Decision Criteria Humankind In The Balance:

Decision Criteria Sherry Snelgrove, 2005-08 In *Decision Criteria* the fate of the world rests in Robert's unsure hands. As a young man he is chosen to Evaluate Earth. For the next twenty years the grueling Evaluation process throws him into an emotional cauldron stirred by uncertainty. Guided only by the righteous *Decision Criteria* Environment Integrity Tolerance and Compassion he must decide if an entire civilization continues or is eradicated. Now the Evaluation is over and Robert must choose Which is more important responsibility to family or duty to mankind. Just as Robert has important decisions to make so do the inhabitants of Earth. Will they be the right decisions. Will the species survive. Should humankind survive.
