The FIAF Moving Image Cataloguing Manual Linda Tadic, 2016-10-17 The FIAF Moving Image Cataloguing Manual is the result of many years of labor and collaboration with numerous professionals in the moving image field. It addresses the changes in information technology that we've seen over the past two decades and aligns with modern cataloguing and metadata standards and concepts such as FRBR Functional Requirements for Bibliographic Records EN 15907 and RDA Resource Description and Access. The manual is designed to be compatible with a variety of data structures and provides charts, decision trees, examples, and other tools to help experts and non-experts alike in performing real-world cataloguing of moving image collections.

Jewish Spain Tabea Alexa Linhard, 2014-06-04 What is meant by Jewish Spain? The term itself encompasses a series of historical contradictions. No single part of Spain has ever been entirely Jewish. Yet discourses about Jews informed debates on Spanish identity formation long after their 1492 expulsion. The Mediterranean world witnessed a renewed interest in Spanish-speaking Jews in the twentieth century, and it has grappled with shifting attitudes on what it meant to be Jewish and Spanish throughout the century. At the heart of this book are explorations of the contradictions that appear in different forms of cultural memory: literary texts, memoirs, oral histories, biographies, films, and heritage tourism packages. Tabea Alexa Linhard identifies depictions of the difficulties Jews faced in Spain and Northern Morocco in years past as integral to the survival strategies of Spanish Jews who used them to make sense of the confusing and harrowing circumstances of the Spanish Civil War, the Francoist repression, and World War Two. Jewish Spain takes its place among other works on Muslims, Christians, and Jews by providing a comprehensive analysis of Jewish culture and presence in twentieth-century Spain, reminding us that it is impossible to understand and articulate what Spain was, is, and will be without taking into account both Muslim Spain and Jewish Spain.

Caught by the Lure of the Sea Lona Gray, 2005-12 From culture shock to cone shell poison, what better way to experience the highs and lows of global ocean travel than through the words of the captain's mate, mother of two teenaged boys, Lona Gray, who chronicled every aspect of their sailing adventure: how to find and prepare meals, how to repair engines, how to avoid monsoons, how to educate teenagers, and how to stay sane living in small quarters far from all the comforts of stateside living. Through Lona's words, we see and feel Captain Bobby's frustrations and triumphs, we meet their new friends, and we experience the rush of unexpected weather. *Caught by the Lure of the Sea* is a compelling and realistic account for anyone considering taking the leap of faith to follow a romantic dream.

Cathie Katz, author of *Sierra Club's Nature a Day at a Time: An Uncommon Look At Common Wildlife*. If you've ever dreamt of sailing around the world, family in tow, this is the vicarious trip of a lifetime.

Carole Kotkin, co-author *MMMMiami: Tempting Tropical Tastes for Home Cooks Everywhere*, food editor *Travellady.com*, and free-lance travel writer, you should read the adventures of Bobbie and Lona Gray aboard the sailing vessel *Immanuel*. They met priests and pirates and braved stormy seas to bring you a story you'll not forget.

John A. Brennan, former Commodore of the Coconut Grove Sailing Club. [Coloniality at](#)

Large Mabel Moraña, Enrique D. Dussel, Carlos A. Jáuregui, 2008 A state of the art anthology of postcolonial theory and practice in the Latin American context

Translating Spanglish in US Latinx Audiovisual Stories Remy Attig, Roshawnda A. Derrick, 2025-06-27 This collection showcases interdisciplinary perspectives on how Spanglish is translated across different forms of audiovisual media for different audiences in the US Latinx content The volume explores the ways in which Spanglish is used in American media to portray the hallmark linguistic characteristics of the communities in which they are set but also the different scholarly approaches employed to analyze them in existing research The first section looks at the interplay of code switching translanguaging and linguistic identity in television shows and films but also podcasts music and other emergent forms of media The second part examines US Latinx stories through the lens of translation studies with chapters showcasing different lines of inquiry within contemporary translation scholarship including accessibility via captioning and interlingual translation through subtitling and dubbing Taken together the volume offers a holistic view on how Spanglish is translated in US Latinx stories towards paving the way for future research in this context but also on multilingual and translingual audiovisual stories more broadly This book will be of interest to scholars in sociolinguistics translation studies language and media media studies and Latinx studies

Doug Pratt's DVD-video Guide Douglas Pratt, 1999-12 out of print replaced by Doug Pratt's DVD

Netflix' Spain Jorge González del Pozo, Xosé Pereira Boán, 2023-10-02 This edited collection analyzes the tensions contradictions contributions and new horizons generated and/or imposed by Netflix within Spain's audiovisual culture This book provides invaluable insight into how Netflix first in its role as distributor and then as content creator has changed the audiovisual landscape in Spain It discusses how

Netflix challenges the traditional method of categorizing film and television output by nationality while also examining how Spain is presented to other countries through the Netflix catalog and questioning what its chosen output light comedies mystery thrillers narco fiction and crime means for Spain's national brand With chapters addressing themes such as reproducibility pan Europeanism after Brexit gender representation identity and globalization this book explores how under the influence of Netflix Spain is transitioning from an importer of audiovisual content to a center of export This book will appeal to students and scholars of Film and Media Studies Hispanic and Iberian Studies and Spanish with a specific interest in Spanish film television media and culture as well as global media industries

Watching in Tongues: Multilingualism on American Television in the 21st Century James G. Mitchell, 2020-09-01 This book explores ideas and issues related to second language L2 speakers and L2 use as portrayed on American television It examines many examples of television depictions of L2 speakers and L2 use collected in the first decades of the 21st century The book is divided into four three chapter sections Humor and Homicide looks at two aspects of the inclusion of L2 speakers and L2 use on television L2 use or speakers depicted to create humor in various ways especially through miscommunication or misunderstanding and L2 knowledge used to solve crimes in the detective police procedural genre The section describes the reasons behind these phenomena how they work and the messages they convey to viewers Language Learning explores how both adult and child language acquisition is represented and misrepresented on American television with analysis of realistic vs non realistic depictions Subtitles and Stereotypes explores the ways in which L2 speakers are often negatively depicted on television their portrayal based on stereotypes This work specifically investigates the role that subtitles play in leading viewers to such conclusions employing the idea of language subordination a process that devalues non standard language while validating the norms and beliefs of the dominant group Also considered are ways in which stereotypes are sometimes used to undermine negative perspectives on L2 speakers Language Attitudes and Mediation evaluates depictions of second languages used as tools of mediation in both historical and satirical terms as well as the feelings these portrayals engender in viewers In short this work asks questions that have not previously been posed about L2 use on television and it provides answers that not only shed light on issues of the representation of language learning and language use but also constitute a lens through which American society as a whole might be understood

The DVD-laser Disc Newsletter, 2004 The New York Times Film Reviews 1999-2000 New York Times Theater Reviews, 2001-12 From the Oscar winning blockbusters *American Beauty* and *Shakespeare in Love* to Sundance oddities like *American Movie* and *The Tao of Steve* to foreign films such as *All About My Mother* the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in *The New York Times* between January 1999 and December 2000 Includes a full index of personal names titles and corporate names This collection is an invaluable resource for all libraries

Migrant Frontiers Anna Tybinko, Lamonte Aidoo, Daniel F. Silva, 2023-11-16 This book examines today's massive

migrations between Global South and Global North in light of Spain and Portugal's complicated colonial legacies. It offers unique material on Spanish speaking and Lusophone Africa in conjunction to transatlantic and transpacific perspectives encompassing the Americas, Asia and the Caribbean. For the first time these are brought together to explore how movement within and beyond these former metropolises came to define the Iberian Peninsula. The collection is composed of papers that study human mobility in Spanish speaking or Lusophone contexts from a myriad of approaches. The project thus sheds critical light on migratory movement within the Luso-Hispanic world and also beyond its traditional geo-linguistic parameters through an eclectic and interdisciplinary collection of essays traversing anthropology, literary studies, theater and popular culture. Beyond focusing solely on the geo-political limits of Peninsular space, several essays interrogate the legacies of Iberian colonial projects in a global perspective and how the discursive underpinnings of these impact the politics of migration in the broader Luso-Hispanic world.

The Fight for Time Paul Apostolidis, 2019. In today's precarious world, working people's experiences are strangely becoming more alike even as their disparities sharpen. *The Fight for Time* explores the logic behind this paradox by listening to what Latino day laborers say about work and society. The book shows how migrant laborers are both exception and synecdoche in relation to the precarious conditions of contemporary work life. As unauthorized migrants, these workers are subjected to extraordinarily harsh treatment yet in startling ways they also epitomize struggles that apply throughout the economy. Juxtaposing day laborers' descriptions of their desperate circumstances and dangerous work with theoretical accounts of the forces fueling insecurity, *The Fight for Time* illuminates the temporal contradictions that define precarity today. The book taps the core intellectual current among day labor groups: Paulo Freire's popular education theory to craft an original critical popular approach for understanding the points of connection between the ways that day laborers view their lives and scholarly analysis of precarious work life writ large. The result is a temporally attuned and politically bracing perspective on neoliberal crises: the work ethic in the era of affective and digital labor; the intensifying racial governance of public spaces; the burgeoning deportation regime; and the growth of occupational safety and health hazards. The accounts of the day laborers in this book are rich with potential to catalyze social critique among migrant workers and clarify the terms on which mass scale opposition to precarity can occur. Such opposition would demand restoration of workers' stolen time, engage in a fight for the city, challenge the conditions under which aversion to financial risk puts workers into physical danger and foment the refusal of work. We can look to the urban worker centers where this radically democratic politics of precarity is taking root to understand what types of organizations have the potential to wage the fight for time and enable broad mobilization in the face of precarity: worker centers for all working people.

The English Language and Anglo-American Culture Carmen Luján García, 2013-02-21. *The English Language and Anglo-American Culture: Its Impact on Spanish Language and Society* explores the effects of globalisation on Spanish language and society. It analyses the impact of the English language and Anglo-American culture on Spanish language and

culture This book compiles four different studies that provide evidence of the increasingly pervasive presence of English in Spanish daily life The areas covered include analyses of shop windows from different shopping centres in Las Palmas de Gran Canaria Spain which display Christmas greetings in English rather than Spanish exploration of some of the most frequently used techniques to translate the titles of Anglo American films a study of the use of anglicisms in the Spanish edition of the film magazine Cahiers du Cinema research on the attitudes of a sample of Spanish students towards English reflection on the emergence of a certain sense of identity towards English and Anglo American culture among Spaniards and some activities that invite reflection on the issues dealt with throughout the book

The Routledge Handbook of Translation and Sexuality Brian James Baer, Serena Bassi, 2024-08-19 The Routledge Handbook of Translation and Sexuality questions what it would mean to think of sexualities transnationally and explores the way cultural ideas about sex and sexuality are translated across languages It considers how scholars chart the multilingual rise of the modern sexual sciences in the nineteenth and twentieth centuries how translators writers and readers respond to sexual modernities and to what extent the keywords of queer social movements travel across borders The handbook draws from fields as diverse as translation studies critical multilingualism studies comparative literature European studies Slavic studies Middle Eastern studies Latin American studies and East Asian studies This pioneering handbook maps out an emerging brand of women's gender and sexuality studies that approaches sexualities as translational formations Divided into two parts the handbook covers Theoretical chapters on the interdisciplinary dialogue between translation studies and queer studies Empirical studies of both canonic and minor scientific religious literary philosophical and political texts about sex and sexuality in translation across a variety of world languages With 20 chapters written by leading academics from around the world The Routledge Handbook of Translation and Sexuality will serve as an important reference for students and scholars in the fields of translation studies applied linguistics modern languages and women's gender and sexuality studies

Bulletin of the Atomic Scientists, 1973-10 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world

Enrique Granados Walter Aaron Clark, 2006 Granados was among the leading pianists of his time and his eloquence at the keyboard inspired critics to dub him the poet of the piano In Enrique Granados Poet of the Piano Walter Aaron Clark offers the first substantive study in English of this virtuoso pianist composer and music pedagogue While providing detailed analyses of his major works for voice piano and the stage Clark argues that Granados's art represented a unifying presence on the cultural landscape of Spain during a period of imperial decline political unrest and economic transformation Drawing on newly discovered documents Clark explores the cultural spheres in which Granados moved particularly of Castile and Catalonia Granados's best known music was inspired by the art of Francisco Goya especially the Goyescas suite for solo piano that became the basis for the opera These pieces evoked the colorful and

dramatic world that Goya inhabited and depicted in his art Granados's fascination with Goya's Madrid set him apart from fellow nationalists Albeniz and Falla who drew their principal inspiration from Andalusia Though he was resolutely apolitical Granados's attraction to Castile antagonized some Catalan nationalists who resented Castilian domination Yet Granados also made important contributions to Catalan musical theater and was a prominent figure in the modernist movement in Barcelona

The Other Tongue Braj B. Kachru, 1992 When *The Other Tongue* appeared in 1982 it was called required reading for all those concerned with English teaching in non native situations from the classroom teacher to the policy planner Jowhn Platt *English World Wide* and an extremely useful and stimulating collection William C Ritchie *Language It* introduced refreshingly new perspectives for understanding the spread and functions of English around the world This dramatically revised volume contains eight new chapters replacing or updating more than half of the first edition *The Other Tongue* is the first attempt to integrate and address provocative issues relevant to a deeper understanding of the forms and functions of English within different sociolinguistic cross cultural and cross linguistic contexts The volume discusses linguistic literary pedagogical and attitudinal issues related to world Englishes

Deep Impact Spanish Subtitled: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Deep Impact Spanish Subtitled : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Deep Impact Spanish Subtitled : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
