

The Outstanding Women of the Bible presents the classic stories of young women and girls of Bible times. These books, designed to communicate a positive identity as a woman, and focusing on the unique influence that women can have on history, are illustrated by outstanding European artists, making them certain to become cherished volumes.

The majority of the Israelites had forgotten the true God, who in the past had done great miracles in order to save them from their enemies. One woman, Deborah, was willing to set herself apart and take upon herself the spiritual leadership of her nation. God confirmed this calling by giving her gifts of prophecy and wisdom that brought spiritual renewal to Israel and enabled the Israelites to overcome their oppressors.

This book aims to show children how much influence just one person serving God can have in a world where many have forgotten who God is. It is retold by Marilee Alex, mother of three daughters, columnist, and author of several books on family topics. The Spanish artist José Pérez Montero with his highly imaginative illustrations recreates vividly the life and times of Israel during this period of Old Testament history.

What if the soul safe space you long for turned out to be what God most longs to give you? What if your crisis is the portal that takes you there? The world is broken. Wars shake the earth, natural disasters upend communities, crises hit our marriages and families, churches crumble under moral failure, sickness wracks our bodies. More than ever we feel the effects of living in a fallen world. When crisis hits our instinct says retreat. But have we considered where we've been hiding? Is it in a flimsy shelter of our own making? What if you could find a place where you feel soul safe, where even the worst that life dishes out cannot shake your faith or steal your peace, but steels your peace? A place so deeply rooted in the presence and love of God that nothing can move you. In the pages of *Sacred Refuge* meet ten modern and ten biblical women who stare in the face of homelessness and hunger, life threatening illness, the loss of a child, debilitating sin, life altering rejection and untimely death. Across space and time author Lynne Rienstra invites you to join this sisterhood and learn from their fears, mistakes and triumphs. To enhance your journey she adds biblical teaching, ten Transforming Truths, application questions, encounters with Jesus and a study guide. Step out of your isolation as these women did and into Christ's sheltering embrace. Learn how to live there as your permanent dwelling place. Invite others to share this sacred refuge. And begin to change the world. *Women at War* Jan Greenwood, 2015-08-04

Have you ever wondered why girls are so mean? *Her Name Is Woman* Gien Karssen, 1977-07

*Her Name Is Woman* Book 2 provides relevant Scripture passages on more famous and not so famous women of the Bible that we can learn from. **The Anatomy of Anger** Dr. Antionette D. Brookins LMFT Ph.D in Christian Psychology, 2022-08-01

From the pulpit to the parking lot, anger has become a debilitating cancer to the souls of Christians. A cancer that stunts the spiritual maturation and matriculation of Christians every day. However, the Bible still suggests that Christians possess the ability to be angry and do no harm. I then propose that anger is not the problem. Rather, it is our learned response to anger and untreated emotions that lead to challenges in life and the sin that may follow. This begs the questions: what is anger? what is its origin and how do we manage it? Listen, sisters, I invite you to trek with me through this dark tunnel, my thirty year journey from hurt to healing. A healing found in the most unsuspecting place: in the perfect will of the Father. So grab a pen, a toasty drink, your favorite notebook, a box of tissues and brace yourself to laugh out loud as I share my untold story and provide you with practical yet

amazingly powerful tools that I have learned along this journey to living my best life in Christ Are you ready Let's get started
