Great Britain: Parliament: House of Commons: Committee of Public Accounts,2013-06-04 This report examines the Cup Trust and the Charity Commission s procedures for regulating charities The Charity Commission the Commission registered the Cup Trust the Trust as a charity in April 2009 with a company called Mountstar based in the British Virgin Islands as its only trustee Although the Trust generated income of 176 million only 55 000 has been given to charitable causes and the Cup Trust claimed Gift Aid of 46 million Despite its declared charitable aims it is clear that the Trust was set up as a tax avoidance scheme by people known to be in the business of tax avoidance The Trust does not meet the public expectations of a charity and it is unacceptable that the Commission has not been able to put a stop to this abuse of charitable status The Commission began to investigate the Trust in March 2010 following concerns raised about its governance and fundraising This investigation closed in March 2012 The Commission eventually concluded that it could not de register the Trust as it was legally structured as a charity despite not being for exclusively charitable purposes The Commission has not yet brought forward proposals to change the law to exclude organisations like the Cup Trust from the register In the last 25 years the Committee and the NAO have repeatedly found severe shortcomings in the Commission s performance particularly in relation to investigation and enforcement The Commission hardly makes use of its statutory powers nor is it targeting its available resources to best effect

Dedicated to God Abbie Reese,2014

In the second decade of the twenty first century Catholicism appears under siege Reporters fixate on drama accusations investigations the selection of a new pope They ignore the inner story the very reason why the church has survived from the

Roman Empire's persecution through Renaissance splendor to the present day. This is the story of a search for truth, peace, and salvation, a story of selfless dedication that continues behind monastic walls even in our time. In *Dedicated to God*, Abbie Reese opens a window onto the Corpus Christi Monastery of the Poor Clare Colettine Order, a community of cloistered monastic nuns living within a 25,000 square foot enclosure near Rockford, Illinois. It is a world apart from our noisy, digital, hyper-connected world, a world of poverty, simplicity, and prayer. These women have surrendered everything: their names, shoes, even their families. They disappear from the larger world when one dies; the order marks her grave with a simple stone indicating religious name and death date, nothing more. While they live, they pray five times a day at the Liturgy of the Hours for the victims of catastrophes and personal tragedies around the globe. The author spent six years learning their individual stories and the ancient rules they have chosen to live by. Reese makes that choice understandable, showing how each nun's values led her there, even if families were sometimes befuddled. One great niece calls the monastery the Jesus cage. With an eye for complexity, Reese ranges from the challenges individuals face; she calls one the claustrophobic nun to the uncomprehending society that threatens this place with extinction. *Northwest Review*, 1998 *The Rotarian*, 2008-05

Excerpt: Regimental Orders. Headquarters, Maidstone, December 31st. As the regiment is to be held in readiness for foreign service in spring, captains of troops will report to Lieutenant and Adjutant Studhome for the information of the commanding officer on the state of the saddlery, the holsters, and lance buckets, and the horses must be all re-shod under the immediate inspection of the veterinary surgeon and Farrier. Sergeant Snaffles' leave of absence to the 31st proximo is granted to Lieutenant Newton Calderwood Norcliff in consequence of his urgent private affairs. Hah, this is what most concerns me, I exclaimed as I read the foregoing, and then handed the order book, a squat vellum bound quarto, to the orderly serjeant who was in waiting. Any idea of where we are likely to go, sir, he asked. The East, of course. **The Green Wyvern: Volume One** Matt Heppe, 2022-12-26

Baron Theodus of Sursival arrives at the Green Wyvern Inn to tell his life story. Each night he returns to regale the townspeople with tales of monsters, treasure, foes, and friends. And when his story is done, he says he will leave his subjects never to return. To most people, the baron's name is Bull. He is a giant of a man. They say the great warrior has never been defeated in battle, but he will tell you those tales are lies. He has come to set the record straight and promises to tell the whole story of his life, victories and losses alike. Tonight he will tell the tale of his road to adventure. It starts with a goblin raid that leaves Bull, his sister, and his mother as penniless refugees on a perilous journey. The trials that follow push Bull to the very edge of human endurance. *The Works of ... Thomas Wilson, D.D., ... With His Life Compiled from Authentic Papers by the Revd. C. Cruttwell ...
