A subscriber to the Locator may obtain a transcript of the desired entry in any Social Register by telephoning or writing to the Association.

Blue Social Register Of Oregon 1943:

Social Register ,1987 **Distilled in Oregon: A History & Guide with Cocktail Recipes** Scott Stursa,2017-02-06
Early Oregon fur traders concocted a type of distilled beverage known as Blue Ruin used in commerce with local Native Americans Drawn by the abundant summer harvests of the Willamette Valley distillers put down roots in the nineteenth century Because of Oregon s early sunset on legal liquor production in 1916 four years before national Prohibition hundreds of illicit stills popped up across the state Residents of Portland remained well supplied thanks to the infamous efforts of Mayor George Baker The failed national experiment ended in 1933 and Hood River Distillers resurrected the sensible enterprise of turning surplus fruit into brandy in 1934 Thanks in part to the renowned Clear Creek Distillery triggering a craft distilling movement in 1985 the state now boasts seventy distilleries and counting Author Scott Stursa leads a journey through the history of distilling in the Beaver State **Black and Blue** Paul Frymer,2011-06-27 In the 1930s fewer than one in one hundred U S labor union members were African American By 1980 the figure was more than one in five Black and Blue explores the politics and history that led to this dramatic integration of organized labor In the process the book tells a broader story about how the Democratic Party unintentionally sowed the seeds of labor s decline The labor and civil rights movements are the cornerstones of the Democratic Party but for much of the twentieth century these movements worked independently of one another Paul Frymer argues that as Democrats passed separate legislation to promote labor rights and racial equality they split the issues of class and race into two sets of institutions neither of which had enough authority to integrate the labor movement From this division the courts became the leading enforcers of workplace civil rights threatening unions with bankruptcy if they resisted integration The courts previously unappreciated power however was also a problem in diversifying unions judges and lawyers enfeebled them financially thus democratizing through destruction Sharply delineating the double edged sword of state and legal power Black and Blue chronicles an achievement that was as problematic as it was remarkable and that demonstrates the deficiencies of race and class based understandings of labor equality and power in America **Social Sciences General References: Political science** Lubomyr Roman Wynar,1962
