The Shadows Return (and other stories) Ravi Tennety, 2020-03-20 A teacher who loves to discipline his students a friend who returns to kill a hotel that retains its guests a wife who dreads the return of her husband an educationalist whose spirit remains in his school a pickpocket who finds the wrong victim an unending flight an actress who literally lives her role *The Shadows Return and other stories* is a compelling collection of short stories They are tightly woven haunting and inevitably carry a sting in the tail The author races the reader to the end and with a deft flick turns him around to face the way he has come Each story is meticulously detailed and knit like a collage The last few lines convert each painting into a hologram where the reader is not sure what the picture really is Won t you enjoy the ride *Hidden Lies and Other Stories* Vivian Gilbert Zabel, 2005-06-01 Vivian Gilbert Zabel and Holly Jahangiri offer a collection of 21 original short stories spanning a variety of themes and genre many crime or mystery based **The Idol Lover and Other Stories of Pakistan** Moazzam Sheikh, 2008 Fiction Moazzam s Sheikh s sexually charged tales unfold against a backdrop of colonization and ethnic tensions in Pakistan and the Middle East and they also explore the immigrant s dilemma in the United States He maps the ways in which South Asian identities cohere and threaten to disintegrate at the contradictory intersections of memory desire connection and exploitation Sheikh s voice too is unique bringing to the English short story the flavor and verve of the Urdu Hindi tradition A Chakladar Deep Freeze Philipp Bagus, David Howden, 2011-04-01 It was a modern thriving economy one day and then suddenly the food disappeared from the shelves the banks closed and the ships stopped arriving Iceland in 2008 experienced an unprecedented economic meltdown that struck fear in the hearts of people all over the world If it could happen here it could happen anywhere The economic crisis led to a political crisis with resignations galore The whining and wailing about the disaster continues to this day with most commentators blaming deregulation and the free market In *Deep Freeze* economists Philipp Bagus and David Howden demonstrate that the real cause of the calamity was bad central bank policy Rates were way too low banks were too big to fail housing was implicitly guaranteed and banks were borrowing short term from abroad to finance long term bonds The authors discuss the implications of this maturity mismatching and zero in on the central bank policies that encouraged unsound practices They demonstrate the cause and effect without a shadow of a doubt using vast amounts of data and a detailed sector by sector look at the economy of Iceland What they find is another instance of the Austrian Theory of the Business Cycle working itself out in a way that is customized for a time and place Toby Baxendale writes the introduction to this story that reads like a great novel It serves as a reminder that central banking policies aren t just about monetary arcana They affect our lives in profound and sometimes catastrophic ways *The Iceland Freeze* is one of the great historical cases that makes Mises s point Let it always serve as a reminder of what happens when the laws of the market are papered over by politicians and central bankers This account is likely to remain the definitive one for many years *Shadows Beyond the Flames and Other Stories* J. M. Tresaugue, 2011-07-01 Somewhere in the depths

within us all we possess good from the macabre to the hopeful but mainly the darkness within us You won't be disappointed with the variety of science fiction horror fantasy strange unusual and revenge thrown in for good measure in *Shadows Beyond the Flames and Other Stories* Deep Freeze Lisa Jackson, 2024-12-24 Now in trade paperback for the first time in more than a decade 1 New York Times bestselling author Lisa Jackson's pulse pounding first installment in the West Coast series *Her Biggest Fan* When she wakes up she's very cold Colder than she's ever been in her life She can't move or speak And then she sees him The one who took her And before she dies she wishes she could scream *Is About To Become* Former movie star Jenna Hughes left Hollywood for an isolated farm in Oregon to get away from fame But someone has followed her an obsessed fan whose letters are personal and deeply disturbing And while Jenna's already shaken up by what she's seen on paper she'd be terrified if she knew what Sheriff Shane Carter is investigating It's a shocking case that started with the discovery of a dead woman in the woods Now two more women are missing one of whom bears a striking resemblance to Jenna *Her Worst Nightmare* The Deep Freeze and Other Stories Marcello T. Maestro, 1977-08-01 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979 **The Stem-Cell Quarterback & Other Stories** James Clark, 2007-11-01 Short Story Collection **Behold Faith and Other Stories** Tom Noyes, 2002-12-02 In sometimes humorous and sometimes tragic even violent contexts the characters in these stories struggle to fathom the complexities and circumstances of their lives Here are ordinary people trying to come to grips with the implications of where they've been and preparing themselves for where they're headed All these stories seek to interrogate and render in genuine and unflinching ways the nature of doubt delusion and surprisingly the potentially rescuing powers of faith and grace They are above all honest and compassionate stories Here is a writer you can trust here are people you have known *Behold Faith Shoggoths in Traffic and Other Stories* Tobias S. Rust, 2021-12-06 This book started with a mouse running across the floor in my bedroom Before I knew it I was jotting out several short stories that I felt might be interesting to youngsters After sharing these stories I decided to compile them into a short book I can sum up my thoughts with this

short poem and in the character of Mrs Avery Protecting the Innocence of Our Children The innocence of our children it knows no bounds to me Simple smiles and trusting eyes are reflections of their found memories To violate their gentle faith is a crime beyond compare Yet can we pretend when leaders speak our children don t really care I speak up for our children let s remember the heritage they will bear We must protect the values they re given and the innocence all children share by John S Nash Jr by John S Nash Jr **Juju and two more stories** Murray Leinster,2020-04-14 Great collection of action short stories by Murray Leinster from The Golden Age of Science Fiction Featured here Juju Med Ship Man and The Sentimentalists Monday Lunch in Fairyland and Other Stories Angela Huth,2011-10-28 This is a sparkling collection of short stories dealing with love loss and the tiny happenings that make up our everyday experience Her most brilliant stories are about successful couples who own comfortable houses enjoy interesting lives raise attractive children and commit adultery On the other hand the author is equally concerned with the old the lonely and the hard up perceiving the exiguous sources from which they derive their hope or consolation and the last straws which drive them to despair Like an experienced naturalist she moves invisibly through social undergrowth observing the quirks of human fauna solitary coupling flocking moulting displaying or dying Angela Huth has the gift of infiltrating the lives and minds of her characters whatever their age and social background The Thaw, and Other Stories James Wronoski,1999 **The Fallen Curtain And Other Stories** Ruth Rendell,2010-10-31 A collection of Ruth Rendell psychologically chilling murder mysteries A wife plots her husband s psychological destruction then his murder a son is ruined by his mother s obsession a man marries the woman he rescues from suicide only to become the victim of her obsessiveness and a family feud brings unimaginable horror Hoosh Jason C. Anthony,2012-11-01 Antarctica the last place on Earth is not famous for its cuisine Yet it is famous for stories of heroic expeditions in which hunger was the one spice everyone carried At the dawn of Antarctic cuisine cooks improvised under inconceivable hardships castaways ate seal blubber and penguin breasts while fantasizing about illustrious feasts and men seeking the South Pole stretched their rations to the breaking point Today Antarctica s kitchens still wait for provisions at the far end of the planet s longest supply chain Scientific research stations serve up cafeteria fare that often offers more sustenance than style Jason C Anthony a veteran of eight seasons in the U S Antarctic Program offers a rare workaday look at the importance of food in Antarctic history and culture Anthony s tour of Antarctic cuisine takes us from hoosh a porridge of meat fat and melted snow often thickened with crushed biscuit and the scurvy ridden expeditions of Shackleton and Scott through the twentieth century to his own preplanned three hundred meals plus snacks for a two person camp in the Transantarctic Mountains The stories in Hoosh are linked by the ingenuity good humor and indifference to gruel that make Anthony s tale as entertaining as it is enlightening **Rattlesnakes** Laurence Monroe Klauber,1972 Alone in China, and Other Stories Julian Ralph,1897
