The Nutcracker Chronicles Janine Kovac, 2025-07-30 Perfect for The Nutcracker holiday market and fans of work life balance books this memoir of a ballet dancer turned literary curator shares the real life journey of a dancer wife and mother The Nutcracker Chronicles a modern twist on the beloved holiday ballet intertwines the story of Clara and her nutcracker prince with the true life stories that unfold backstage The curtain rises on Ballet El Paso s production of The Nutcracker where young Janine Kovac is cast as Fritz the boy who breaks the nutcracker Her director is Ingeborg Heuser a German woman who once performed for Hitler and who peppers her teaching with insults like Why can t you just dance like a pretty girl At least it s better than You look like a cow on ice skates which is what the other girls hear daily Onstage Janine wins the battle and embarks on a voyage through a snowy forest to the Land of the Sweets where she serves as spectator to a beautiful dance She also travels offstage leaving El Paso to study at San Francisco Ballet before landing a job in Iceland and returning to California where she rises through the ranks from soldier to snowflake to candy soloist Eventually however she is relegated to watching other people dance her husband her children her students and her claim to the spotlight is replaced by the quest to find joy in her new roles

Seasons of Death and Life Maggie Ross, 2016-07-22 Maggie Ross s superb memoir of her sojourn in the wilderness is filled with living and dying joy and pain healing and hurting and most important the love that indwells and is revealed in the most unexpected places Weary and wounded yearning for deep solitude Ross takes a job as a caretaker in a place of luminous sometimes terrifying beauty on the northwest coast of the United States Here she meets a local woman called Muskrat who becomes her companion and teacher From a harsh and unforgiving life Muskrat has distilled impressive wisdom and an extraordinary unselfconscious spirituality Living out a generosity and loving kindness born of suffering she helps Ross find healing from damage inflicted by the abuse of power damage that culminates in a life threatening illness Muskrat is not her only teacher There are the dogs Pomo and Kelly and the bird Raven whose joyous play tender and violent affection mischief and fidelity reveal a new vision of life during a long slow convalescence Ross receives healing too from the land from the work necessary to its seasons from the wildlife which appears strangely unafraid and from the small and large kindnesses of her rural neighbors Like Henry David Thoreau and Annie Dillard she describes landscapes of rare beauty that reveal the true meaning of sacrament in the smallest wood orchid and the vast wildness of the sea the last flimsy boundaries between sacred and secular melted away We emerge from this near mythic tale from its frustrations its tragedies and epiphanies illuminated refreshed with a new vital perception of the sanctity of our common humanity and of wilderness as a context for the transfiguration of pain

See You In Nairobi Howard Albrecht, 2005-10-24 One of the most important questions you ll ever ask in this lifetime can

be answered only by the person looking back at you from your mirror The question is How do I find out who I am and what I want to do It usually doesn't faze those who are lucky enough to have a clear picture of how they see themselves The student heading for med school knows what's in store for him the work the respect the honors the money the quickie with Nurse Florence Nightenhot under the O R table the nine iron the sand trap and the malpractice suit But what about the students who have been unable to latch onto specific goals The English majors liberal arts majors the economics majors What will it be for them A career in business a chief executive of IBM Or will they be running a fast food stand selling The Whopper There's no statute of limitations on deciding what you want to be The verdict can come a year after college or five years after or possibly longer And even if one does make a concrete decision the concrete can crack pretty fast because things change With Howard Albrecht that fellow we all know and love it took twenty years but he finally found what he wanted to do in life write comedy for the likes of Bob Hope Dean Martin Alan King Bob Newhart Dom DeLuise and many many others That decision has given him for the past thirty some odd years a great deal of pleasure pain excitement stress anger contentment and out and out fun This memoir tells of those years and his adventures in the laugh trade Merchant Vessels of the United States United States.
