Sex and Gender Hilary M. Lips, 2020-04-10 Are sex and gender really two different things How malleable is gender identity Do both gender and sex have to be conceptualized as binaries as having two distinct but complementary categories Should we emphasize gender differences or is that the wrong question When should we call a gender difference small Are women really nonaggressive or does that label stem from stereotyping How does subtle or modern sexism work on its targets Scholarship on these and other gender related questions has exploded in recent years Hilary Lips synthesizes that research for students in an accessible and readable way Concepts on sex and gender are presented with the social context in which they were developed As in previous editions Lips takes a multicultural approach discussing the gender experiences of people from a wide range of races cultures socioeconomic statuses and gender and sexual identities She emphasizes empirical research but takes a critical approach to that research

Blue-Collar Women at Work with Men Jeanie Ahearn Greene, 2006-05-30 Title VII of the 1963 Civil Rights Act specifically prohibits gender based discrimination and over the past 40 years women have made astounding progress in breaking down barriers in the workplace Nevertheless discrimination is still widely practiced in both overt and subtle ways denying women access and opportunity particularly in blue collar occupations that have long been dominated by men In *Blue Collar Women at Work with Men* Jeanie Ahearn Greene brings the experiences of blue collar women vividly to life through interviews and analysis that expose the challenges they face on a daily basis From Peg the police officer to Angela the trade union president these women describe the negative situations they encounter in every facet of their work lives from the hiring process to socializing with co workers to relationships with supervisors and discuss the coping mechanisms they have developed for navigating in an often hostile environment Greene then takes the discussion to the next level exploring the social political and economic implications of enduring gender discrimination She concludes with a series of recommendations for employers policymakers social workers lawyers and other advocates human resource professionals and women themselves designed to promote workplace equality in both spirit and practice Title VII of the 1964 Civil Rights Act specifically prohibits gender based discrimination and over the past 40 years women have made astounding progress in breaking down barriers in the

workplace from the shop floor to the corner office Nevertheless discrimination is still widely practiced in both overt and subtle ways denying women access and opportunity particularly in blue collar occupations that have long been dominated by men In *Blue Collar Women at Work with Men* Jeanie Ahearn Greene brings the experiences of blue collar women vividly to life through interviews and analysis that expose the challenges they face on a daily basis From Peg the police officer to Gretchen the carpenter Mary the auto assembly line worker and Angela the trade union president these women describe the negative situations they encounter in every facet of their work lives from the hiring process to socializing with co workers to relationships with supervisors and discuss the coping mechanisms they have developed for navigating in an often hostile environment Surprisingly they do not see themselves as pioneers mavericks or martyrs but more simply as people with bills to pay families to raise and modest career aspirations to fulfil After telling these women s stories Greene takes the discussion to the next level exploring the social political and economic implications of enduring gender discrimination She argues that despite formal protections under the law women are still routinely harassed and discriminated against to the detriment not only of individual growth and development but of workplace productivity and social welfare She concludes with a series of recommendations for employers policymakers social workers lawyers and other advocates human resource professionals and women themselves Ultimately she contends that in order to have equal employment opportunity employment policies and practices must exceed the standing protections provided by equal rights legislation and policy

Talkin' Union: Texas Women Workers Richard Croxdale, Melissa Hield, 2019 Talkin Union tells the groundbreaking history of Texas women pecan shellers and garment workers who organized for economic and social equality in the 30s Researchers with People s History in Texas relied on first hand oral histories and extensive archival research to bring this story to life in 1979 Their material had limited distribution and is published with a 2019 introduction making this history available to a new generation The Pecan Shellers Strike is now acknowledged as an historic mass movement and the foundation for Hispanic organizing for a generation The Texas garment workers who organized in the 30s with the International Ladies Garment Workers Union have never received the attention they deserve Essays from 1979 about African American women and Chicanas in the Texas workforce capture the beginning of a sea change in women s workforce participation that would soon transform women s lives family dynamics and the U S economy
