Decide For Yourself How History Views The Bible:

Decide for Yourself Norman L. Geisler, 2004-08-04 What is the origin of the Bible To what extent is it inspired Does inspiration preclude the possibility of error These and other questions about the Bible are considered in the author's presentation of both the Bible's statements about itself and the thoughts of various theologians throughout the history of the church Dr Geisler presents this material with a minimum of editorial comment encouraging the reader to decide for himself Chapter titles are The Bible's View of the Bible The Early Fathers View of the Bible The Medieval Fathers View of the Bible The Reformers View of the Bible The Orthodox View of the Bible The Liberal View of the Bible A Fundamentalist View of the Bible The Neoorthodox View of the Bible The Liberal Evangelical View of the Bible The Neoevangelical View of the Bible

Evidence, Answers, and Christian Faith James F. Williams, 2002 Straightforward answers for the difficult questions families face about God faith and the Bible Interdisciplinary Perspectives on the Authority of Scripture Carlos R. Bovell, 2011-09-01 A bold and high quality reflection on how to hold a high view of Scripture once the notion of infallibility is performed given up **The Scripture Principle** Clark H. Pinnock, 2002 *What Is Truth?* James Emery White, 2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry *The Kingdom of the Cults* Walter Martin, Ravi Zacharias, 2003-10 Newly updated this definitive reference work on major cult systems is the gold standard text on cults with nearly a million copies sold **The Battle for the Resurrection** Norman L. Geisler, 2004-06-21 Since the belief in a purely spiritual resurrection of Christ is prevalent in many cults those involved in countering the rise and growth of cults would benefit greatly from reading this book Dr Walter Martin author of *The Kingdom of the Cults* Dr Geisler's book is effectively designed as an antidote to the misery of turning Christ's factual resurrection into an event outside the bounds of ordinary history Dr John Warwick Montgomery author of *History and Christianity* Geisler demonstrates not only the danger in the theology of various cults but also the tendency to discount the bodily resurrection of the Lord even among evangelicals It is essential reading for every pastor and student Dr Paige Patterson author of *Song of Solomon* The proclamation that Jesus was raised in the same physical body in which he died is just as important today as it was in the first century The book signals such a call to the importance of this doctrine Dr Gary Habermas Distinguished Professor of Apologetics and Philosophy Liberty University **I Am Put Here for the Defense of the Gospel** Terry L. Miethe, 2016-04-19 Dr Norman L. Geisler has been called the father of evangelical Christian philosophy He has written more than one hundred books and taught at universities and top seminaries for some fifty six years He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics He has spoken or debated in

more than two dozen countries and held pastoral pulpit ministries in four states Many view him as a cross between Thomas Aquinas and Billy Graham No one has done more to communicate the modern challenges of the Faith to the average Christian to the church and to the academy This volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate Dr Geisler s ideas and express appreciation for his influence Those who know him best say he is true faithful and blessed by God **Evangelicalism and Modern America**

Demarest,2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion s relevance to a person s spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2 6 integrate the disciplines of historical biblical systematic apologetic and practical theology **God and the History of the Universe** Jarvis Streeter,2016-03-22 The popular belief that a scientific understanding of reality is incompatible with a Christian one is simply wrong Some Christian understandings of reality do conflict with some scientific understandings But a thoroughly rational Christian understanding of the origin and history of the universe will be informed by the best scientific theories and the facts founded on them This book weaves a narrative of the origin and history of the universe from the perspective of contemporary science with a Christian understanding of God and of God s role in the origin and history of the universe At the center of this integrated narrative is the view that God who is pure unbounded Love is Creator the zest for life in the universe comes from God and God is the source of Truth Beauty and Goodness in the universe God is amazed and delighted at what God and the world has created God is saddened by ways creatures have fallen short of pure unbounded Love Truth Beauty and Goodness and God s pure unbounded Love keeps on trying to persuade all creatures toward Truth Beauty and Goodness *National*
