## **Debden Warbirds The 4th Fighter Group In Ww II:**

The Debden Warbirds Frank E. Speer, 1999 The P 51 Mustangs of the 4th Fighter Group were the first to escort bombers over Berlin during World War II the first to escort bombers from England to Russia and at war s end ranked first in the number of enemy aircraft destroyed over 1 000 The Debden Warbirds describes in detail the everyday workings of this record setting fighter group from their Eagle Squadron beginnings in Hurricanes and Spitfires to their unprecedented triumphs in Thunderbolts and Mustangs This authentic account gleaned from the Squadron and Tower Diaries is enhanced by dozens of combat reports and personal accounts from pilots and crews whose day to day encounters are faithfully recorded Author Frank Speer became an ace within seventeen missions over Germany flying P 51 Mustangs with the 4th FG having been credited with destroying six enemy aircraft On a flight over Poland his aircraft was shot down He walked nearly 400 miles from the site of his crash landing before he collapsed from exhaustion and was captured by the Germans He was incarcerated in three different Stalags prior to his escape and repatriation He was awarded the Distinguished Flying Cross and the Air Medal with three Oak Leaf Clusters He lives in Pennsylvania **The Debden Warbirds** Frank E.

Speer, 1996-06-01 **4th Fighter Group** Chris Bucholtz, 2012-12-20 With first hand accounts and colour artwork this title describes the planes and pilots of the famous 4th Fighter Group Fourth but First that became the highest scoring unit of the mighty 8th Air Force in World War 2 Formed around a nucleus of pilots already seasoned by their experience as volunteers in the RAF s Eagle Squadrons the 4th Fighter Group was established in England in October 1942 Initially flying Spitfires the Debden Eagles went on to fly the P 47 and P 51 becoming in July 1943 the first Eighth Air Force fighter group to penetrate German air space The group s record of 583 air and 469 ground victories was unmatched in the Eighth Air Force and the group produced a cast of characters that included legendary aces Don Blakeslee Pierce McKennon Kid Hofer Duane Beeson Steve Pisanos and Howard Hively Involved in the D Day landings Operation Market Garden the Battle of the Bulge and the crossing of the Rhine the group s achievements came at a high price with a 42 percent casualty rate Packed with pilots experiences detailed aircraft profiles and full combat histories this book is an intriguing insight into the best known American fighter unit in World War II The 479th Fighter Group in World War II Terry A. Fairfield, 2004 This book is the result of nearly six years of research gathering of materials and interviews It presents a chronological listing of the 479th Fighter Group s activities during the World War II era from its beginnings until its deactivation Based upon a summation of the group s historical records the account also contains personal anecdotes provided by many of the group s former members as well as over 650 photos that serve to illustrate the narration Hopefully through the assemblage of this information the memory of the group and the men who comprised the living lifeblood of the 479th FG will be better known and remembered by future generations *The Flying Greek* Steve N. Pisanos, 2008 Steve N Pisanos s The Flying Greek is both the classic tale of an immigrant s bond with America and an aerial adventure When young Pisanos arrived in the U S in 1938 he worked studied

English and learned to fly He earned a private pilot s license in 1941 and soon after Germany invaded Greece he volunteered for the embattled British Royal Air Force He served with the 268 and 71 Eagle Squadrons The 71 Eagle Squadron was one of three Eagle squadrons comprised of U S volunteers In 1942 he became a naturalized U S citizen while in London England He was the first individual in American history to become a citizen while outside the U S border and his becoming a citizen allowed him to be commissioned a second lieutenant in the U S Army Air Forces In riveting detail Pisanos recounts his combat record from fighter sweeps and bomber escort missions to dogfighting flying the Spitfire the P 47 and the P 51 While flying a P 47 named Miss Plainfield he scored his first aerial victory on May 21 1943 By January 1 1944 he had become an ace After his tenth confirmed kill he crash landed his P 51 in France and spent six months with the French Resistance successfully evading capture Because of his exposure to the French operations the Air Force could not risk his capture again so he returned to the U S and became a test pilot at Wright Field where he also attended the Air Force s test pilot school Despite grave danger Pisanos set aside his pride fears and misgivings to help achieve a greater good The Flying Greek is an entertaining and remarkable journey that will interest historians and aviation enthusiasts **Fighter Bases of WW II US**

**8th Army Air Force Fighter Command USAAF, 1943-45** Martin W. Bowman, 2009-08-19 This book covers the bases used during the Second World War by the American fighter units that flew in support of the 8th Air Forces heavy bomber forces The long range Lightnings Thunderbolts and Mustangs escorted the Mighty Eighths Flying Fortresses and Liberators on their deep penetration raids into occupied Europe and Germany Fighter cover was vital since the USAAF flew daylight raids and in the early months the number of US aircraft lost to the defending Luftwaffe fighters was unacceptably high The airfields included are Bodney Bottisham Boxted Debden Duxford East Wretham Fowlmere Halesworth Honington Horsham St Faith Kings Cliffe Leiston Martlesham Heath Raydon Steeple Morden Wattisham and Wormingford This book looks at the history and personalities associated with each base what remains today and explores the favorite local wartime haunts where aircrew and ground crew would have sought well deserved entertainment and relaxation Other museums and places that are relevant will also be described and general directions on how to get them included *P-51B/C Mustang* Chris

Bucholtz, 2022-02-17 This up to date volume straps the reader into the cockpit of the P 51B C as the Mustang equipped fighter groups of the Mighty Eighth Air Force attempt to defend massed heavy bomber formations from deadly Luftwaffe fighters charged with defending the Third Reich Luftwaffe Reichsmarschall Hermann G ring admitted that the appearance of long range Mustangs over Berlin spelled the end of the Jagdwaffe s ability to defeat American daylight bombing But the Mustang was far more than an escort it was a deadly hunter that could out perform nearly every German fighter when it was introduced into combat Entering combat in Europe in December 1943 P 51Bs and P 51Cs had advantages over German Bf 109s and Fw 190s in respect to the altitude they could reach their rate of climb and top speed Initially tapped for close bomber escort Mustangs were quickly turned loose to range ahead of the bomber stream in order to challenge German

fighters before they could assemble to engage the bombers en masse Thanks to the Mustang s superior performance USAAF pilots effectively blunted the Luftwaffe s tried and tested tactic for destroying B 17s and B 24s Boldness and aggression in aerial combat meant that P 51B C pilots inflicted a rapidly mounting toll on their German counterparts in the West during the early months of 1944 contributing mightily to Allied air superiority over northern France on D Day This volume packed full of first hand accounts expertly recreates the combat conditions and flying realities for Mustang pilots including headline aces such as Don Blakeslee and Don Gentile as well as lesser known aviators It is heavily illustrated with photographs artwork and innovative and colourful 3D ribbon diagrams which will provide a realistic overview of the most dynamic dogfights in aviation history

Wings of War David Fairbank White, Margaret Stanback White, 2022-12-06 The incredible untold story behind the rise of the P 51 Mustang the World War II fighter plane that destroyed the Luftwaffe and made D Day possible Aviation buffs will cheer this high flying saga Publishers Weekly A fascinating book about passion and innovation Walter Isaacson An essential book for those who appreciate tales of military bravery and also for all seeking understanding of decision making under pressure A major contribution E J Dionne Jr When the P 51 Mustang began tearing across European skies in early 1944 the Allies had been losing the air war for years Staggering numbers of bomber crews both British and American had been shot down and killed thanks to the Luftwaffe s superior fighter force Not only did the air war appear grim but any landing of troops in France was impossible while German fighters hunted overhead But behind the scenes a team of visionaries had begun to design a bold new type of airplane one that could outrun and outmaneuver Germany s best Wings of War is the incredible true story of the P 51 Mustang fighter and the unlikely crew of designers engineers test pilots and army officers who brought it from the drafting table to the skies over World War II This is hardly a straightforward tale of building an airplane for years the team was stymied by corruption within the defense industry and stonewalled by the Army Air Forces who failed to understand the Mustang s potential But when squadrons of Mustangs were finally unleashed over Hitler s empire the Luftwaffe was decimated within months clearing the skies for D Day A compelling character focused narrative replete with innovation determination and bravery Wings of War is the never before told story of the airplane that truly changed the course of World War II
