Marian Leighton

Deceptive Lure Of Detente:

The Deceptive Lure of Detente Marian Kirsch Leighton, 1989 Reviews the history of detente and considers the implications for the future with regard to world foreign relations The Strange Death of Soviet Communism Nikolas K. Gvosdev, 2017-07-05 The collapse of communism marked the close of an era of world history What took place in the Soviet Union between 1917 and 1991 in the eyes of its proponents constituted a great experiment in the application of new modes of organization to social life the largest such experiment in history The Strange Death of Soviet Communism which first appeared as a special issue of The National Interest brings together leading scholars of Soviet history who show why the experiment failed and how it has destroyed the laboratory of socialist utopias Francis Fukuyama considers the role of long term social and intellectual modernization while Vladimir Kontorovich examines the related factor of economic stagnation Myron Rush then analyzes the accidental and precedent breaking accession and leadership of Gorbachev Charles Fairbanks looks at the more general factors of change and rigidity within communist political culture Chapters by Peter Reddaway and Stephen Sestanovich conclude this section by assessing respectively the role of internal pressure from Soviet citizens and external pressure from the West The next chapters deal with why the West was surprised by the communist collapse This involves a critique of Western Sovietology both for its scholarly failures and its ideological prejudices Here Peter Rutland and William Odom deal with social science interpretations of the Soviet Union while Robert Conquest and Richard Pipes reflect on historians readings of Soviet history Martin Malia then offers a comparative assessment of both In the third section Irving Kristol and Nathan Glazer discuss communism in relation to the intellectuals in the West Although the authors are united in their anti communist stance the volume is diverse in its perspectives and assessments of Soviet communism Taken together these contributions show that the debate on the legacy of communism and a subsequent rethinking of modern history is just beginnin

The Détente Deception Douglas Rivero, 2012-12-19 The D tente Deception examines the competition between the U S led Western bloc and the Soviet bloc in the less developed world during the final years of D tente Rivero assesses whether or not the Soviet bloc pushed for strategic gains in the Third World and whether this contributed to the U S decision to abandon D tente in 1979 This view is articulated by many acclaimed scholars such as Stephen Walt 1992 John Gaddis 1997 and Vladislav Zubok 2007 They make the case that during the final years of D tente and throughout the 1980s U S policy in places such as Nicaragua and Angola was a calculated response to Soviet aggression in the less developed world This book challenges this position as the quantitative evidence points to U S aggression Not only did the Western bloc push to maintain dominance over the Third World archival evidence also suggests the US made significant efforts in Eastern Europe and Afghanistan during the final years of D tente to dismantle the Soviet bloc The Fletcher Forum of World Affairs , 1990

The West European Allies, the Third World, and U.S. Foreign Policy Richard Payne, 1991-10-07 Payne provides a comprehensive analysis of the underlying tensions as well as cooperation between the U S and NATO countries in out of area

conflicts Mutual Perceptions Of Long-range Goals Klaus Gottstein, 2019-03-04 This book investigates perceptions including strategic normative and imagined perceptions of long range political goals both in the East and in the West discussing the arguments which are used to support each of these perceptions **A London Bibliography of the Social Sciences** , 1931 Vols 1 4 include material to June 1 1929 **Foreign Affairs** , 1989 *Soviet Propaganda as a Foreign Policy Tool* Marian Leighton, 1991-01-29 With extensive documentation and illustrative examples Leighton makes clear one of the great political success stories of modern history the Soviet Union's use of propaganda to influence Western and public opinion Behind the successes and failures of Soviet policy is the constant flow of propaganda overt and covert subtle and direct Marian Leighton shows what the Soviets have planned and how they operate After a brief glance at the Russian tradition of propaganda the text focuses specifically on Soviet propaganda directed against the United States Beginning at the time of the establishment of diplomatic relations between the United States and the U S S R the author brings her examination into the Gorbachev era **Print** Martha T. Mooney, 1995 Excerpts from and citations to reviews of more than 8 000 books each year from 109 publications Electronic version with expanded coverage and retrospective version available see p 5 and p 31 Pricing Service Basis Books **Discovering Genetics** , 1982 Discusses how and why traits in living organisms are transmitted from generation to generation and how the latest advances allow scientists to manipulate directly some of the characteristics an organism inherits *Books in Print* , 1994 □□□□□□□□ , 1990 *Choice* , 1990 The Best Books for Academic Libraries: World history , 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers Current Publications in Legal and Related Fields , 1991 *The American Bibliography of Slavic and East European Studies* , 1990 *Bibliographie Internationale de Science Politique* , 1992 Detente United States. Congress. Senate. Committee on Foreign Relations, 1975 *Historical Abstracts* , 1991
