Blue-Collar Workers in Eastern Europe Jan F Triska, Charles Gati, 2025-03-03 First published in 1981 Blue Collar Workers in Eastern Europe deals with the attitudes and political disposition of the East European working class In particular it provides the first analysis of the growing assertiveness of the industrial proletariat from which East European governments claim to derive their legitimacy and on whose behalf they profess to rule These governments are increasingly hesitant in the use of force yet they lack the economic means of meeting their workers demands The chapters that make up the book fall into three main categories About one third are issue oriented and analytical dealing with the role economic condition attitudes social and demographic characteristics and political involvement of the workers These are followed by case studies of workers in several countries Finally two chapters explore the policy implications of the workers new found assertiveness and assess the international policy options and dilemmas of both the Soviet Union and the West This book covers all the major issues which brought about the widely publicised workers rebellion in Poland in the summer of 1980 and includes an assessment of that crisis and its sequels It will attract a wide readership among students of the history and politics of Eastern Europe especially those interested in labour unions socialist management and comparative communism **A Look at**

Worker Rights in Eastern Europe ,1989 **A Look at Worker Rights in Eastern Europe, 1988-1989** ,1989 A Social and Economic History of Twentieth-century Europe Gerold Ambrosius, William H. Hubbard, 1989 This comprehensive single volume source of information on the social and economic transformations in Europe over the past hundred years fills a critical gap in our knowledge It examines population trends social structures and economic structures and offers an integrative overview of changes in both the organization of the economy and the role of the state in economic management

The Transition in Eastern Europe, Volume 2 Olivier Jean Blanchard, Kenneth A. Froot, Jeffrey D. Sachs, 2007-12-01 When communism fell in 1989 the question for most Eastern European countries was not whether to go to a market economy but how to get there Several years later the difficult process of privatization and restructuring continues to concern the countries of the region The Transition in Eastern Europe Volumes 1 and 2 is an analysis of the experiences of various countries making the transition to market economies and examines the most important challenges still in store Volume 1 Country Studies gives an in depth country by country analysis of various reform experiences including historical backgrounds and discussions of policies and results to date The countries analyzed are Poland Czechoslovakia Hungary eastern Germany Slovenia and Russia Written by leading economists some of whom helped shape local and national reforms this volume identifies common progress common difficulties and tentative solutions to the problems of economic transition Volume 2 Restructuring focuses

on specific issues of transition including how to design labor market institutions privatization new fiscal structures and bankruptcy laws how to reorganize foreign trade and how to promote foreign direct investment The articles written by experts in the field will be of direct help to those involved in the transition process These volumes provide a standard reference on economic transition in the region for policymakers in Eastern Europe and in western countries for international agencies concerned with the transition process and for anyone interested in learning about the dramatic changes that have recently occurred in Eastern Europe Problems of Communism ,1976 *Innovative People Mobility of Skilled Personnel in National Innovation Systems* OECD,2001-09-12 Based on new empirical evidence this publication compares the rates and patterns of mobility of high skilled labour in a sample of OECD countries **East European Economies** ,1985

Economic Transition in Eastern Europe and Russia: Realities of Reform , An evaluation of the efficacy of different forms of liberalization since the fall of communism in Eastern Europe in the form of 13 essays on economic and political reforms Following an extensive introductory essay Economic Reform Appropriate Steps and Actual Policies the remaining essays are organized in three parts fundamental components of economic reform specific problems in reform and comparisons and evaluations Annotation copyright by Book News Inc Portland OR *The Planned Economies of Eastern Europe* Alan H. Smith,2025-08-01 First published in 1983 The Planned Economies of Eastern Europe provides a penetrating analysis of the Eastern European economies beginning with an examination of the Soviet model on which they are based An interesting comparison is made between the levels of economic development in these countries before and after adopting the Soviet model The effect of the model in generating rapid industrial growth by giving priority to heavy industry without regard to the raw material base and in doing so neglecting agricultural development is looked at in detail This is followed by a survey of proposals to reform the system put forward by Polish Hungarian and Czechoslovakian economists A discussion of the role of money and the problems of consumer equilibrium and the problems of foreign trade both inside and outside Comecon concludes this in depth and constructive review **A History of Eastern Europe** Robert Bideleux,Ian Jeffries,2006-04-10 A History of Eastern Europe Crisis and Change is a wide ranging single volume history of the lands between the lands which have lain between Germany Italy and the Tsarist and Soviet empires Bideleux and Jeffries examine the problems that have bedevilled this troubled region during its imperial past the interwar period under fascism under communism and since 1989 While mainly focusing on the modern era and on the effects of ethnic nationalism fascism and communism the book also offers original striking and revisionist coverage of ancient and medieval times the Hussite Revolution the Renaissance the Reformation and the Counter Reformation the legacies of Byzantium the Ottoman Empire and the Hapsburg Empire the rise and decline of the Polish Lithuanian Commonwealth the impact of the region s powerful Russian and Germanic neighbours rival concepts of Central and Eastern Europe the 1920s land reforms and the 1930s Depression Providing a thematic historical survey and analysis of the formative processes of change which have played the

paramount roles in shaping the development of the region A History of Eastern Europe itself will play a paramount role in the studies of European historians Democracy and Enlargement in Post-Communist Europe Christian W. Haerpfer,2003-09-02 This book presents the principal findings of a unique and in depth study into the birth of democracy and the market economy in fifteen post communist countries Studies in East European Social History, Volume 1 Hitchins,2023-04-17 *Everyday Postsocialism in Eastern Europe* Jill Massino,Markus Wien,2024-09-15 The collapse of state socialism ushered in dramatic political and economic change producing new freedoms and opportunities but also new challenges and disappointments Focusing on laborers professionals youth women sexual minorities foreign students and emigrants Everyday Postsocialism in Eastern Europe explores these multifaceted changes and people s varied experiences of them The featured narratives complicate hegemonic representations of transformation revealing ruptures and continuities progress and reversals Highlighting the multi directionality of change over the last thirty years the book reappraises 1989 as an epochal event for all Environment and Health in Central and Eastern Europe Clyde Hertzman,1995-01-01 This report draws on lessons learned in urban development lending to build a conceptual framework for improving the delivery of services This framework looks beyond local governments alone as the cause of poor performance and points toward reforming the incentives they face The report examines key issues in service delivery such as the need to clarify the division of functional responsibilities between levels of government to make revenue sources correspond to functional responsibilities and to establish a governmental system that balances central regulation with local incentives for responding to constituents The book seeks to begin a global dialog on ways of improving urban service delivery and to serve as a catalyst for further learning from the rich experience of reform underway in many developing countries The issues addressed in the report especially pertain to countries undertaking decentralization Also available French ISBN 0 8213 3314 3 Stock No 13314 Spanish ISBN 0 8213 3315 Stock No 13315 Labour Relations in Transition in Eastern Europe György Széll,2017-11-07 No detailed description available for Labour Relations in Transition in Eastern Europe Leadership in East European Communism, 1945-1970 R. Barry Farrell,2017-07-05 Fifteen eminent social scientists from North America and Eastern Europe met under the auspices of Northwestern University s Comparative Politics Program to discuss the significance and characteristics of changes in political leadership in Eastern Europe and the Soviet Union since World War II The presentations at the conference were edited and re written following the discussion They are incorporated into this comprehensive analysis of political leadership in European communist countries since World War II This volume is divided up into four parts and fourteen different chapters Part One examines the theoretical questions of leadership in European socialist countries Part Two provides a factual perspective including contemporary quantitative data and biographical analysis Part Three discusses the interaction of the leadership and society Jan Triska s concluding overview relates specific chapters to the informal discussions at the conference Some of the notable contributions include Historical Development of

the Communist Theory of Leadership Alfred G Meyer The Theory of Political Leadership and the Issue of Totalitarianism Carl J Friedrich Marxist Theories of Leadership and Bureaucracy Andras Hegedus Trends in Top Political Leadership in USSR Frederick C Barghoorn Representation of Career Types in Soviet Political Leadership Frederic Fleron The Soviet Appartchiki Michael P Gehlen Leadership in East European Communism 1945 1970 is essential reading for students of comparative politics and the politics of East European socialist countries and the Soviet Union *Coping with Emigration in Baltic and East European Countries* OECD,2013-12-13 The Baltic countries have experienced sustained emigration over the past decade contributing to population decline and a loss of working age population This book examines the impact of this emigration
