Jesus of Nazareth and Other Writings Richard Wagner,1995-01-01 Near the end of his life Richard Wagner supervised the publication of his collected writings providing an extensive view of his thoughts about art and politics from his youth to his final period of triumph After his death there was still more to be told his admirers discovered a large number of writings he had forgotten misplaced never published or had chosen to omit from his collected works This volume the last of eight volumes now reprinted by the University of Nebraska Press collects the most illuminating of those works The title work Jesus of Nazareth was written in 1848 or 1849 its composition coincided with the most widespread revolutionary ferment seen in Europe It expresses Wagner s own

revolutionary ideals thoroughly justified or so he thought by Jesus and the early Church At the time Wagner considered Jesus as a revolutionary leader whose struggles with authority and traditions were much like his own The opening work is Siegfried's Death a poem written in 1848 that set the tone for his most famous operatic work the tetralogy Der Ring des Nibelungen Whole sections of the poem were later incorporated into the fourth Ring opera Gotterdammerung but the differences are as revealing as the carryover The essays that Wagner published in journals but saw fit to exclude from his Gesammelte Schriften might have embarrassed the elderly sage but are key documents to Wagner's activities in his revolutionary period For example his ardently prorevolutionary essay The Revolution would have displeased the wealthy patrons of his later years This edition includes the full text of volume 8 of the translation of Wagner's works published in 1899 for the London Wagner Society **Posthumous** Richard Wagner, 1899 *Richard Wagner's Prose Works* Richard Wagner, 1899 **Collected Works of C. G. Jung, Volume 5** C. G. Jung, 2014-03-01 A complete revision of Psychology of the Unconscious orig 1911 12 Jung's first important statement of his independent position **The Cult of the Black Virgin** Ean Begg, 2017-01-01

Crusade Peter M. Ball, 2015-07-15 Keith followed orders He came back home He freed his soul and laid claim to a magic sword But Keith Murphy doesn't have time to rest because his sorcerous partner Danny Roark is out of commission and the end of the world is thundering towards humanity like a freight train on steroids As the elder entities from the depths of the Gloom break through the veil of reality with increasing regularity Keith is forced to assemble a rag tag army of demons seers and reluctant allies to stop Ragnarok from occurring **Wagner and His Works** Henry Theophilus Finck, 1894 *Wagner and His Works* Henry T. Finck, 1896 [Drink to Yesterday](#) Cyril Henry Coles, Adelaide Frances Oke Manning, 2022-08-16 DigiCat Publishing presents to you this special edition of Drink to Yesterday by Cyril Henry Coles Adelaide Frances Oke Manning DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *Drink to Yesterday* Manning Coles, 2022-08-10 In Drink to Yesterday Manning Coles artfully entwines espionage and memory transpiring amidst the grim backdrop of World War I Through the eyes of Michael Kingston a young British secret service agent readers experience the clandestine operations executed alongside his mentor Hambleton Coles adeptly captures the volatile mix of duty and trauma weaving a tale that delves not only into the acts of sabotage and assassination but also the psychological aftermath of such deeds The narrative's framework comprises a blend of historical intrigue and psychological depth resonating with both the gritty realism of spy missions and the poignant struggles with moral consequences setting itself in the lineage of early 20th century espionage literature Manning Coles is a pseudonym for the collaborative works of Cyril Coles and Adelaide Manning a writer duo renowned for their espionage novels that captured the zeitgeist of wartime Europe The genesis of Drink to Yesterday lies in Cyril Coles' own wartime experiences which lend the novel an air of authenticity and

emotional verisimilitude Their shared literary voice reflects a profound understanding of human conflict and the toll exacted by intelligence work on the psyche influences that doubtlessly inspired the complex character of Kingston and the harrowing events he endures *Drink to Yesterday* comes highly recommended for aficionados of spy fiction and historical novels alike The readers are offered a window into the secretive world of early covert operations encased in a literary style that evokes both the tension of espionage and the internal conflict wrought by lethal assignments It is a study in the duality of a spy's life the anonymous heroism and the inescapable burden of a shadowed war Coles narrative provides profound insights into the sacrifices made in the name of war making this book a poignant and compelling addition to any literary collection *The Collected Works of C.G. Jung: Symbols for the transformation.* ed Carl Gustav Jung, 1962
