Ellis Hanson

# Decadence Catholicism

**James Andrew Corcoran, Patrick John  
Ryan, Edmond Francis Prendergast**

## **Decadence Catholicism:**

*Decadence and Catholicism* Ellis Hanson, 1997 Romantic writers had found in Christianity a poetic cult of the imagination an assertion of the spiritual quality of beauty in an age of vulgar materialism The decadents a diverse movement of writers were the climax and exhaustion of this romantic tradition In their art they enacted the romance of faith as a protest against the dreariness of modern life Ellis Hanson teases out two strands eroticism and aestheticism that rendered the decadent interest in Catholicism extraordinary More than any other literary movement the decadents explored the powerful historical relationship between homoeroticism and Roman Catholicism Why throughout history have so many homosexuals been attracted to Catholic institutions that vociferously condemn homosexuality This perplexing question is pursued in this elegant and innovative book Late nineteenth century aesthetes found in the Church a peculiar language that gave them a means of artistic and sexual expression The brilliant cast of characters that parades through this book includes Oscar Wilde Charles Baudelaire J K Huysmans Walter Pater and Paul Verlaine Art for these writers was a mystical and erotic experience In decadent Catholicism we can glimpse the beginnings of a postmodern valorization of perversity and performativity Catholicism offered both the hysterical symptom and the last hope for paganism amid the dullness of Victorian puritanism and bourgeois materialism

**Decadent Catholicism and the Making of Modernism** Martin Lockerd, 2020-07-23 Tracing the movement of literary decadence from the writers of the fin de siècle Oscar Wilde Aubrey Beardsley Ernest Dowson and Lionel Johnson to the modernist writers of the following generation this book charts the legacy of decadent Catholicism in the fiction and poetry of British and Irish modernists Linking the later writers with their literary predecessors Martin Lockerd examines the shifts in representation of Catholic decadence in the works of W B Yeats through Ezra Pound to T S Eliot the adoption and transformation of anti Catholicism in Irish writers George Moore and James Joyce the Catholic literary revival as portrayed in Evelyn Waugh's *Brideshead Revisited* and the attraction to decadent Catholicism still felt by postmodernist writers D B C Pierre and Alan Hollinghurst Drawing on new archival research this study revisits some of the central works of modernist literature and undermines existing myths of modernist newness and secularism to supplant them with a record of spiritual turmoil metaphysical uncertainty and a project of cultural subversion that paradoxically relied upon the institutional bulwark of European Christianity Lockerd explores the aesthetic sexual and political implications of the relationship between decadent art and Catholicism as it found a new voice in the works of iconoclastic modernist writers

**The Oxford Handbook of Decadence** Jane Desmarais, David Weir, 2022 The Oxford Handbook of Decadence provides the most thorough examination of decadence to date by exploring the ramifications of this culture in different times and places from ancient Rome to contemporary America Thirty five wide ranging chapters address decadence not only in literature but also in film fashion architecture and more as well as in such fields as theology science psychoanalysis philosophy and politics

**Jazz Age Catholicism** Stephen Schloesser, 2005-01-01 Stephen Schloesser's *Jazz Age Catholicism* shows how a postwar

generation of Catholics refashioned traditional notions of sacramentalism in modern language and imagery     Decadent Conservatism Alex Murray, 2023 *Decadent Conservatism* argues that both literary Decadence and political conservatism in Britain at the turn of the twentieth century was driven by a common drive to find alternatives to liberal modernity Thematic chapters offer a new and much messier picture of fin de siècle literary politics     **Landscapes of Decadence** Alex Murray, 2016-12 This book explores the relationship between literary politics and the politics of place in fin de siècle travel and place based literature     Fears and Fascinations Thomas Fredrick Haddox, 2005 Looking at the works of diverse writers as the gens de couleur libre poets of antebellum New Orleans this book focuses on the shifting and contradictory ways Catholicism has signified within southern literature and culture It contributes to a more nuanced understanding of American and southern literary and cultural history     Thinking Fascism Erin G. Carlston, 1998 This book analyzes three works by sexually marginal women sometimes grouped as the Sapphic Modernists Djuna Barnes's *Nightwood* 1936 Marguerite Yourcenar's *Denier du rêve* 1934 and Virginia Woolf's *Three Guineas* 1938 that engage directly or indirectly with fascist politics and ideology     **Catholicism as Decadence** Marcello Fantoni, Chiara Continisio, 2008 This volume is the result of two workshops that took place at the Center for the Study of Italian History Culture of Georgetown University Fiesole and dealt with the relationship between Catholicism and the interpretative canons of history This theme was instrumental to the discussion of the causes leading to the emergence of the concept of decadence during the age of the counter reformation and of the link between Catholicism and anti modernity In keeping with this theme the volume offers a panorama of the various national historiographies in order to highlight the specific ideological and historiographical trends that led to this association From the discussion emerged both common trends and different declinations of one single phenomenon Thus it has been possible to present for the first time both a comparative perspective and a more general view The association between Catholicism and anti modernity which originated during the age of the Reformation and expressed itself in literature in historiography and in political and philosophical thought and more generally in the collective imagination has become a cultural phenomenon that reached its zenith in the nineteenth century It has had a strong impact on the epistemology of historical research has contributed to shape many different identitary paradigms and has become a distorting lens through which to read the role of Catholicism in political debate and in social dynamics Contributors Marcello Fantoni Chiara Continisio John T McGreevy John O Malley John Monfasani Jos Mart nez Mill n Simon Ditchfield Manfred Hinz Helen Hills

**The Cambridge Companion to Elgar** Daniel M. Grimley, Julian Rushton, 2005-01-06 Edward Elgar occupies a pivotal place in the British cultural imagination His music has been heard as emblematic of Empire and the English landscape The recent success of Anthony Payne's elaboration of the sketches for Elgar's Third Symphony has prompted a critical revaluation of his music This Companion provides an accessible and vivid account of Elgar's work in its historical and cultural context Established authorities on British music and scholars new in the field examine Elgar's music from a range of critical

perspectives including nationalism post colonialism decadence reception and musical influences There are also chapters on interpretation including his own Elgar was the first major composer to commit a representative quantity of his own work to record and on Elgar s relationships with the BBC and with his publishers The book includes much new material drawing on original research as well as providing a comprehensive introduction to Elgar s major musical achievements

*Nineteenth-century Literature* ,1999 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James *Suicide in Modern Catholic Literature* Martin Lockerd,2025-06-10 Suicide plays a major role in modern literature and the philosophy that informs it For Catholic authors who have always understood the act within the framework of sin and redemption it carries a special significance In the last century Catholic literary figures as diverse as J R R Tolkien and Walker Percy Robert Hugh Benson and Muriel Spark J K Huysmans and Graham Greene wrestled with the problem of suicide in their work and produced art that confronts the despair so common in modern existence As suicide rates continue to increase across the developed world and entire nations embrace and expand legalized assisted suicide this book draws readers back to Catholic literature as a resource for understanding and perhaps even resisting this trend *The Homiletic Review* ,1899 **Metropolitan Pulpit** ,1899 Metropolitan Pulpit and Homiletic Monthly ,1899 **The Journal of Pre-Raphaelite Studies** ,1997 Journal of Pre-Raphaelite Studies ,1999

The American Catholic Quarterly Review James Andrew Corcoran,Patrick John Ryan,Edmond Francis Prendergast,1899

The Decadent Reader Asti Hustvedt,1998-11 A collection of stories and novels from fin de si cle France that celebrate decline decay and deviance In France at the end of the nineteenth century progress and material prosperity coincided with widespread alarm about disease and decay The obsessions of our own culture as the twentieth century came to a close resonate strikingly with those of the last fin de si cle crime pollution sexually transmitted diseases gender confusion moral depravity alcoholism and tobacco and drug use were topics of popular discussion then as now The Decadent Reader is a collection of novels and stories from fin de si cle France that celebrate decline aestheticize decay and take pleasure in perversity By embracing the marginal the unhealthy and the deviant the decadent writers attacked bourgeois life which they perceived to be the chief enemy of art Barbey d Aureville Joris Karl Huysmans Jean Lorrain Guy de Maupassant Villiers de l Isle Adam Catulle Mend s Rachilde Jean Mor as Octave Mirbeau Jos phin P ladan and Remy de Gourmont looted the riches of their culture for their own purposes In an age of medicine they borrowed its occult mysteries rather than its positivism From its social Darwinism they found their monsters sadists murderers transvestites fetishists prostitutes nymphomaniacs and hysterics And they reveled in them completely upending the conventions of romance and sentimentality The Decadent Reader which includes critical essays on all of the authors many novels and stories that have never before appeared in English and familiar works set in a new context offers a compelling portrait of fin de si cle France *The Pater Newsletter* ,1997
