 The Best of Blood, Sweat and Tears Blood, Sweat, and Tears (Musical group),1986 *They Never Said It* Paul F. Boller Jr.,John George,1990-06-14 Abraham Lincoln never said You cannot fool all the people all the time Thomas Jefferson never said That government is best which governs least And Horace Greeley never said Go west young man In *They Never Said It* Paul F Boller Jr and John George examine hundreds of misquotations incorrect attributions and blatant fabrications outlining the origins of the quotes and revealing why we should consign them to the historical trashcan Many of the misquotes are quite harmless Some are inadvertent misquotes that have become popular Shakespeare actually said The best part of valor is discretion others the inventions of reporters embellishing a story Franklin Roosevelt never opened a speech to a DAR group with the salutation My fellow immigrants But some of the quotes such as Charles Darwin s supposed deathbed recantation of evolution falsify the historical record with their blatant dishonesty And other chillingly vicious ones filled with virulent racial and religious prejudices completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln An entertaining and thought provoking book *They Never*

Said It covers a great deal of history and sets it right Going beyond a mere catalog of popular misconceptions Boller and George reveal how rightists and leftists and atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends The ultimate debunking reference it perfectly complements handbooks of quotations

Blood, Sweat, and My Rock 'n' Roll Years Steve Katz,2015-05-01 On paper Steve Katz s career rivals anyone s except the 1960s and 70 s biggest stars the Monterey Pop Festival with the legendary Blues Project Woodstock with Blood Sweat Tears and even producing rock s most celebrated speed addict Lou Reed There were world tours and his r sum screams Hall of Fame it won t be long before BS T are on that ballot He has three Grammys ten nominations three Downbeat Reader s Poll Awards three gold records one platinum record and one quadruple platinum platter the second Blood Sweat Tears album not to mention three gold singles with BS T All together he s sold close to 29 million records He had affairs with famous female folk singers made love to Jim Morrison s girlfriend Pam when Jim was drunk and abusive partied with Elizabeth Taylor and Groucho Marx dined with Rudolf Nureyev conversed with Martin Luther King Jr and Tennessee Williams hung out with Andy Warhol jammed with everyone from Mose Allison to Jimi Hendrix and was told to get a haircut by both Mickey Spillane and Danny Thomas But his memoir is more Portnoy s Complaint than the lurid party with your pants down memoir that has become the norm for rock n roll books It s an honest and personal account of a life at the edge of the spotlight a privileged vantage point that earned him a bit more objectivity and earnest outrage than a lot of his colleagues who were too far into the scene to lay any honest witness to it Set during the Greenwich Village folk rock scene the Sixties most celebrated venues and concerts and behind closed doors on international tours and grueling studio sessions this is the unlikely story of a rock star as nerd nerd as rock star a nice Jewish boy who got to sit at the cool kid s table and score the hot chicks

Blood, Sweat and Tears David Clayton-Thomas,2010-09-07 There was a time when David Clayton Thomas seemed an unlikely success story As a teenager in Willowdale Ontario his frequent clashes with his authoritarian father led to his living on the streets by the time he was 14 then spending the rest of his youth bouncing in and out of jails and reformatories But when a battered old mail order guitar was left to him by an outgoing inmate Clayton Thomas discovered a talent for music that allowed him to believe in a different kind of life This is the remarkable story of his journey to international stardom as the legendary front man for Blood Sweat Tears In his brutally truthful memoir Clayton Thomas reveals what it was like to headline at Woodstock to tour behind the Iron Curtain to watch brilliant musicians tear their own band apart with in fighting and to make his fortune only to lose it all and start all over again This is a story of grit courage and determination It is above all a story of survival

The Words of Others Gary Saul Morson,2011-06-28 In this lively gambol through the history of ations and ation books Gary Saul Morson traces our enduring fascination with the words of others Ranging from the remote past to the present he explores the formation development and significance of ations while exploring the verbal museums in which they have been collected and displayed commonplace books treasuries and anthologies In his trademark clear witty and provocative style Morson invites readers to share his delight in the shortest literary genre The author defines what makes a e able as well as the unexpected differences between ation and misation He describes how ations form transform and may eventually become idioms How much of language itself is the residue of former ations Weaving in hundreds of intriguing ations common and unusual Morson explores how the words of others constitute essential elements in the formation of a culture and of the self within that culture In so doing he provides a demonstration of that very process captured in the pages of this extraordinary new book
