Bloodstained Fivers:

Shroud Encounter Russ Breault, 2024-06-12 It was a crime scene investigation like no other A man was tortured beaten and killed He was popular with the people but many in power wanted Him dead After a mock trial the powerful had their way He was given a hasty burial but now the body has disappeared Was there a clue left behind A bloody sheet offers evidence of a horrific execution Was the body stolen By whom and why Did it just vanish What does the cloth reveal about the disappearance The Shroud of Turin Italy bears the faint front and back image of a bearded crucified man with corresponding bloodstains that match the Gospel accounts of what happened to Jesus It is the most analyzed artifact in the world yet remains an unsolved mystery While there are no artistic substances on the linen cloth the blood is real and testing corresponds with type AB The blood has soaked through the cloth however the image resides only on the top 1 percent of the surface fibers Could it be the same Shroud that wrapped Jesus in the tomb The Shroud poses the ultimate either or proposition as either the actual burial cloth of Jesus or the product of human effort as a work of devotional art or a masterful hoax There is nothing in between The culmination of a lifetime of research countless presentations and ongoing associations with Shroud experts worldwide Russ Breault's Shroud Encounter Explore the World's Greatest Unsolved Mystery examines the science history and theology surrounding this profound enigma If proven one day to be authentic the implications could truly shake the world Manitua

Boundaries Aubrey Jones, 2004-11 I had never heard a battle cry felt the sting of a fist pounding into my flesh nor had I felt

the never ending desire of passionate love that lifted my heart and soul to unimaginable heights This combination of events brought enchanting catastrophe to my simple life After the corruption of neighboring enemies and nearly meeting my fate exhaustion could spell my name and I had not even seen the summer of my twentieth year Becoming immortal in a world that lost all magik thousands of years ago only added to the frustrations of death and war Love Family Peace Was this too much to ask And with the elves believing that I am their savior and will play some part in lifting a curse that banished them to The Invisible Realm three thousand years ago my shattered heart could never be mended Failure however is my only fear
