Decisions Getting What You Want:

Why you aren't getting what you want - And what to do about it Mathias Mathers, 2023-04-26 Have you ever wondered why you aren't getting what you want? What is stopping you from succeeding? Maybe you've worked very hard but life is kicking you back and squeezing lemons right into your eyes as a reward. Or perhaps you haven't even started yet but you'd like to get somewhere in your life. This book might be for you if you said yes to any of those. If you're stuck in your life, it is most likely your subconscious mind playing tricks on you and you need to fix that. In this book, we'll go through how to move past the barriers of your mind and get you moving towards your goals again. Based on raw psychology and the real-life experiences of hundreds of people who became successful with the knowledge and instructions of this book. The information in the book is very compact and squeezed into just under thirty pages; this depends on your reader. Kindle, for instance, can squeeze the text into a much smaller space. No shame in reading it a couple of times to internalize it all. *Eleven Steps to Getting What You Want* Charles U. Larson, 2019-06-12 Many people are either uneasy or actually afraid of influencing or trying to persuade others on a range of topics. Public speaking remains one of the most feared activities even for people who do not describe themselves as shy or quiet. This book will help readers overcome either the uneasiness or actual fear of influencing or persuading people to purchase, donate, join, vote, commit, or perform a desired action or behavior or to adopt a desired practice or belief through communicating with them in public. *Eleven Steps to Getting What You Want* helps the reader overcome fear and uneasiness when it comes to persuading others to alter their behaviors or beliefs by offering scientifically proven communication strategies and tactics with sample scripts that can easily be altered for various situations. But more than that, it offers a framework for determining that your tactics are ethical. While most of the strategies will support persuasion and influence in work settings, the principles and behaviors that are most effective can be adapted to personal and familial life as well. Charles Larson lays the groundwork for honing those skills that will assist readers most in achieving their goals. **So, You Want to Get Married? (eBook)** Michael Cassidy, 2010-02-05 The long-term success of a marriage depends heavily on how well spouses adjust during the early years. Getting good advice early on helps couples manage expectations and encourages them to prepare by discussing key issues. *SO YOU WANT TO GET MARRIED* consists of 12 letters that the author wrote to an engaged couple some years ago. The informal letter format provides a useful tool to share insights that are significant to young lovers who are in the process of courtship or who are engaged. The author's sincere prayer is that these pages will touch readers' lives in a deep and wonderful way and serve as reminders that Jesus Christ is the Author of marriage and as such is the Way, the Truth, and the Life in this as in every area of life. *Decisions and Orders of the National Labor Relations Board, V. 335, August 22, 2001, Through September 28, 2001*, 2003-08-12 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last. 9 Steps to Perfecting a Better You: Practice Skills Meet Spiritual Principles Micklyn J. Lightbourne, 2012-05-10

Micklyn Lightbourne is passionate, dedicated, and committed to seeing individuals get to where God has predestined them to go in their lives. Hence, he was motivated to write this book to encourage and help to focus the minds and hearts of individuals, reminding them that time is too precious to waste and if they have not wasted time already, hopefully they will never have a desire to waste time in the future. Where you are now is where you and I should be; there are a lot of individuals who should be further along in their lives in terms of accomplishments. He is one of them, and that's why he was moving at record speed to make the most of the time he has left and encourages us all to do the same. He calls it Spirit Time Acceleration. In April of 2011, Mr. Lightbourne resigned from his job as the most prestigious Butler in The Bahamas at a five-star world-class resort. He was on top of his A-game, winning the highest honor in the hospitality industry, but he was also at the crossroads of life, and the decision was which direction should he take now. Should he ride the wave of fame, or should he move on to the next chapter of his life? He and his wife made the decision to start their very own hospitality business. Since making such a decision, God has been opening doors they never thought were even there to be opened. God has brought out some gifts in me I never knew existed, but all this happened when I found out the truth, the truth of knowing I was placed here with and for a purpose, said Mr. Lightbourne. We can begin pursuing our purpose right now, and if we need guidance by reading this book, we will get there. The writing of this book could no longer be prolonged because its intention is to help others put their lives in perspective. We have wasted a lot of God's time, and it's time to redeem it. This book was written with the intention to convict people to hold themselves accountable and responsible for their own actions and shortcomings. To show how we can better our lives through daily soft skills and life skills practices and become productive leaders in our families, the workplace, schools, the community, and at church. We would never have to blame others for our shortcomings again. Once any individual comes to the realization that they are accountable for their own actions, they would begin to see life differently. We have allowed time to overtake us, and it has left us so far behind that we are now battling to get our lives where it should have been years ago. This book is centered around getting the individual back to the foundation of their lives to see themselves in control of their own destiny while fighting off the biggest enemy trying to stop them, which is themselves. We must get out of our own way. Our Heavenly Father wants us to take our rightful positions on the earth and be good contributors and stewards. If we can't be good stewards over ourselves, how can we be stewards over this awesome Earth? In the book of Romans 8:22-24 NIV, it reads: "We know that the whole creation has been groaning as in the pains of childbirth right up to the present time. Not only so, but we ourselves, who have the first fruits of the Spirit, groan inwardly as we wait eagerly for our adoption as sons, the redemption of our bodies. For in this hope we are saved. We have this awesome responsibility to take dominion over the earth, but first

things first these nine steps to perfect a better you is an awesome start we have to bring back the stepping stones of how to set and accomplish goals for our lives have the right attitudes maintain standards be professionals make right decisions get along with each other communicate resolve conflicts and make the most of our time I challenge you to allow this book to help transform your life through the application process because knowledge without application is useless Mastering these steps would bring out the qualities that were lying dormant ins

The Cost of Conviction Steven Sloman, 2025-05-20 A timely and important perspective on how people frame decisions and how relying on sacred values unwittingly leads to social polarization When you are faced with a decision do you consider the best outcome or do you consider your deepest values about which actions are appropriate The Cost of Conviction contrasts these two primary strategies for making decisions consequentialism or prioritizing one's sacred values Steven Sloman argues that while both modes of decision making are necessary tools for a good decision maker people err by deploying sacred values more often than they should especially when it comes to sociopolitical issues As a result we oversimplify grow disgusted and angry and act in ways that contribute to social polarization In this book Sloman provides a new understanding of today's societal ills and grounds that understanding in science Drawing on historical and current examples of the two decision making strategies in action the author provides a thorough overview of the psychology of decision making including work on judgment conscious and unconscious decision making processes the roles of emotion and even an analysis of habit and addiction With its unique emphasis on sacred values The Cost of Conviction is an eye opening must read for all decision makers especially those who wish to understand judgment social decision making and leadership

Decision in Paris Lynn Lamarr, 2023-10-16 Decision in Paris Part 2 With the first lie the winter began With the slamming of the grand piano lid a decision is made that has bitter consequences for all and fate inexorably takes its course and this forever When we close our eyes in this last part of Decision in Paris Volume II we are in the middle of Paris And find ourselves in a beautiful but tragic love story as in the last book which finds its continuation here seamlessly With a variety of new events which the author skillfully set the scene so that a very tightly knit haunting and under the skin drama has emerged Emotions that we can hardly escape This book makes your heart beat faster and the tears flow if we let them but only if we realize the meaning of this story Above all see what the author wanted to tell us with his story Now we begin where the second volume ends in Paris Who has never been in this city of love wants to go there after this book and who has been there before wants to do so again immediately It is the finding of a very special love in this city that chance allows It is the hymn to a single summer in Paris Of love Perhaps the events from the book will become blurred with your own memories of that city which in films and in so many songs always tells of only one thing love We would all like to experience it as intensively as these two protagonists in this novel But maybe it is also the exuberant feelings that immediately sweep you away
