Bloody Angle:

Glory Enough for All Eric J. Wittenberg, 2007-07-01 After the ferocious fighting at Cold Harbor Virginia in June 1864 Union Lt Gen Ulysses S Grant ordered his cavalry commanded by Maj Gen Philip H Sheridan to distract the Confederate forces opposing the Army of the Potomac *Glory Enough for All* chronicles the battle that resulted when Confederate cavalry pursued and caught their Federal foes at Trevilian Station Virginia perhaps the only truly decisive cavalry battle of the American Civil War Eric J Wittenberg tells the stories of the men who fought there including eight Medal of Honor winners and one Confederate whose death at Trevilian Station made him the third of three brothers to die in the service of Company A of the Fourth Virginia Cavalry He also addresses the little known but critical cavalry battle at Samaria Saint Mary s Church on June 24 1864 where Union Brig Gen David N Gregg s division was nearly destroyed The only modern strategic analysis of the battle *Glory Enough for All* challenges prevailing interpretations of General Sheridan and of the Union cavalry

Wittenberg shows that the outcome of Trevilian Station ultimately prolonged Grant s efforts to end the Civil War *The Monumental News* ,1897 **Battles and Leaders of the Civil War** ,1888 **The Spotsylvania Campaign** Gary W.

Gallagher, 2010-02-01 The Spotsylvania Campaign was a crucial period in the protracted confrontation between Ulysses S Grant and Robert E Lee in spring 1864 Approaching the campaign from a variety of perspectives the contributors to this volume explore questions regarding high command tactics and strategy the impact of continuous fighting on officers and soldiers in both armies and the ways in which some participants chose to remember and interpret the campaign They offer insight into the decisions and behavior of Lee and of Federal army leaders the fullest descriptions to date of the horrific fighting at the Bloody Angle on May 12 and a revealing look at how Grant used his memoirs to counter Lost Cause interpretations of his actions at Spotsylvania and elsewhere in the Overland Campaign The contributors are William A Blair Peter S Carmichael Gary W Gallagher Robert E L Krick Robert K Krick William D Matter Carol Reardon and Gordon C Rhea

The 96th Pennsylvania Volunteers in the Civil War David A. Ward, 2018-05-27 The 96th Pennsylvania Volunteers infantry regiment was formed in 1861 its ranks filled by nearly 1 200 Irish and German immigrants from Schuylkill County responding to Lincoln s call for troops The men saw action for three years with the Army of the Potomac s VI Corps participating in engagements at Gaines Mill Crampton s Gap Salem Church and Spotsylvania Drawing on letters diaries memoirs and other accounts this comprehensive history documents their combat service from the point of view of the rank and file soldier along with their views on the war slavery emancipation and politics *The Scene of the Battle*, 1775 Joyce Lee Malcolm, 1985

Brown's A Negro Looks at the South Sterling A. Brown,2007-02-03 Using oral history and the printed word Sterling A Brown set out during the Second World War to capture the response of African Americans primarily living in the South to America s involvement in the war and how it affected them These responses brought together in extended non fiction essays of many different types illustrate the diversity of opinions in the Black South about the war and the war period in America For nearly sixty years the excerpts that were never published languished in Brown s manuscript collection at Howard University Now for the first time all of the completed pieces of unpublished writings are combined with the few published sections into the book that Brown envisioned The legacy Brown left us is not only a superb portrait of the way in which African Americans of the mid century talked and lived he also provided a methodology that oral and written historians will find extremely useful This is clearly a document from another time as its now outdated title reminds us but it reveals a world that still informs our sense of ourselves as a nation In fact it is an unforgettable history which Brown has cast in a bright elucidating new light **Staff Ride Handbook for the Overland Campaign, Virginia, 4 May to 15 June 1864: A Study in Operational-Level Command** , *Campaigning with Grant* Horace Porter,1897 Originally printed in

If It Takes All Summer William D. Matter,2017-03-01 The termination of the war and the fate of the Union hung in the balance in May of 1864 as Robert E Lee s Army of Northern Virginia and Ulysses S Grant s Army of the Potomac clashed in the Virginia countryside first in the battle of the Wilderness where the Federal army sustained greater losses than at Chancellorsville and then further south in the vicinity of Spotsylvania Courthouse where Grant sought to cut Lee s troops off from the Confederate capital of Richmond This is the first book length examination of the pivotal Spotsylvania campaign of 7 21 May Drawing on extensive research in manuscript collections across the country and an exhaustive reading of the available literature William Matter sets the strategic stage for the campaign before turning to a detailed description of tactical movements He offers abundant fresh material on race from the Wilderness to Spotsylvania the role of Federal and Confederate cavalry Emory Upton s brilliantly conceived Union assault on 10 May and the bitter clash on 19 May at the Harris farm Throughout the book Matter assesses each side s successes failures and lost opportunities and sketches portraits

of the principal commanders The centerpiece of the narrative is a meticulous and dramatic treatment of the horrific encounter in the salient that formed the Confederate center on 12 May There the campaign reached its crisis as soldiers waged perhaps the longest and most desperate fight of the entire war for possession of the Bloody Angle a fight so savage that trees were literally shot to pieces by musket fire Matter s sure command of a mass of often conflicting testimony enables him to present by far the clearest account to date of this immensely complex phase of the battle Rigorously researched effectively presented and well supported by maps this book is a model tactical study that accords long overdue attention to the Spotsylvania campaign It will quickly take its place in the front rank of military studies of the Civil War *Scenic Routes & BywaysTM Virginia* Judy Colbert,2013-12-17 *Scenic Routes Byways Virginia* features nearly twenty five separate drives through the Old Dominion An indispensable highway companion *Scenic Routes Byways Virginia* includes full color photos route maps and in depth descriptions of attractions *The Way Home* Tom E. Hicklin,2019-09-14 In the thrilling sequel to *Road to Antietam* Tom E Hicklin s debut novel the American Civil War enters its third year and the men and boys of the Eighth Ohio Volunteer Infantry quickly learn that the devastating events of the Battle of Antietam were just the beginning The battles get larger and the fighting more brutal and the casualty rates rise as both sides come to realize that they are pitted in a desperate conflict that will define the future of the United States In every major battle of the Eastern Theater the Eighth is there At places like Fredericksburg Chancellorsville Gettysburg The Wilderness and Spotsylvania they fight to win and survive Meanwhile on the home front the losses take their toll Families are torn apart people are pushed to the brink by grief and despair and the Galloway family is no exception Illness and death hang over the family like a shroud And through it all one young man battles grief guilt and temptation as he struggles to stay alive long enough to make it home *Battles and Leaders of the Civil War: Volume IV* ,1888 *The 16th Mississippi Infantry* Robert G.
