Durrett, Lynda L. Durrett and Yisrael Avilla, 2010-09 Have you ever listened to a preacher bring a sermon on the pre-tribulation rapture How wonderful it will be when we are all caught up with Jesus just before everything breaks loose here on earth What about the one that is preached on how and why the Sabbath was changed to Sunday and give a list of reasons none of them found in the Bible Then there is tithing They make sure to let us know we demonstrate our obedience through paying our tithing and giving back to God Yahweh and when we do not we can be cursed or not be blessed as we should We cannot forget the sermon on the Gifts of God Yahweh that are no longer for the church These and other doctrinal views are commonly preached in the main stream Christian Churches today They are based off opinion of men and are often argued with verses from the Bible that have been taken out of context It is interesting that the evangelical churches today claim to take and read the Bible literally They claim every word to be the inerrant word of God Yahweh Many of them treat the Bible

as God Yahweh yet there is not a verse that can be found that says the Sabbath was changed to a Sunday that the Saints will be raptured before the tribulation or the church is to pay tithing Nowhere will you find the Holy Spirit only gives just some of the gifts on the list to believers today You will not find a verse that specifically tells you once you are saved you are always saved Instead you will find volumes of verses that contradict each of these false doctrines being preached So what does that say about our contemporary church today the one that claims to take each word statement or verse literally the very ones preaching about false teachers teaching themselves false doctrine *AB Bookman's Weekly*, 1994 **Deadly Fear** Cynthia Eden, 2010-08-01 TWO BRILLIANT AGENTS FBI Special Agent Monica Davenport has made a career out of profiling serial killers But getting inside the twisted minds of the cruel and the sadistic has taken its toll She s walled herself off from the world Yet Monica can t ignore fellow agent Luke Dante the only man who ever broke through her defenses ONE DREAM TEAM Luke has the unique ability to put victims at ease professionally he and Monica made a perfect team Now they re reunited to catch a murderer who uses his victims deepest darkest fears for sport but their investigative skills aren t enough Luke and Monica will have to face the secrets from their past the ones that terrify them the most if they are to have a future together But can they catch a killer whose weapon is DEADLY FEAR **The Mammoth Encyclopedia of Modern Crime Fiction** Michael Ashley, 2002 A reference and overview of the genre of crime fiction primarily covering the 1950s onwards although major earlier writers such as Agatha Christie and Raymond Chandler also have entries [Deception and Fraud in the Diet Industry](#) United States.
