnam War tend to emphasize violence deprivation and trauma By contrast in Armed with Abundance Meredith Lair focuses on the noncombat experiences of U S soldiers in Vietnam redrawing the landscape of the war

**Rolling Coffins** Brian Richard Esher,2015-01-06 An infantryman s honest account of his experiences during the controversial Vietnam War this book chronicles the courage and dedication that the American soldiers demonstrated while away from loved ones in a foreign land where hanging by a thread was the norm every day It openly discusses the challenges and sacrifices each man had to make

in order to survive and protect the lives of his comrades and it casts a light on the shortcomings of the US government and of those in authority who could have abated the terrifying number of casualties through proper planning and sound judgment. The author Brian Richard Esher had witnessed firsthand the horrors of the war and had many close encounters with death. He was sent to Vietnam in 1968 the worst year in terms of casualties. He served with the 25th Infantry Division 4th Battalion of the 23rd Infantry Mechanized and received several medals including the second highest military award for valor the Distinguished Service Cross.

**Voices from the Vietnam War** Xiaobing Li, 2010-06-11. The Vietnam War's influence on politics, foreign policy, and subsequent military campaigns is the center of much debate and analysis. But the impact on veterans across the globe, as well as the war's effects on individual lives and communities, is a largely neglected issue. As a consequence of cultural and legal barriers, the oral histories of the Vietnam War currently available in English are predictably one-sided, providing limited insight into the inner workings of the Communist nations that participated in the war. Furthermore, many of these accounts focus on combat experiences rather than the backgrounds, belief systems, and social experiences of interviewees, resulting in an incomplete historiography of the war. Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War: Stories from American, Asian, and Russian Veterans*. Li spent seven years gathering hundreds of personal accounts from survivors of the war, accounts that span continents, nationalities, and political affiliations. The twenty-two intimate stories in the book feature the experiences of American, Chinese, Russian, Korean, and North and South Vietnamese veterans, representing the views of both anti-Communist and Communist participants, including Chinese officers of the PLA, a Russian missile training instructor, and a KGB spy. These narratives humanize and contextualize the war's events while shedding light on aspects of the war previously unknown to Western scholars. Providing fresh perspectives on a long-discussed topic, *Voices from the Vietnam War* offers a thorough and unique understanding of America's longest war.

Search and Destroy Dean Hughes, 2015-07-21. RICK WARD WANTS TO GO TO WAR. And he's not sure why. Maybe he's running from his dad and his crazy temper. Maybe he's running from his girl who seems to think he's more of a joke than a man. Or maybe he's just running to find himself. But after Rick ventures into the Vietnam jungle, he discovers that no one—not protestors, politicians, or writers—has got a clue. War is far bigger, scarier, and more complicated than anything he ever could have imagined.

**Tom and Huck Don't Live Here Anymore** Ron Powers, 2002-09-14. From a Pulitzer Prize-winning author, *Tom and Huck Don't Live Here Anymore* is a powerful, disturbing, and eye-opening dispatch from the homefront that will take its place alongside the works of Antony Lucas Robert Coles and Tracy Kidder. Ron Powers' hometown is Hannibal, Missouri, home of Mark Twain and therefore birthplace of our image of boyhood itself. Powers returns to Hannibal to chronicle the horrific story of two killings, both committed by minors, and the trials that followed. Seamlessly weaving the narrative of the events in Hannibal with the national withering of the very concept of childhood, Powers exposes a fragmented adult society where children are left adrift, transforming isolation into violence. Powers's storytelling style keeps such good control over the

pacifying readers will know they're not headed for a disappointment at the ending Publishers Weekly *A Checklist of Vietnam War Literature*, 1994 *Assembly West Point Association of Graduates (Organization)*, 1994 **Army**, 1955

**Soldiers**, 1972 *Not a Gentleman's War* Milam, 2010-07-13 Wars are not fought by politicians and generals they are fought by soldiers Written by a combat veteran of the Vietnam War Not a Gentleman's War is about such soldiers a gritty against the grain defense of the much maligned junior officer Conventional wisdom holds that the junior officer in Vietnam was a no talent poorly trained unmotivated **America's Army and the Language of Grunts** E. Kelly Taylor, 2009-11-12 a powerful sketch of America's Soldiers depicted in their unique lingo legacy a fascinating array of cultural jargon based on a proud history and known as the language of Grunts compelling leadership lessons built on a legacy fashioned by Warriors celebrated by Veterans shared with families and intriguing to citizens Americans share the pride of ownership all contributing to the rich cultural lingo of our Nation's Army a timely insight into America's Army and her Citizen Soldiers viewed through a proud legacy of lingo steeped in tradition and filled with contemporary influences the old and the new *All Volunteer*, 1983 *Recruiter Journal*, 1983 **Armies, Corps, Divisions, and Separate Brigades**, 1987

**Fighting Elites** John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they've accomplished throughout our history and how they operate today **Fighting Elites A History of U S Special Forces** examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities **Grunts** Kyle Longley, 2015-01-28 This book provides a fresh approach to understanding the American combat soldier's experience in Vietnam It integrates such topics as the political culture the experiences of training the actual Vietnam experience and the homecoming and offers a remarkable overview of the 870 000 grunts who bore the brunt of the fighting in the jungles and highlands of South Vietnam and eventually Cambodia and Laos The book addresses many of the stereotypes of the Vietnam combat veteran that have been perpetuated in popular culture and also considers how Vietnam veterans have been commemorated through memorials and other means and how the veterans remember each other The coverage also includes women who served in or near the front lines as well as on the home front The author draws on memoirs and oral histories including his personal interviews with veterans but the book conveys a picture of the Vietnam

combat soldier's experience far more powerful than what individual memoirs can provide      *Dak To and the Border Battles of Vietnam, 1967-1968* Michael A. Eggleston, 2017-01-25 In 1967 the North Vietnamese launched a series of offensives in the Central Highlands along the border with South Vietnam a strategic move intended to draw U S and South Vietnamese forces away from major cities before the Tet Offensive A series of bloody engagements known as the border battles followed with the principle action taking place at Dak To Drawing on the writings of key figures veterans memoirs and the author's records from two tours in Vietnam this book merges official history with the recollections of those who were there revealing previously unpublished details of these decisive battles      *Armies, Corps, Divisions, and Separate Brigades*, 1999 Includes the lineages and honors for all armies corps divisions and separate combined arms brigades in order to perpetuate and publicize their traditions honors and heraldic entitlements organized under Tables of Organization and Equipment that have been active in the Regular Army Army Reserve and Army of the United States since the beginning of World War II Included in this edition is the 12th Infantry Division formerly the Philippine Division which did not appear in the earlier one The lineages are current though 1 October 1997 Brigade headquarters and headquarters companies or headquarters except for aviation and engineer brigades organic to the above mentioned combat divisions since ROAD Reorganization Objective Army Divisions in the early 1960s have also been incorporated Divisional aviation and engineer brigades are branch specific and therefore have been omitted The lineages and honors for Army National Guard divisions and separate combined arms brigades that were active on 1 October 1997 are also included Preface

### **Blood On The Risers An Airborne Soldiers Introduction**

In today's digital age, the availability of Blood On The Risers An Airborne Soldiers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Blood On The Risers An Airborne Soldiers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Blood On The Risers An Airborne Soldiers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Blood On The Risers An Airborne Soldiers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Blood On The Risers An Airborne Soldiers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Blood On The Risers An Airborne Soldiers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Blood On The Risers An Airborne Soldiers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Blood On The Risers An Airborne Soldiers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Blood On The Risers An Airborne Soldiers books and manuals for download and embark on your journey of knowledge?

### **FAQs About Blood On The Risers An Airborne Soldiers Books**

1. Where can I buy Blood On The Risers An Airborne Soldiers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
