Bluebeards Egg And Other Stories:

Bluebeard's Egg and Other Stories Margaret Atwood, 1997 A man finds himself surrounded by women who are becoming paler more silent and literally smaller a woman's intimate life is strangely dominated by the fear of nuclear warfare a melancholy teenage love is swept away by a hurricane while a tired middle aged affection is rekindled by the spectacle of rare Jamaican birds In these exceptional short stories by turns funny and searingly honest Margaret Atwood captures brilliantly the complex forces that govern our relationships and the powerful emotions that guide them **The Canadian**

Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **Fifteen Years in Exile** Barry Callaghan, 1992 *Recherches Anglaises Et Nord-américaines*, 1989 Margaret Atwood's fairy-tale sexual politics Sharon Rose Wilson, 1993

Paperbound Books in Print, 1992 **Margaret Atwood** Shannon Hengen, Ashley Thomson, 2007-05-22 Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988 including her novels *Cat's Eye* *The Robber Bride* *Alias Grace* and the 2000 Booker Prize winner *The Blind Assassin* Rather than just including Atwood's books this guide includes all of Atwood's works including articles short stories letters and individual poetry Adaptations of Atwood's works are also included as are some of her more public quotations Secondary entries i.e. interviews scholarly resources and reviews are first sorted by type and then arranged alphabetically by author to allow greater ease of navigation The individual chapters are organized chronologically with each subdivided into seven categories Atwood's Works Adaptations Quotations Interviews Scholarly Resources Reviews of Atwood's Works and Reviews of Adaptations of Atwood's Works The book also includes a chapter entitled *Atwood on the Web* as well as extensive author and subject indexes This new bibliography significantly enhances access to Atwood material a feature that will be welcomed by university public and school librarians Margaret Atwood A
