Deceived The Story Of The Donner Party:

Deceived Peter R. Limburg,1998 Challenging readers to think about what they would do under the same circumstances Deceived tells the true story of the infamous Donner Party stranded in the Sierra Nevadas during a brutal winter who resorted to cannibalism to stay alive Includes maps especially created for this volume Photos **The Donner Party** Tim McNeese,2009 Recounts the journey of the Donner Party which in 1846 sought to travel from Independence Missouri to California but took an untried shortcut that trapped them in the Sierra Nevada mountains during a terrible winter

Donner Party Cookbook Terry del Bene,Terry Alan Del Bene,PH. D. del Bene,2003 The tale of the 1846 1847 Donner Party whose members were snowbound in the Sierra Nevada Mountains Anthropologist Terry Del Bene uncovers the layers of social and cultural belief and action that resulted in the tragedy To lighten the mood the author also includes 19th century recipes that the travelers cooked on the trail before the food ran out Desperate Passage Ethan Rarick,2008-02-04 In late October 1846 the last wagon train of that year s westward migration stopped overnight before resuming its arduous climb over the Sierra Nevada Mountains unaware that a fearsome storm was gathering force After months of grueling travel the 81 men women and children would be trapped for a brutal winter with little food and only primitive shelter The conclusion is known by spring of the next year the Donner Party was synonymous with the most harrowing extremes of human survival But until now the full story of what happened what it tells us about human nature and about America s westward expansion remained shrouded in myth Drawing on fresh archaeological evidence recent research on topics ranging from survival rates to snowfall totals and heartbreaking letters and diaries made public by descendants a century and a half after the tragedy Ethan Rarick offers an intimate portrait of the Donner party and their unimaginable ordeal a mother who must divide her family a little girl who shines with courage a devoted wife who refuses to abandon her husband a man who risks his life merely to keep his word But Rarick resists both the gruesomely sensationalist accounts of the Donner party as well as later attempts to turn the survivors into archetypal pioneer heroes The Donner Party Rarick writes is a story of hard decisions that were neither heroic nor villainous Often the emigrants displayed a more realistic and typically human mixture of generosity and selfishness an alloy born of necessity A fast paced heart wrenching clear eyed narrative history A Desperate Hope casts new light on one of America s most horrific encounters between the dream of a better life and the harsh realities such dreams so often must confront History of the Donner Party; A Tragedy of the Sierra Charles Fayette McGlashan,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage History of the Donner Party Charles F. McGlashan,2013-10-10 This gripping account of the doomed expedition combines survivor interviews with diary entries to reveal not only a stark tale of desperation but also many inspiring acts of heroism **Eaters of the Dead** Kevin J. Wetmore, Jr.,Kevin J. Wetmore Jr,2021-09-16 Spanning myth

history and contemporary culture a terrifying and illuminating excavation of the meaning of cannibalism Every culture has monsters that eat us and every culture repels in horror when we eat ourselves From Grendel to medieval Scottish cannibal Sawney Bean and from the Ghuls of ancient Persia to The Texas Chainsaw Massacre tales of being consumed are both universal and universally terrifying In this book Kevin J Wetmore Jr explores the full range of monsters that eat the dead ghouls cannibals wendigos and other beings that feast on human flesh Moving from myth through history to contemporary popular culture Wetmore considers everything from ancient Greek myths of feeding humans to the gods through sky burial in Tibet and Zoroastrianism to actual cases of cannibalism in modern societies By examining these seemingly inhuman acts Eaters of the Dead reveals that those who consume corpses can teach us a great deal about human nature and our deepest human fears
