Deborah's Son:

Deborah's Daughters Joy A. Schroeder, 2014 Joy A Schroeder offers the first in depth exploration of the biblical story of Deborah an authoritative judge prophet and war leader For centuries Deborah s story has challenged readers traditional assumptions about the place of women in society Schroeder shows how Deborah s story has fueled gender debates throughout history An examination of the prophetess s journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society Numerous women and men who supported women s aspirations to leadership used Deborah s narrative to justify female claims to political and religious authority Opponents to women s public leadership endeavored to define Deborah s role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women Deborah s Daughters provides crucial new insight into the history of women in Judaism and Christianity and into women s past and present roles in the church synagogue and society

Deborah's Song Deborah De Clue, 2018-01-22 Where was Christ between the ages of thirteen and thirty This book will document the truth along with where is The Ark of The Covenant Where is The Holy Grail The list goes on In Mark 13 Christ says I have foretold you all things You just have to know where to look I was led to the answers and I want to lead you to that information gold mine under His wing of truth At the tender age of eight the visions began first from Heaven then from Hell My life was predestined for you to know the truth of what I lived through and what Our Lord wanted to make clear to you I was led by Our Lord to a Scholar of The Original Manuscripts from the Library in England where the King line made it possible for us to receive The Scriptures in English through King James in 1611 But it was very hard for the translators to bring it to our true understanding they even wrote a letter to the King telling him and the readers to go back to the Original Manuscripts to understand it fully The Scholar taught chapter by chapter and verse by verse with explanation and proving what he taught every step of the way He brought me understanding and clarity that s when all my visions made sense to me So much so I felt compelled to tell you how my visions fit perfectly with The Scriptures for the end times The Tapestry of my life is a message for everyone from Our Lord Do you have a Destiny Don t discard it Magnify The Lord with it in the upcoming battle for our very souls This book also contains a description of Jesus Christ written by Pontius Pilate to Julius Caesar just after Christ s crucifixion Psalm 41 1 2 Blessed is he or she that considers the poor The Lord will deliver him in times of trouble The Lord will preserve him and keep him alive and he shall be blessed upon the earth and Thou Our Lord will not deliver him into the will of his enemies Thank You Lord

Martha Washington Helen Bryan, 2007-08-03 A contemporary anecdote not only confirms that Martha commanded respect in her own right during her lifetime but also suggests an awkward truth later historians have preferred to ignore that without Martha and her fortune George might never have risen to social military and political prominence Toward the end of his life George Washington war hero retired president and object of universal fame and veneration was negotiating to purchase a plot of land in the new capital city to be named in his honor The seller an aged veteran of the Revolution was reluctant to part with the plot even to so distinguished a purchaser Washington persisted until the veteran's patience snapped You think people take every grist that comes from you as the pure grain What would you have been if you hadn't married the Widow Custis from the Introduction to Martha Washington First Lady of Liberty From the glittering social life of Virginia's wealthiest plantations to

The Hidden Power of a Woman Mahesh Chavda, Bonnie Chavda, 2011-07-28 Women are searching for significance and status in our generation There is a holy restlessness concerning purpose as much as the yearning for power The Hidden Power of a Woman traces the tragedy in the garden where the woman seemingly lost and her garden to the modern day where women are still fighting to regain what they have lost The authors Bonnie and Mahesh Chavda show how modern feminism and religion have both failed in the quest to restore women to their rightful place in our society What is the answer The Chavdas show that her power influence and insight that was stolen in Eden and hidden for subsequent ages was returned back to her two thousand years ago when Christ cried out It is finished As the hidden power of God emerges in the woman who fully follows Christ get ready for empowerment in the church redemption in society miracles in the body and blessings on the human race unequal to any generation previous The new thing God began when he made a woman as the crowning glory of his creation work and was lost in that same Garden will be restored once again
