Understand Mathematics, Understand Computing Arnold L. Rosenberg, Denis Trystram, 2020-12-05 In this book the authors aim to endow the reader with an operational conceptual and methodological understanding of the discrete mathematics that can be used to study understand and perform computing They want the reader to understand the elements of computing rather than just know them The basic topics are presented in a way that encourages readers to develop their

personal way of thinking about mathematics Many topics are developed at several levels in a single voice with sample applications from within the world of computing Extensive historical and cultural asides emphasize the human side of mathematics and mathematicians By means of lessons and exercises on doing mathematics the book prepares interested readers to develop new concepts and invent new techniques and technologies that will enhance all aspects of computing The book will be of value to students scientists and engineers engaged in the design and use of computing systems and to scholars and practitioners beyond these technical fields who want to learn and apply novel computational ideas

Lloyd's Register Rules and Regulations 1858-1859 Lloyd's Register Foundation, 1858-01-01 Lloyd's Register has published the Rules and Regulations for the Classification of Ships to which all Lloyd's Register classed ships must conform since 1834 Between 1834 and 1870 the Rules were bound within the Lloyd's Register of Ships Since 1870 they have been published separately Today the Lloyd's Register Rules and Regulations are still recognised as one of the most comprehensive and respected sets of standards in the maritime industry They are still regularly updated to reflect the advances in technology and changes in regulatory requirements and still function as a trusted companion to surveyors shipowners shipyards and regulatory bodies around the world
