Enemy Civilian Casualties Ofer Fridman, 2019-03-13 Civil casualties and collateral damage have been long considered as an undesired outcome of military activity that has to be reduced While most of the contemporary discourse on this topic has been primarily concentrating on three main factors the legal aspects of causing civil casualties the impact of war on local population and different factors of military professionalism required to avoid disproportional harm to civilians this book asks an entirely different question As the subject of civil casualties during military operations seems to be highly politicized this book takes this discourse out of its usual niches and suggests that the indirect responsibility rests with the politicians and the public which they represent When a society in the beginning of the 21st century sends its troops to a battle does it really care about the enemy civilian casualties To answer this question this book traces the political and cultural factors that have led to the failure of Non Lethal Weapons the great promise of the 1990s which was intended to make the war significantly less lethal than it was known before Examining three different cases this study explains that the idea of minimizing civil casualties is no more than an illusion and in fact neither politicians nor societies feel really stressed to change this situation

Manhattan **The Failure of Death** Paul Murray,2020-06-22 In The Failure of Death John records the greatest conflict planet earth has ever experienced It is not a conflict between nations or peoples nor a conflict involving military weapons It is a conflict for the hearts and souls of all men everywhere It is a conflict in the spiritual dimension of reality that has raged on since the beginning of time a conflict between good and evil right and wrong The Jewish leadership had grown to hate Jesus Several times they had tried unsuccessfully to put a stop to His influence over men The prophetic words of Caiaphas the high priest had finally come to fruition It is expedient for you that one man should die for the people and that the whole nation should not perish Jesus had finally been arrested tried and crucified to appease the will of the Jewish leadership Victory had finally been achieved in stopping the madness of The Way The head of the snake had been cut off John focuses our attention around two major players as the events of Jesus crucifixion unfold Peter and Pilate With Peter a clear contrast is drawn between One suffering and dying and the other lying and denying Pilate s struggle who is caught up in the tangled web of the Jews is expressed in the profound question What is truth Yet Pilate turns and walks away before the One who is the truth has a chance to respond Neither Peter or Pilate nor anyone expected that the One who had been crucified and buried would raise from the dead The failure of death rocked the world in the first century and it continues to rock our world today John concludes his gospel with the redemption of the lying denier Pilate on the other hand is left on the trash pile of history As you read you will be caught up in the trauma and emotions of the events that unfold Will the failure of death be your final reward Like Peter and Pilate you also have a choice **The Works** John Donne, Henry Alford, 1839 Works of John Donne, With a Memoir of His Life John Donne, 2024-09-28 Reprint of the original first published in 1839 **Sermons** John Donne, 1839 **The Works of John Donne** John Donne, Henry Alford, 1839 **Triumphant Death** Christine L. Johnson, 2025-10-07 Every believer must grapple with issues of mortality yet the topic of death is rarely addressed in the church today For those who wish to reflect deeply upon a Christian understanding of death John Wesley offers a rich theological perspective on death and dying The theme of death played a significant role in Wesley s own journey of faith and the topic of death consistently appears at every major point of Wesley s order of salvation For Wesley death was not simply the end of life it was a metaphor for spiritual realities a means to encourage holy living and an opportunity to demonstrate the grace of God at work in the lives of individuals Wesley s insights offer us encouragement and hope while dealing seriously with the difficult reality of death **The Royal Air Force Medical Services** Samuel Cuthbert Rexford-Welch, 1955 **The Preacher: Or, Sketches of Original Sermons** , 1838 **The Corpse** Christine Quigley, 1996-01-01 Throughout the centuries different cultures have established a variety of procedures for handling and disposing of corpses Often the methods are directly associated with the deceased s position in life such as a pharaoh s mummification in Egypt or the cremation of a Buddhist Treatment by the living of the dead over time and across cultures is the focus of study Burial arrangements and preparations are detailed including embalming the funeral service storage and transport of the body and forms of burial

Autopsies and the investigative process of causes of deliberate death are fully covered Preservation techniques such as cryonic suspension and mummification are discussed as well as a look at the recycling of the corpse through organ donation donation to medicine animal scavengers cannibalism and of course natural decay and decomposition Mistreatments of a corpse are also covered

Handbook of Death and Dying Clifton D. Bryant, 2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage *Congressional Record* United States.
