Edward Nickens,2021-05-14 The Last Wild Road is a raucous gripping sometimes terrifying often hilarious and deeply meditative journey through the heart of the outdoors in the modern world Collected from more than 20 years of hunting and fishing cover stories columns and adventure tales written by T Edward Nickens for Field Stream this book is a road trip that takes in a huge sweep of the North American landscape blackwater rivers in the wilds of eastern North Carolina deserts and prairies of the American West remote tundra of northern Canada and the wildest rivers of Alaska Along every rutted road and rough trail with a rod gun and pen Nickens meets unforgettable characters old French speaking Cajuns at Louisiana squirrel camps a one armed fly tyer in the ancient Appalachians Pennsylvania brothers who lost their father in a hunting accident decades ago and return to the scene for a powerful poignant encounter with history He explores remote wilderness waters to chase trout and ducks but finds rich meaning too in the familiar and close to home fishing with his children plumbing the forests of local farms and butchering deer in his basement as a thanksgiving for the gifts of the outdoors When it comes to hunting and fishing writing often falls into the categories of where to go the how do it and the what to bring This book embarks on the question of why Why does the pursuit of game and fish and the travel to the wild places where they thrive bring meaning and clarity to living in the modern world Why do we laugh more and live more deeply far from the sidewalk If you ve ever felt that way you ll find yourself in The Last Wild Road      Shenandoah Valley Pioneers and Their Descendants T. to the passion for hunting and family heritage I have that passion It was passed on to me by my grandfather and I in turn passed it on to my two sons The Last Stand is not a how to book but I felt it was time for me to express what hunting means to us and why it s important to hunt ethically Remember one thing it s not important how many deer you kill or how many fish you catch but what you experience along the way
