Dedalus Of Austrian Fantasy The Meyrink Years 18901930

Brian Stableford

Dedalus Of Austrian Fantasy The Meyrink Years 1890-1930:

Dedalus Book of Austrian Fantasy, 1992 **The Dedalus/Ariadne Book of Austrian Fantasy** Michael Mitchell, 1992
Collection of the bizarre the terrifying and the twisted as interpreted by decadents **The Dedalus/Ariadne Book of Austrian Fantasy** Mike Mitchell (Translator), 1992 This is one of the best anthologies as an anthology I have ever read It now has 43 tales in it all of them exciting all beautifully translated ranging from the Austro Hungarian decadence to modern science fiction It also has an excellent introduction describing the particular qualities of Austrian as opposed to German or any other literatures The Austro Hungarian empire before the second world war was elegant frivolous possessed by baroque images of death and dissolution full of witty sidelong comments on ossified political structures in the form of bureaucracies and castles Both of these were explored by Kafka who is central to this anthology in that there are three tales by him and his rediscovery after the Nazi period has been a dominant and clearly benign influence on modern Austrian writing **The Dedalus Book of Dutch Fantasy** Jan Potocki (hrabia), 1993 The Dedalus Book of Dutch Fantasy is the most ambitious and wide ranging anthology of Dutch fiction ever to appear in English and reads like the Who's Who of Dutch Literature with stories by the undisputed contemporary masters such as Gerard Reve and Harry Mulisch and classic authors such as Couperus Van Schendel and Vestdijk as well as many of the rising stars of the younger generation Frans Kellendonk A F TH Van Der Heijden and P F Thomése The stereotype of the Dutch that most immediately springs to mind is that of a clean orderly and down to earth people Richard Huijing reveals the other side of this society that of a dark netherworld of the macabre the weird the perverted the violent and the fancifully impossible conjured up by a host of the finest writers in the Dutch language of the last hundred years **The Dedalus Book of British Fantasy** Brian M. Stableford, 1991 **The Dedalus Book of German Decadence** Raymond Furness, 1994 *The Flâneur Abroad* Richard Wrigley, 2014-10-17 This volume offers new perspectives on a crucial figure of nineteenth century cultural history the flâneur Recent writing on the flâneur has given little sustained attention to the widespread adaptation of the flâneur outside Paris let alone outside France and indeed Europe whether in the form of historic antecedents modern sequels or contemporary echoes Yet it is clear that the allure of the flâneur's persona has led to its translation and adoption far beyond Parisian boulevards and passages and this in different media and literary genres This volume maps some of the flâneur's travels and transpositions How far the flâneur is dependent on Paris as a milieu is opened up for questioning for all the international dispersal of this idea and model in some sense Paris is always present if only as a reference to kick against or replace When modern flâneurs step out in foreign cities how much of a Parisian ethos clings to them however they might claim independence Cities which provide counterpoints to Paris discussed here are Amsterdam Brussels Dublin Le Havre London Madrid New York Prague and St Petersburg This internationalised view also reconsiders the nature of the flâneur and revises stereotypes based on Walter Benjamin's account of Baudelaire Another key feature is the chapters which analyse the flâneur in terms of visual

representations whether graphic illustration streetscapes urban design cinema or album covers related to musical examples from the 1950s to the present

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Architect of Ruins Herbert Rosendorfer, 1992 **The Angels of Perversity** Remy de Gourmont, 1992

The History of a Vendetta Giōrgēs Giatromanōlakēs, 1991 A murder in a small Cretan village its motive and the fortunes of two families reflect the history of the Greek nation in the early part of the twentieth century A magical intricate tale rich in peasant myth and narrated in the detached yet ultimately moving style of a modern Herodotus

The Book of Nights Sylvie Germain, 1992 Winner of six literary prizes and chosen as a Notable Book of the Year by The New York Times this novel traces 100 years in the life of a family from the Franco Prussian War to World War II

Smarra & Trilby Charles Nodier, 1993 Charles Nodier was one of the first populariser of the literary vampire story Smarra or the Demons of the Night

1821 is the most notable and horrific of his stories Nodier also carried forward the French tradition of literary fairy tales which he enriched with the fantastic extravagance of the romantics The best of these half fairy and half fantasy tales is Trilby or the imp of Argyll 1822 which is set in Scotland

Out of This World Rachel S. Cordasco, 2021-12-28 The twenty first century has witnessed an explosion of speculative fiction in translation SFT Rachel Cordasco examines speculative fiction published in English translation since 1960 ranging from Soviet era fiction to the Arabic language dystopias that emerged following the Iraq War Individual chapters on SFT from Korean Czech Finnish and eleven other source languages feature an introduction by an expert in the language s speculative fiction tradition and its present day output Cordasco then breaks down each chapter by subgenre including science fiction fantasy and horror to guide readers toward the kinds of works that most interest them Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language She also examines the reasons a given subgenre has been translated into English An informative and one of a kind guide Out of This World offers readers and scholars alike a tour of speculative fiction s new globalized era

Walpurgisnacht Gustav Meyrink, 1993 Walpurgisnacht uses Prague as the setting for a clash between German officialdom immured in the ancient castle above the Moldau and a Czech revolution seething in the city below History myth and political reality merge in an apocalyptic climax as the rebels urged on by a drum covered in human skin storm the castle to crown a poor violinist Emperor of the World in St Vitus Cathedral

Historical Dictionary of Fantasy Literature Brian Stableford, 2005-09-29 This Historical Dictionary of Fantasy Literature provides an invaluable guide to the current state of the field The chronology tracks fantasy s evolution from the origins of literature until the 21st century The introduction explains the nature of the impulse to create and shape fantasy literature the problems in defining what it is and the reasons for its changing historical fortunes The dictionary includes more than 700 entries on authors both contemporary and historical and more than 200 entries on fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies

The White Dominican Gustav Meyrink, 1994 The White Dominican is Meyrink s most esoteric novel and draws on the wisdom of a number of mystical traditions the most important of which is Tao It is set in a mystical version of the Bavarian town of Wasserburg which sits on a promontory surrounded on three sides by the River Inn The novel describes the spiritual journey of the simple hero who guided by a number of figures his eccentric father the spirit of a distant ancestor the protecting presence of his dead lover and the mysterious figure of the White Dominican escapes the Medusa s head of the world to a transfiguration through which he joins the living chain that stretches to infinity

Modern Austrian Literature, 2006 Includes the index to the Journal of the International Arthur Schnitzler Research Association 1961 67

I Malavoglia Giovanni Verga, 1991

The Top Books of the Year Dedalus Of Austrian Fantasy The Meyrink Years 18901930 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Paffen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
