The Year of the Blue Snow Mel Marmer, Bill Nowlin, Clem Comly, James Forr, Russ Lake, Len Levin, 2013-07 Catcher Gus Triandos dubbed the Philadelphia Phillies 1964 season the year of the blue snow a rare thing that happens once in a great while The Phillies were having a spectacular season in which everything was going right They held a 6 1 2 game lead at the conclusion of play on September 20 With just 12 games to play they seemingly had it made But the Cincinnati Reds and St Louis Cardinals never gave up and when the Phillies lost ten consecutive games it became a thrilling pennant race for Cardinals and Reds fans but a horrific collapse for Phillies fanatics But wait a minute When it was seemingly too late the Phillies finally won a game and the first place Cardinals lost two games to the lowly New York Mets so on the last day of the season there was the distinct possibility of a three way tie for first place It would have been a first in baseball history On the final day of the season the
