

THE TEN COMMANDMENTS

1

I am the LORD, your God.
You shall not have other
gods besides me.

6

You shall not commit
adultery.

2

You shall not take the name
of the LORD, your God, in vain.

7

You shall not steal.

3

Remember to keep holy the
sabbath day.

8

You shall not bear
false witness against
your neighbor.

4

Honor your father
and your mother.

9

You shall not covet your
neighbor's wife

5

You shall not kill.

10

You shall not covet...
anything else that belongs
to your neighbor.

Decalogue The Ten Commandments

Robert Gillan

Decalogue The Ten Commandments:

The Ten Commandments William P. Brown, 2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown's **The Ten Commandments** will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field An explanation of the Decalogue or ten commandments, with reference to the Catechism of the Church of England. To which are premised by way of introduction several general discourses concerning God's both natural and positive laws Gabriel TOWERSON (D.D.), 1676

The Decalogue Explained John Joseph Hornyold, J. H. (C.A.-D.S.), 1750 The Decalogue David L. Baker, 2017-04-04 David L Baker gives us a rare and valuable study of the Decalogue or Ten Commandments within its biblical and ancient Near Eastern setting In addition to an informative discussion of introductory and background issues he gives each commandment focused attention offering expert commentary as well as considering its meaning for today **The Ten Commandments** Martin Sicker, 2007-12 The Ten Commandments is an exploration into the background meaning and implications of the Decalogue from a Judaic perspective Although they have become a universal symbol of Judeo Christian civilization it is only within Judaism that the Ten Commandments have a juridical function that goes beyond the mere announcement of a set of key precepts for man and society In Judaism the Ten Commandments are considered an epitome of the vast body of biblical legislation a concise statement of a mere 172 Hebrew words that was presented as a credo that could easily be memorized and serve as a basic list of essentially easily understandable general rules It was not expected that the ordinary citizen would remember or fully understand the plethora of commandments found in the Torah that demand compliance and observance by the children of Israel their descendants and those who chose to cast their lot in life with them To understand the meaning and significance of the Ten Commandments in Judaic thought it is therefore necessary to correlate them with the body of legislative enactments set forth in the Torah dealing with the same subject matter a rather complex endeavor that this study hopes to facilitate The Decalogue: a Series of Discourses ... Robert Gillan, 1856 **The Ten Commandments** Michael Coogan, 2014-04-15 Looks at the various histories of the 10 Commandments explaining how those particular 10 laws as opposed to others given at Mount Sinai became the ones that Moses revealed as God's law

The Ten Commandments in Medieval and Early Modern Culture Walter Melion, Jürgen Pieters, Youri Desplenter, 2017-09-04 Over the course of the fourteenth and fifteenth centuries as more and more vernacular commentaries

on the Decalogue were produced throughout Europe the moral system of the Ten Commandments gradually became more prominent The Ten Commandments proved to be a topic from which numerous proponents of pastoral and lay catechesis drew inspiration God's commands were discussed and illustrated in sermons and confessor's manuals and they spawned new theological and pastoral treatises both Catholic and Reformed But the Decalogue also served several authors including Dante Petrarch and Christine de Pizan Unlike the Seven Deadly Sins the Ten Commandments supported a more positive image of mankind one that embraced the human potential for introspection and the conscious choice to follow God's Law [An explication of the Decalogue or Ten commandments, with reference to the Catechism of the Church of England](#) Gabriel Towerson,1676 **The Ten Commandments** Mark Rooker,2010 From the acclaimed New American Commentary Studies in Bible Theology series a book examining the ancient and modern significance of each of the Ten Commandments [An Essay on the Decalogue, Or Ten Commandments](#) ,1719 **The Decalogue** Robert Gillan,2015-07-06 Excerpt from The Decalogue A Series of Discourses on the Ten Commandments That portion of Scripture on which we are about to enter is universally known and is more frequently repeated than any other except our Lord's Prayer And yet it has been rarely selected as a topic for distinct discussion So much of what has been written on it labours under the disadvantage of a diction which is somewhat obsolete So much more is found in forms and combinations which render the remarks so far inaccessible to the general reader Then the recent publications on the Decalogue professing a more popular tendency are few and hitherto at least so far as ascertained these seem to have migrated in small numbers to this part of the country The Commandments indeed are excellently defined in sundry Catechisms and learnedly explained in many Commentaries but these though invaluable do not satisfy the larger wish of the soul In such circumstances the Author has been induced to issue the present Volume to reproduce through the press what with many emendations was first delivered from the pulpit The aspect of morality as now seen in politics in commerce and in common life has farther prompted him to undertake the commanded duty of crying aloud and not sparing while showing the people their transgressions and the house of Jacob their sins About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Decalogue Explain'd](#) John Joseph Hornyold,1791 **A Survey of the Old Testament** Andrew E.
