Blue Nowhere A Novel:

The Blue Nowhere Jeffery Deaver, 2009-08-06 DEEVER DANGEROUSLY GOOD Imagine you're in a bar. A man approaches you. He doesn't seem familiar but he knows your past, your job, your hobbies and your ex-boyfriend's name. You go for a drink. This is your first and last mistake. You're the latest victim of the latest killer. A man who can rip away the thin carapace protecting the secrets of your life before ending it. Streetwise cop Frank Bishop has been charged with the job of halting the mounting body count. He enlists the help of Wyatt Gillette, a young hacker on the wrong side of the law. They must stalk this faceless criminal through both the real and the virtual universe, combining their old and new world skills to beat the mastermind. But how do you stop a man who knows your every move? You go into the blue nowhere. One of the world's best plotters, his intricate twists and turns catch out even the hardened thriller reader. *Daily Mail* **The Vanished Man** Jeffery Deaver, 2009-06-25 From the bestselling Sunday Times author of *The Goodbye Man*, discover Jeffery Deaver's thrilling series that is now a major NBC TV series. Can Lincoln Rhyme catch a diabolical killer in a world of truth and lies? A killer flees the scene of a homicide at a prestigious Manhattan music school and locks himself in a classroom. Within minutes the police have him surrounded. A scream rings out followed by a gunshot. The police break down the door. The room is empty. Perplexed, the police bring in Lincoln Rhyme and Amelia Sachs to investigate. For the ambitious Sachs, solving the case could earn her a promotion. For the quadriplegic Rhyme, it means relying on his protégé to ferret out a master illusionist. Dubbed *The Conjurer*, this fiendish killer baits them with murders that become more and more diabolical with every crime. As the fatalities rise and the minutes tick down, the pair must move beyond the smoke and mirrors to prevent a terrifying act of vengeance that could become the greatest vanishing act of all. Deaver is the master puzzler. *Sunday Telegraph* **The American Police Novel** Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction. The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid-century; the police hero offered a way to make the traditional mystery story contemporary. The police novel reflects sociology and history and addresses issues tied to the police force such as corruption, management and brutality. Since the police novel reflects current events, the changing natures of crime, court procedures and legislation have an impact on its plots and messages. An examination of the police novel covers both the evolution of a genre of fiction and American culture in general. This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s. It follows the ways in which professional writers and police officers turned writers view the police individually and collectively. The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender, race, nationality, sexual orientation and age over the years. The major writers examined begin with Julian Hawthorne in the

nineteenth century and include such writers as S S van Dine Ellery Queen Erle Stanley Gardner Ed McBain Chester Himes MacKinley Kantor Hillary Waugh Dorothy Uhnak Joseph Wambaugh Bob Leuci W E B Griffin and Carol O Connor **The Stone Monkey** Jeffery Deaver,2003-01-28 The page turning New York Times bestseller from Jeffery Deaver s simply outstanding San Jose Mercury News Lincoln Rhyme series The FBI has recruited forensics expert Lincoln Rhyme and his prot g e Amelia Sachs to capture the Ghost a homicidal immigrant smuggler But when they corner him aboard a cargo ship the bust goes disastrously wrong and the Ghost escapes Now the killer must eliminate two families who witnessed his flight before they jumped ship and vanished Searching New York City s Chinatown can Rhyme and Sachs find the Ghost s targets before he does Angelina Jolie - The Lightning Star C.
