Lione D. Lambert,2025-10-25 She seeks to bring down the Lionian Sovereignty He is determined to save it Aurion Illica is proud to be a councilman of the Lionian Sovereignty But as corruption taints the Council assassinations shake the Sovereign's power and the rebellions of the slave races particularly the Nurmi savages of the Corelands threaten to extinguish the greatness of Lione Aurion must choose between Lione and his life Lania is a Warrior of the Nurmi one half of the religious incarnation of prophecy It is she who will destroy Lione and free the world from the monsters of the south As they cross paths Aurion begins to see that the Nurmi are not mere savages to be enslaved and Lania is forced to recognize that not all Lionians are faceless conquerors to be slain It is only by working together that the two mortal enemies may save both peoples in this time of great upheaval *Skells* F. Lambert,2025-11-25 To save his home he must destroy it Aurion Illica s life is buried in Lione s politics until an assassination attempt lands him in the hands of enemy Nurmi warriors whom Lione had enslaved for decades In exchange for his life he leaves behind his affluent life and agrees to remain in the north and serve them Lania the Warrior of the Nurmi never expected to save a Lionian councilman but far from regretting it she forms a bond with her old master She knows Aurion has a part to play as the Lionian Sovereignty fights on several fronts but she cannot be sure whether he will be with or against her As she grows close to Aurion she prays he will stand at her side A Catalogue of Books in Foreign Languages Now on Sale by Payne and Foss ,1827

Graham,Edgar Allan Poe,1856 Dressing Renaissance Florence Carole Collier Frick,2005-07-20 As portraits private diaries and estate inventories make clear elite families of the Italian Renaissance were obsessed with fashion investing as much as forty percent of their fortunes on clothing In fact the most elaborate outfits of the period could cost more than a good sized farm out in the Mugello Yet despite its prominence in both daily life and the economy clothing has been largely overlooked in the rich historiography of Renaissance Italy In Dressing Renaissance Florence however Carole Collier Frick provides the first in depth study of the Renaissance fashion industry focusing on Florence a city founded on cloth a city of wool manufacturers finishers and merchants of silk dyers brocade weavers pearl dealers and goldsmiths From the artisans who designed and assembled the outfits to the families who amassed fabulous wardrobes Frick s wide ranging and innovative interdisciplinary history explores the social and political implications of clothing in Renaissance Italy s most style conscious city Frick begins with a detailed account of the industry itself its organization within the guild structure of the city the specialized work done by male and female workers of differing social status the materials used and their sources and the garments and accessories produced She then shows how the driving force behind the growth of the industry was the elite families of Florence who in order to maintain their social standing and family honor made continuous purchases of clothing whether for everyday use or special occasions for their families and households And she concludes with an analysis of the clothes themselves what pieces made up an outfit how outfits differed for men women and children and what colors fabrics and design elements were popular Further and perhaps more basically she asks how we know what we know about Renaissance fashion and looks to both Florence s sumptuary laws which defined what could be worn on the streets and the depiction of contemporary clothing in Florentine art for the answer For Florence s elite appearance and display were intimately bound up with self identity Dressing Renaissance Florence enables us to better understand the social and cultural milieu of Renaissance Italy *Household Words* Charles John Huffam Dickens,1851 **Cycle World** ,2000-07 **Catalogus librorum manuscriptorum in bibliotheca D.
