Conrad Aiken Edward Butscher, 2010-06-01 The first of a planned two volume biography *Conrad Aiken Poet of White Horse Vale* follows Aiken's early life from his birth in 1889 to 1925 when he stood on the threshold of both nervous breakdown and poetic success It was then that Aiken began to face his paradoxically idyllic and tragic Savannah childhood and to confront the events of February 27 1901 On that day the eleven year old Aiken heard gunshots punctuate a nightlong argument between his mother and father Running into the next room he discovered his mother murdered and his father dead by suicide Sounding the deep reverberations of those events in Aiken's mind Edward Butscher follows the poet's life and work as he sought to regain in some permanent form the idyll he had lost as a child Butscher tells of Aiken's determined efforts to gain recognition for his verse in the fevered cultural circuits of the early twentieth century from his friendship begun at Harvard with T S Eliot through frustrating excursions into the literary society of England and repeated trips on the poetic trade route from his home in Boston to Chicago and New York to often sharp encounters with such powerful cultural barons as Ezra Pound Amy Lowell and Harriet Monroe Hoping to build his reputation on a series of detached poetic symphonies to keep depression from boiling over into madness and suicide Aiken skirted the

In Ballast to the White Sea Malcolm Lowry, Chris Ackerley, 2014-10-16 This is the first edition of *In Ballast to the White Sea*, the autobiographical novel by Malcolm Lowry, known to most only through the highly romanticized story of its loss in a fire. In fact, the typescript itself has probably been read by at most a dozen people since Lowry scholars learned that it was deposited at the New York Public Library. **Anxious Journeys** Karin Baumgartner, Monika Shafi, 2019 The first book to offer a cutting edge discussion of contemporary travel writing in German. *Anxious Journeys* looks both at classical tropes of travel writing and its connection to current debates. The rich contemporary literature of travel has been the focus of numerous recent publications in English that seek to understand how travel narratives with their distinctive representations of identities, places, and cultures respond to today's globalized, high speed world characterized by the dual mass movements of tourism and migration. Yet a corresponding cutting edge discussion of twenty first century travel writing in German has until now been missing. The fourteen essays in *Anxious Journeys* redress this situation. They analyze texts by leading authors such as Felicitas Hoppe, Christoph Ransmayr, Julie Zeh, Navid Kermani, Judith Schalansky, Ilija Trojanow, and others, as well as topics such as Turkish German travelogues and the relationship of comics to travel writing. The volume examines how writers engage with classic tropes of travel writing and how they react to the current sense of crisis and belatedness. It also links travel to ongoing debates about the role of the nation, mass migration, and the European project, as well as to Germany's place in the larger world order. Contributors: Karin Baumgartner, Heather Merle Benbow, Anke S. Biendarra, John Blair, and Muriel Cormican, Nicole Coleman, Carola Daffner, Christina Gerhardt, Nicole Grewling, Gundela Hachmann, Andrew Wright, Hurley, Christina Kraenzle, Magda Tarnawaska, Senel, Monika Shafi, Sunka, Simon, Karin Baumgartner is Professor of German at the University of Utah. Monika Shafi is Elias Ahuja, Professor of German at the University of Delaware. Swinging the Maelstrom Sherrill Grace, 1992 *Swinging the Maelstrom* is a collection of new critical essays on the work and life of Malcolm

Lowry 1909 1957 An international group of literary critics and artists examines a wide range of Lowry's work from the diverse perspectives of biography correspondence translation manuscript editing poetry and inter artistic comparison including a number of investigations of his masterpiece *Under the Volcano* and his post Volcano fiction Malcolm Lowry's "La Mordida" Malcolm Lowry, 1996 Although Malcolm Lowry 1909 1957 published only two novels *Ultramarine* and *Under the Volcano* in his lifetime numerous other works most of which have since been edited for publication were in various stages of composition at his death *La Mordida* the longest and most significant of the manuscripts that have not been previously published is a draft of a novel based on Lowry's visit to Mexico in 1945 46 which ended in the arrest and deportation of Lowry and his wife following a nightmarish run in with corrupt immigration authorities On its most immediate level the title *La Mordida* which means the little bite Mexican slang for the small bribe that officials are apt to demand in order to expedite matters refers to the autobiographical protagonist's legal difficulties In a larger sense however it also represents his inability to escape his past to repay the fine or debt that he owes The central narrative of *La Mordida* involves a descent into the abyss of self culminating in the protagonist's symbolic rebirth at the book's end Lowry planned to use this basic narrative pattern as the springboard for innumerable questions about such concerns as art identity the nature of existence political issues and alcoholism Above all *La Mordida* was to have been a metafictional work about an author who sees no point in living events if he cannot write about them and who is not only unable to write but suspects that he is just a character in a novel A reading of *La Mordida* in the context of Lowry's aesthetic theories and psychological problems shows why he dreaded the completion of his projects to such an extent that he called success a horrible disaster and compared death to the accepted manuscript of one's life The reason *La Mordida* makes clear lies partly in the aesthetic theories that led Lowry to attempt a book that he prophetically called something never dreamed of before a work of art so beyond conception it could not be written Patrick A McCarthy's edition of *La Mordida* is based on materials held in the Malcolm Lowry Archive at the University of British Columbia Its publication provides essential evidence for a balanced assessment of Lowry's creative processes and his achievement as a writer **The Sexual Revolution in Modern American Literature I.**

Glicksberg, 2012-12-06 1 The Dialectic of the Sex Motif in Literature Sex is a function of culture in literature today it plays only a small though aggressively righteous part Nature long held in bondage periodically breaks out in revolt but its victory is never complete In every society primitive as well as modern the sexual instinct is for good or evil always subject to some measure of regulation and restraint In literature where the battle between love and sex spirit and flesh is fought out in terms of symbolic action the writers support their cause for or against sexual freedom with varying degrees of evangelical ardor and outspokenness On this issue there is no unanimity for the simple reason that American culture is not unified in its beliefs concerning the nature of man The central conflict between instinctual needs and the claims of the ideal between physical desire and the inner check between Dionysus and Christ goes on all the time Sublimation is the cultural process whereby

sexual energy is deflected from its biological source and diverted into spiritually higher and socially more useful channels But sublimation is for most men hard to achieve As civilization grows more complex the individual is exposed to a series of increasingly severe moral strains Pitted against Nature while subject to its laws he must hence forth be governed in his behavior by inner as well as outer controls **A Companion to Under the Volcano** Lawrence J. Clipper, Christopher Ackerley, 2011-11-01 An item by item discussion of the innumerable often obscure details of Malcolm Lowry s novel this book comprises 1 600 notes covering some 7 000 specific points The notes are keyed to page numbers in the Penguin paperback and the two standard hardback editions The appendices include a glossary bibliography maps of the region and an index of motifs In their comprehensive but unpedantic commentary on the novel s complexities the authors emphasis is on the narrative level All points of obscurity are followed by an interpretation of fact Thus references are noted to films books places foreign languages and national and tribal histories Special attention is given to the literary mystical and Mexican background
