Philosophy & Psychology Bora Erdağı,2018 **Current Debates in Film & Media Studies** Emrah Doğan,2019-12-19

This book prepared within the scope of current debates in social sciences explores significant researches made in both film and media studies in parallel with the acceleration in interdisciplinary studies. In the field of film studies some of the themes represented in the film are evaluated by using qualitative critical analysis but the directors view of cinema is filtered through a critical filter. In the media section internet self efficacy based on the aims of using social media digital literacy levels and innovative personality profiles of young people in the rapidly developing new communication technologies are examined.

Current Debates in International Relations & Law Övgü Kalkan Küçüksolak, 2018. In this collection of CUDES 2017 wide spectrum of topics that occupy primary place in the current debates of International Relations and Law were addressed by the papers presented at the Current Debates in Social Sciences Conference which was held in Istanbul on December 14-16, 2017. The purpose of this conference was to provide a forum for scholars, researchers and students to foster discussion and expand understanding on the current themes of Social Sciences. In parallel to changing and multiplying dynamics of world politics, papers reflect diversity of issues in International Relations and Law including the impacts of the Syrian Refugee Crisis on EU-Turkey relations, lone wolf terrorism, energy security, Russia's domestic factors in its foreign policy, foreign policy of Iran and Russia in the Middle East, Mirziyoyev's first year in presidency, Turkish foreign aid under the Justice and Development Party, the place of civil aviation in Turkish foreign policy as a soft power instrument, the Kosovo intervention in the context of UN's human security discourse, UN and gender issues, mediation in international law and Turkey, the development of good corporate governance in Turkey, Ombudsman institution in Turkey, the status of surviving spouse in terms of law of succession and the regime of participation in acquired property in Turkey, legitimacy of censorship in the West from the perspective of human rights, intellectual property protection for plant innovation, legal framework of autonomy in modern liberal eugenics, the impact of the new technologies on the law.

Current Debates in Sociology & Philosophy Şükrü Aslan, Bora Erdağı, 2018. The articles in this book focus on some areas where classical sociology usually leaves out. In this respect it is placed in a channel determined by critical sociological approach. This channel is an area where thousands of different forms of sociality and acquisitions are collected, relations, tensions, reflections, conflicts, compromises, change, transformation etc. The sociology of everyday life is also discussed, understood and explains the area of socialities that remain in this area. It must be noted that the sociology of everyday life not only reveals the place of individuals within the community but also the place of sociality in society. The sociological articles of the book in your hand are an example of this approach and initiative. In this book you will find two philosophical articles dealing with sociological articles from a more theoretical ground. In the modern world we will see that the current philosophy is not as archaic as it might seem but in fact it has important potentials to understand this reified world.

Media and the Sexualization of Childhood Barrie Gunter, 2014-04-29. Media and the Sexualization of Childhood examines the on going debates surrounding the prominence of sexual themes in children's lives from clothes and accessories, toys and games to music, entertainment, media advertising and

new media platforms Parents educators and politicians around the developed world have raised concerns about the effects all these experiences can have on the socialisation and psychological development of children and the extent to which the premature introduction of sexuality into their lives can place them at risk of unwanted attention This book explores these issues using an evidence based approach that draws on research findings from around the world representing the most comprehensive single account of the field The book will be invaluable to students studying topics surrounding children and the media and childhood studies as well as students of communication media cultural studies sociology psychology and health science Handbook of Children's Risk, Vulnerability and Quality of Life Habib Tiliouine, Denise Benatuil, Maggie K.

W. Lau, 2022-07-30 This handbook makes a major contribution to the growing international research and policy interest in children's experienced well being or quality of life in childhood linking it to ongoing research on children's risk and vulnerability The editors and contributors adopt the broader concept of risk in addition to vulnerability Not much work considers the connections between risks that children experience and their quality of life In examining children's quality of life the chapters discuss various issues of risk and vulnerability that may affect their lives and also how the quality of childhood might be enhanced and maintained even in the face of these factors The chapters discuss experiences of violence and abuse access to basic services such as housing health and education and children's vulnerability due to broader external factors such as war conflict and environmental events The volume also includes the impacts of new technologies on children and the consequent risks and vulnerabilities they may face alongside the benefits This important volume brings together a diverse range of perspectives from established experts and emerging scholars in these fields of work It covers a wide range of geographical and cultural contexts and includes theoretical empirical policy and practice based contributions This handbook is a natural first point of reference for academics and policy professionals interested in quality of life well being and children's rights **The Parliamentary Debates from the Year 1803 to the Present Time** , 1847
