Debt And Economic Renewal In The Ancient Near East:

Debt and Economic Renewal in the Ancient Near East Michael Hudson, Marc Van de Mieroop, 2002 History and analysis of the economic and social development of debt interest bearing loans royal remission of debts and economic renewal policies *Credit and State Theories of Money* L. Randall Wray, 2004-01-01 In 1913 and 1914 A Mitchell Innes published a pair of articles that stand as two of the best pieces written in the twentieth century on the nature of money Only recently rediscovered these articles are reprinted and analyzed here for the first time **The Palgrave Handbook of Philosophy and Money** Joseph J. Tinguely, 2024-06-24 The Palgrave Handbook of Philosophy and Money surveys the role of money in the history of ideas Volume 1 Ancient and Medieval Thought explores the worldviews of societies in the process of monetization The volume is divided into sections on early Civilizations classical Greece the Roman era and Medieval and Renaissance thought *Economics and Empire in the Ancient Near East* Matthew J. M. Coomber, 2023-02-28 Over the past few decades biblical economics has developed into an important subfield of biblical studies Through examining the economic realities that lay behind Hebrew biblical texts and archaeological findings biblical economics has led to greater understandings of the cultures and experiences of ancient Hebrew communities the legal and religious texts they produced and of how those texts may or may not relate to the experiences of communities who continue to receive them today *Economics and Empire in the Ancient Near East* has brought together ten scholars of biblical economics and one economic anthropologist to create a repository of what is understood about the economic realities of Southwest Asia in the late second and first millennia BCE In addition to furthering the research and teaching interests of biblical scholars this volume has also been created for the benefit of economic historians anthropologists and sociologists **Commerce and Monetary Systems in the Ancient World** Kordula Schnegg, 2004 This volume forms the proceedings of the Fifth Annual Symposium of the Assyrian and Babylonian Intellectual Heritage Project held in Innsbruck in 2002 Twenty nine specialist contributions focus on the economic aspects of the diffusion and transformation of the cultural heritage of the ancient Near East Eight thematic sections discuss Near Eastern economic theory Mesopotamia in the third millennium BC Mesopotamia and the Levant in the first half of the first millennium BC Levant Egypt and the Aegean world during the same time span Greece and Achaemenids Parthians Sasanians and Rome social aspects of this exchange including its affects on religion borders education and cosmology The scope of the papers is wide with subjects including Babylonian twin towns and ethnic minorities archaic Greek aristocrats the Phoenicians and the birth of a Mediterranean society slavery Iron Age Cyprus Seleucid coins the Silk Route and Greek images of the Assyrian and Babylonian kingdoms Sixteen papers in English the rest in German **Ur in the Twenty-First Century CE**, 2021-01-25 The city of Ur now modern Tell el Muqayyar in southern Iraq also called Ur of the Chaldees in the Bible was one of the most important Sumerian cities in Mesopotamia during the Early Dynastic Period in the first half of the third millennium BCE The city is known for its impressive wealth and artistic achievements evidenced by

the richly decorated objects found in the so called Royal Cemetery which was excavated by the British Museum and the University of Pennsylvania from 1922 until 1934 Ur was also the cult center of the moon god and during the twenty first century BCE it was the capital of southern Mesopotamia With contributions from both established and rising Assyriologists from ten countries and edited by three leading scholars of Assyriology this volume presents thirty two essays based on papers delivered at the 62nd Rencontre Assyriologique Internationale held in Philadelphia in 2016 Reflecting on the theme Ur in the Twenty First Century CE the chapters deal with archaeological artistic cultural economic historical and textual matters connected to the ancient city of Ur Three of the chapters are based on plenary lectures by senior scholars Richard Zettler Jonathan Taylor and Katrien De Graef The remainder of the essays arranged alphabetically by author highlight innovative new directions for research and represent a diverse array of topics related to Ur in various periods of Mesopotamian history Tightly focused in theme yet broad in scope this collection will be of interest to Assyriologists and archaeologists working on Iraq

The Great Leveler Walter Scheidel, 2025-05-20 How only violence and catastrophes have consistently reduced inequality throughout world history Are mass violence and catastrophes the only forces that can seriously decrease economic inequality To judge by thousands of years of history the answer is yes Tracing the global history of inequality from the Stone Age to today Walter Scheidel shows that inequality never dies peacefully Inequality declines when carnage and disaster strike and increases when peace and stability return The Great Leveler is the first book to chart the crucial role of violent shocks in reducing inequality over the full sweep of human history around the world Ever since humans began to farm herd livestock and pass on their assets to future generations economic inequality has been a defining feature of civilization Over thousands of years only violent events have significantly lessened inequality The Four Horsemen of leveling mass mobilization warfare transformative revolutions state collapse and catastrophic plagues have repeatedly destroyed the fortunes of the rich Scheidel identifies and examines these processes from the crises of the earliest civilizations to the cataclysmic world wars and communist revolutions of the twentieth century Today the violence that reduced inequality in the past seems to have diminished and that is a good thing But it casts serious doubt on the prospects for a more equal future An essential contribution to the debate about inequality The Great Leveler provides important new insights about why inequality is so persistent and why it is unlikely to decline anytime soon

The Last Pharaohs J. G. Manning, 2009-11-02 Manning's book is one of the most thought provoking studies on the Hellenistic world to have appeared for quite some time essential reading John Ray Times Literary Supplement The history of Ptolemaic Egypt has usually been doubly isolated separated both from the history of other Hellenistic states and from the history of ancient Egypt The Last Pharaohs the first detailed history of Ptolemaic Egypt as a state departs radically from previous studies by putting the Ptolemaic state firmly in the context of both Hellenistic and Egyptian history More broadly still J G Manning examines the Ptolemaic dynasty in the context of the study of authoritarian and premodern states shifting the focus of study away from modern European nation

states and toward ancient Asian ones By analyzing Ptolemaic reforms of Egyptian economic and legal structures *The Last Pharaohs* gauges the impact of Ptolemaic rule on Egypt and the relationships that the Ptolemaic kings formed with Egyptian society Manning argues that the Ptolemies sought to rule through rather than over Egyptian society He tells how the Ptolemies adopting a pharaonic model of governance shaped Egyptian society and in turn were shaped by it Neither fully Greek nor wholly Egyptian the Ptolemaic state within its core Egyptian territory was a hybrid that departed from but did not break with Egyptian history Integrating the latest research on archaeology papyrology theories of the state and legal history as well as Hellenistic and Egyptian history *The Last Pharaohs* draws a dramatically new picture of Egypt's last ancient state Manning has produced a deep and meaningful study of the social and political relationships inherent in the Ptolemaic economy Timothy Howe Bryn Mawr Classical Review

The First Ninety Years Lluís Feliu, Fumi Karahashi, Gonzalo Rubio, 2017-09-11 This volume is dedicated to Miguel Civil in celebration of his 90th birthday Civil has been one of the most influential scholars in the field of Sumerian studies over the course of his long career This anniversary presents a welcome occasion to reflect on some aspects of the field in which he has been such a driving force

Money in Imperial Rome Merav Haklai, 2025-05-31 *Money in Imperial Rome* offers an in depth examination of the institutional framework within which money operated as an economic agent in the Roman empire emphasising its systemic complexity Analyses focus on classical Roman law as reflected in the writings of Roman jurists from the second and early third centuries AD The legal sources are augmented with documentary materials which give independent evidence of actual practice and with Jewish legal sources which give evidence of a separate contemporary legal tradition The work promotes Keynesian claims for the endogenous nature of money and adopts approaches advanced by new institutional economics NIE while its innovative contribution is in suggesting a complexity oriented approach to understanding the conceptual framework that dictated the use of money in private transactions Money is a complex phenomenon in the sense that it allows for new patterns of activity to be created by individuals who adjust their use of it to the continuously evolving system in which they operate The book is divided into four parts The first part is introductory The second part traces a line of thought consistent in legal developments that regulated exchange which perceived money as a unique phenomenon different from all other items therefore specific rules were applied to money and a special role was allocated to it in defining the status of the parties This is detectable for price pretium in the Roman contract for sale emptio venditio remuneration merces in the Roman contract for lease and hire locatio conductio and Jewish legal rules regarding sales conducted via a mode of acquisition known as acquisition by drawing qinyan meshikha The third part examines money as a financial tool It observes the various innovative ways Romans used the instrument of interest Then follows a discussion of regulations regarding interest bearing deposits its flexible application by individuals and the interconnected dynamics within and between three legal traditions operating under Roman regime Roman Jewish and Egyptian Hellenistic laws Investigation then moves to credit money in the Roman world and its capacity to

increase the money supply The fourth part offers a summary of the work and some conclusions

The ^AOxford Handbook of Ezekiel Corrine Carvalho,2023-09-22 The Oxford Handbook of Ezekiel provides introductions to the major trends in the scholarship of Ezekiel one of the Bible s most debated books from many of the leading scholars in the field After an introductory overview of these trends each essay discusses an important element in the scholarly engagement with the book Several essays discuss the history of the text e g historical context redactional layers text criticism use of other Israelite and near eastern traditions Others focus on key themes in the book e g temple priesthood law politics while still others look at the book s reception history and contextual interpretations e g art Christian use gender approaches postcolonial approaches trauma theory Taken together these essays demonstrate the vibrancy of Ezekiel research in the twenty first century

Ezra and Nehemiah Geert W. Lorein,2024-02-21 The chequered story of the Kings lasting nearly five centuries ended disastrously in 587 BC with the sack of Jerusalem the fall of the monarchy and the removal to Babylonia of all that made Judah politically viable It was a death to make way for a rebirth This study of the closely related books of Ezra and Nehemiah charts the Jews return from exile to Jerusalem and the beginnings of that rebirth As the drama unfolds above all and through all we see the good hand of God at work The Tyndale Old Testament Commentary is designed to help the reader of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation Additional Notes provide fuller discussion of particular difficulties In the new Old Testament volumes the commentary on each section of the text is structured under three headings Content Comment and Meaning The goal is to explain the true meaning of the Bible and make its message plain

Ezra and Nehemiah Geert Lorein,2024-04-23 This Tyndale Old Testament Commentary charts the checkered story of the kings which ended after nearly five centuries with the sack of Jerusalem the fall of the monarchy and the removal to Babylonia It was a death to make way for rebirth As the drama unfolds Geert Lorein explains we see the good hand of God at work through it all

The Social World of the Babylonian Priest Bastian Still,2019-06-24 In *The Social World of the Babylonian Priest* Bastian Still presents a comprehensive study of the priestly community of Borsippa during the Neo Babylonian and early Persian Empires ca 620 484 BCE By examining patterns of marriage landholding moneylending and friendship he provides an intimate account of the daily life of the Babylonian priesthood beyond the temple walls and develops a more sophisticated understanding of the organisation of ancient Babylonian society as a whole Combining the use of social network analysis anthropological studies and sociological concepts concerned with kinship tie strength social boundaries and identity formation Bastian Still s interdisciplinary approach transcends the traditional boundary of cuneiform studies and enables the field of Assyriology to contribute to a more general socio historical discourse S s book is a valuable contribution to our growing knowledge of the Mesopotamian priesthoods in

the first millennium Nathan MacDonald Journal for the Study of the Old Testament 44 5 2020 The Eastern Mediterranean in the Age of Ramesses II Marc Van De Mieroop, 2009-12-02 The Eastern Mediterranean in the Age of Ramesses II offers a transnational perspective on the age of King Ramesses II of Egypt during the centuries of 1500 to 1200 BC Shows how powerful states stretching from western Iran to Greece and from Turkey to Sudan jointly shaped the history society and culture of this region through both peaceful and military means Offers a straightforward narrative current research and rich illustrations Utilizes historical data from ancient Egyptians Babylonians Hittites Mycenaeans Canaanites and others Considers all members of these ancient societies from commoners to royalty exploring everything from people's eating habits to royal negotiations over diplomatic marriages **WealthWatch** Michael S. Moore, 2011-05-12 The purpose of this book is to help postmodern Westerners understand what the Bible has to say about wealth and possessions basing itself on the presumption that a nobody can understand themselves apart from some recognition of their spiritual roots and b that these roots sink deeper into the pages of the Bible than most Westerners realize Focusing upon that part of the Bible most widely recognized to be its ideological core that which is called Torah by some Pentateuch by others it interprets this great text against other great texts in its literary historical environment including a some epic poems from Mesopotamia b some Jewish texts from Syria Palestine and c some Nazarene parables from the Greek New Testament **Credit and Usury in Jewish Society in the Mishnah and Talmud** Ben Zion Rosenfeld, 2023-12-05 Credit is the oxygen of every society In many cases we wonder why the rabbis prohibit certain business credit transactions considering them usury The writer uses literary and epigraphic sources to decipher the rabbinic approach This book shows how rabbinic legislation innovatively expand the Torah prohibition of usury in loans to all fields of credit It is a pioneering inquiry regarding rabbinic literature compiled under Roman and Sasanid rule helping to fill the void in research concerning credit It also distinguishes various kinds of credit differentiating credit of money for money or products exposing the ramifications of the rabbinic legislation **In the Vale of Tears** Roland Boer, 2013-10-10 Winner of the 2014 Isaac and Tamara Deutscher Memorial Prize In the Vale of Tears brings to a culmination the project for a renewed and enlivened debate over the interaction between Marxism and religion It does so by offering the author's own response to that tradition It simultaneously draws upon the rich insights of a significant number of Western Marxists and strikes out on its own Thus it argues for the crucial role of political myth on the Left explores the political ambivalence at the heart of Christianity challenges the bent among many on the Left to favour the unexpected rupture of kair's as a key to revolution is highly suspicious of the ideological and class alignments of ethics offers a thorough reassessment of the role of fetishism in the Marxist tradition and broaches the question of death unavoidable for any Marxist engagement with religion While the book is the conclusion to the five volume series The Criticism of Heaven and Earth it also stands alone as a distinct intervention in some burning issues of our time **Market and Society** C. M. Hann, Keith Hart, 2009-05-14 This volume considers how the work of Polanyi can contribute to our understanding of the

relationship between market and society

Debt And Economic Renewal In The Ancient Near East Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Debt And Economic Renewal In The Ancient Near East free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Debt And Economic Renewal In The Ancient Near East free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various

categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Debt And Economic Renewal In The Ancient Near East free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Debt And Economic Renewal In The Ancient Near East. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Debt And Economic Renewal In The Ancient Near East any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Debt And Economic Renewal In The Ancient Near East Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Debt And Economic Renewal In The Ancient Near East is one of the best books in our library for free trial. We provide a copy of Debt And Economic Renewal In The Ancient Near East in digital format, so the resources that you find are reliable. There are also many eBooks related to Debt And Economic Renewal In The Ancient Near East. Where to download Debt And Economic Renewal In The Ancient Near East online for free? Are you looking for Debt And Economic Renewal In The Ancient Near East PDF? This is definitely going to save you time and cash in something you should think about.
