town where old and new Europeans weave a tale of love loss and longing Fierce compassionate mightily ambitious drama there is the sharp analytic intelligence the crackling inventiveness of a real writer buzzing about this gripping play Scotsman THE ARCHITECT charts the rise and fall of Leo Black once an idealistic and idolised designer whose magnificent visions are now crumbling along with his family in the light of grubby reality Provides convincing evidence of David Greig's confident transition from a dramatist of promise to one of stature Independent Lyrical soulful and darkly funny THE COSMONAUTS LAST MESSAGE weaves together the stories of a fraught Scottish couple whose TV is on the blink a Norwegian UN peace negotiator a young prostitute a French UFO researcher a pregnant police woman and two forgotten Cosmonauts who sadly orbit the planet The most important playwright to have emerged north of the border in years Scotsman *Rethinking Character in Contemporary British Theatre* Cristina Delgado-García, 2015-11-13 The category of theatrical character has been swiftly dismissed in the academic reception of no longer dramatic texts and performances However claims on the dissolution of character narrowly demarcate what a subject is and how it may appear This volume unmoors theatre scholarship from the regulatory ideals of liberal humanism stretching the notion of character to encompass and illuminate otherwise unaccounted for subjects aesthetic strategies and political gestures in recent theatre works To this aim contemporary philosophical theories of subjectivation European theatre studies and experimental script led work produced in Britain since the late 1990s are mobilised as discussants on the question of subjectivity Four contemporary playtexts and their performances are examined in depth Sarah Kane's *Crave* and *4 48 Psychosis* Ed Thomas's *Stone City Blue* and Tim Crouch's *ENGLAND* Through these case studies Delgado García demonstrates alternative ways of engaging theoretically with character and elucidating a range of subjective figures beyond identity and individuality Alongside these analyses the book traces a large body of work that has experimented with speech attribution since the early twentieth century This is a timely contribution to contemporary theatre scholarship which demonstrates that character remains a malleable and politically salient notion in which understandings of subjectivity are still being negotiated
