Perkins, 2009 On 18 December 1854 Kierkegaard began

to publish a series of newspaper articles critical of the Danish state church This book views these writings not only in the context of the theological philosophical and social events of that time but also the 2005 2006 Danish cartoon controversy

The Moment and Late Writings Søren Kierkegaard, 2009-10-11 Kierkegaard a poet of ideals and practitioner of the indirect method also had a direct and polemical side He revealed this in several writings throughout his career culminating in *The Moment* his attack against the established ecclesiastical order Kierkegaard was moved to criticize the church by his differences with Bishop Mynster Primate of the Church of Denmark Although Mynster saw in Kierkegaard a complement to himself and his outlook Kierkegaard challenged Mynster to acknowledge the emptying and estheticizing of Christianity that had occurred in modern Christendom For three years Kierkegaard was silent waiting When Mynster died he was memorialized as an authentic truth witness in the holy chain of truth witnesses that stretches through the ages from the days of the apostles This struck Kierkegaard as blasphemous and inspired him to write a series of articles in *F drelandet* which he followed with ten numbers of the pamphlet *The Moment* This volume includes the articles from *F drelandet* all numbers of *The Moment* and several other late pieces of Kierkegaard's writing

Abortion and America's Churches Daniel K. Williams, 2025-10-01 Abortion and America's Churches explores the surprising history of how American Christians think about abortion Many people assume that Christians have steadfastly condemned abortion throughout the United States's history Daniel K Williams overthrows all assumptions about the unity consistency or simplicity of American Christian thought and belief in this groundbreaking new book He demonstrates that churches in the United States have fought among themselves and with the wider culture as they developed and enforced their stance on abortion revealing major struggles to define their often changing positions Far from a cynical exercise of political interest changes and disagreements arose from serious theological considerations informed by each tradition's approach to the faith These theological shifts and corresponding shifts in interreligious political alliances led to the changing fortunes of *Roe v Wade* By capturing the fascinating and complicated history informing each faith's position Abortion and America's Churches restores much needed context to the sharp polarization over abortion today

WAKE UP CHURCH Ryan Richardson,2014-09-02 I began the study of the subject of Christ s second coming and the end times in detail with much prayer and study I must say that I have been intrigued with the book of Revelation for years Through those years I have been rotating from position to position in reference to pre trib mid trib and post tribulation As I would read various scriptures they would seem to contradict each other and point to a specific yet different time for the return of Christ on the clouds to gather His saints Perhaps you too have been confused about the timing of the second coming of Jesus and the end times Maybe you too have changed your position a few times depending on the various scriptures you happen to be reading at the time Or is there a chance that you hold a particular position but if pressed to support it welllll In addition to our own confusions and variations there are the traditional beliefs and doctrines within the various churches that differ as much as the churches themselves I have asked questions to pastors deacons Sunday School teachers and other faithful saints and have received widely differing opinions about this subject There were none who could entirely support their positions with scriptures that did not conflict with their own opinions The usual final response from all I have spoken with goes somewhat like this Well these things are just not meant to be understood at this time UNTIL NOW at least for me This book shares with specific scriptural documentation that will remove all confusion about timing of the Second Coming of Jesus Christ I hope you are blessed by it

Ducking Spears, Dancing Madly Lewis Parks,Bruce C. Birch,2004 A penetrating look at church leadership through the stories of Saul David and other central Old Testament figures The Bible portrays leaders not as heroes placed on a pedestal but rather as flawed and fallen human beings who nonetheless work with the people around them and with the situation at hand to move toward accomplishing the will of God Lewis Parks and Bruce Birch maintain that a clear open eyed understanding of biblical stories on the exercise of leadership is the only way to prepare for leadership in the church In order to provide that understanding they engage in a dialogue with the books of 1 and 2 Samuel texts that portray the people of Israel in frequent social and political transition and hence in need of effective leadership

Church, State, and Society J. Brian Benestad,Ryan Connors,2025-06-27 Church State and Society explains the nuanced understanding of human dignity and the common good found in the Catholic intellectual tradition It makes the case that liberal arts education is an essential part of the common good because it helps people understand their dignity and all that justice requires This second edition contains new chapters on religious liberty cooperation with evil issues around gender ideology and contemporary questions of Catholics in political life including regarding the reception of the sacraments The book also includes new material on economic and social teaching of the Magisterium promulgated since the first edition especially related to the teaching of Benedict XVI Provided by publisher

Shaping Church Law Around the

Year 1000 Greta Austin, 2009 Drawing upon new manuscript discoveries the author shows how Burchard tried to create a new text that would address these problems He carefully selected and compiled canons from earlier collections and then went on to tamper systematically with the texts he had chosen By doing so he created a book of church law that appeared to be based on indisputable authority that was internally consistent and that was easy to apply through logical extrapolation to new cases The present study thus provides a window into the development of legal and theological reasoning in the medieval West and suggests that thanks to the work of ambitious bishops the flowering of law and theology began far earlier and for different reasons than scholars have heretofore supposed **BOOK JACKET**

Innocent Blood John Ensor, 2011-09 The gospel of Christ is the gospel of life and the Christian's defining reality Yet the shedding of innocent blood primarily through abortion has now marked an entire generation Innocent Blood explores a series of questions so as to reveal vital connections between the gospel and the call to defend the unborn These questions include What does the Bible mean when it says that life is in the blood What does the Bible say about blood guilt How is it that we are all stained by it and accountable for it even though few of us have taken a human life What remedy does God provide for the guilt of shedding innocent blood What are we to do when confronted with the shedding of innocent blood and where does our courage to take action come from What is the link between protecting the innocent and proclaiming good news to the guilty Not a book on social issues per se nor a book on missions Innocent Blood integrates the two and calls us to courageously challenge the powers of death with the gospel of life
