study of the role of ideology in Soviet foreign affairs the book traces the influence of an adjusting Marxist Leninist lens on policy formulated by the Kremlin and also explicitly on a public discourse rigidly controlled by government This public image has been collated with private opinion documented in recently opened Russian archives Canada clearly served a larger purpose in Soviet foreign policy than was previously assumed Uniquely Canadian issues and participants helped shape Soviet policy sometimes in very strange ways Both story and reference text Canada in the Soviet Mirror will interest readers in Soviet and Canadian studies journalism and popular culture *Invoking the Beyond*: Paul D. Collins, Phillip D. Collins, 2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond
