Bloody Knife:

Bloody Knife Ben Innis, 1994 **The Kind Whisper** Alan Maas, 2022-12-14 Three brothers from Germany embark on a journey in the New World of America each finding their own place in America's history. Or did they? Follow the events of the Kind families as they move west to find their fortunes and possibly fame in their endeavors. Unravel the mystery behind the legendary Thoen Stone. Meet interesting and historical characters such as General George Custer, Wild Bill Hickok, Calamity Jane, and others. It is an adventure in the real Wild West that just might leave you hanging. History is defined as the study of or a record or story of past events considered together, especially events or developments of a particular period, country, or subject. Now how you obtain history is the tricky part. It can come from something tangible or intangible or from someone through written word or spoken word. You know that history can be passed on from one human being to another human being. You also know that to err is human, so how much of our history is truth and how much is fabricated? The truth should come out in the research done in that particular area of history, right? Well, this is a story based on the history of an area called the Black Hills of South Dakota which happens to interject into the history of the United States and it may even find that it could touch the history of your own family. It all depends on the research. Doesn't it? Most of the story you are about to read is true, but along with most history comes the uncertain mysteries, mysteries that could be added to true history with the proper amount of research. I hope that by reading this book you will come away with a sense of satisfaction that all those years of history in school and your own experiences are finally paying off and you are realizing that the benefit of knowing history is what helps you understand our world. But if after you have finished this book you are still confused about the fact or fiction surrounding history, do the research; you may be surprised at what you will find. I know I was and still am. **Between Earth and Sky (Guardians of the North Book #4)** Alan Morris, 1998-05-01 With Crazy Horse on the warpath, can Hunter and Reena survive his thirst for revenge? While living among the Blackfoot Indians as a missionary, Reena O'Donnell receives a telegram from her uncle Faron requesting that she come to help him. She is shocked to hear he has been severely wounded while working as a scout for General George Armstrong Custer in the Dakota Territory. Hunter Stone and Del Dekko provide Reena an escort along with missionary Jack Sheffield who insists on accompanying them. As Reena nurses her uncle back to health, Custer's expedition with the Seventh Cavalry deep into Indian territory leads to renewed hostilities among the Sioux and Cheyenne. As the People gather for the battle sure to come, Jack Sheffield determined to follow God's leading strikes out on his own to try to talk with Crazy Horse and restrain the fury of the great chief. With imminent danger threatening them, Hunter grows concerned for the safety of Reena and her wounded uncle. Should they remain in the safety of Custer's army or return home on their own through dangerous country? Will a mission of mercy lead them all to an early grave? Or can Hunter find a way out? *The Kind Whisper- Part of The Kind Legacy Series* Alan Maas, 2025-05-01 A Western adventure rooted in truth forged in mystery. The Black Hills stood untouched, unclaimed, and full of secrets when Ezra Kind carved his fate into a

slab of sandstone What began as a search for gold quickly turned into a desperate fight for survival and a message that would echo through generations Decades later as new settlers and fortune seekers flood the Dakota Territory two brothers uncover the half buried stone and find themselves pulled into the mystery it holds In a land where fact and folklore blur where hope is weighed against hardship the Kind family s legacy stirs once again Based on real events and inspired by the legend of the Thoen Stone The Kind Whisper launches The Kind Legacy Series a sweeping historical Western filled with frontier grit hidden truths and the powerful ties of family Along the way it crosses paths with some of the West s most iconic figures including General George Custer Wild Bill Hickok and Calamity Jane Some treasures are buried in the earth Others are buried in the heart Some whispers echo through time This is one of them

The Crossed Sabres (House of Winslow Book #13) Gilbert Morris,2005-07-01 Thomas Winslow fought bravely in the Civil War and was fortunate to survive the grim carnage But the final defeat on the field of battle was far less painful than the personal defeat he encountered upon his return home Betrayed by his wife and best friend the only remnant of his marriage and love was a newborn daughter Despite the difficulties Tom remained adamant against giving Laura up He eventually took a job with the Department of Indian Affairs Over a period of several years he and his young daughter move all over the Northern Plains meeting with the leaders of the Indian tribes then bringing recommendations with his findings There was no other white man who knew the country or the Indians better than Thomas Winslow When the opportunity comes to join the Seventh Cavalry under General George Custer it affords a better home life for Laurie and a highly desired return to a military career for Winslow But Tom soon discovers that Custer s campaign against the Indians in the Northern Plains is ill fated and that his old bitter rival Spencer Grayson is a superior ranking officer As they head toward the Little Big Horn and the final confrontation who will be left standing House of Winslow Book 13
