THE COLLECTED POEMS OF RUPERT BROOKE Rupert C

Brooke,2024-02-27 Rupert Brooke was both fair to see and winning in his ways There was at the first contact both bloom and charm and most of all there was life To use the word his friends describe him by he was vivid This vitality though manifold in expression is felt primarily in his sensations surprise mingled with delight One after one like tasting a sweet food This is life s first fine rapture It makes him patient to name over those myriad things each of which seems like a fresh discovery curious but potent and above all common that he loved he the Great Lover Lover of what then Why of White plates and cups clean gleaming Ringed with blue lines and the like through thirty lines of exquisite words and he is captivated by the multiple brevity of these vignettes of sense keen momentary ecstatic with the morning dip of youth in the wonderful stream The poem is a catalogue of vital sensations and dear names as well All these have been my loves **Selected Poems** Kenneth

Rexroth,2014-06-10 The late Kenneth Rexroth 1905 1982 is surely one of the most readable of this century s great American poets He is also one of the most sophisticated Like William Carlos Williams he honed his writing to a controlled and direct language His intellectual complexity matches Wallace Stevens his polymath erudition Ezra Pound He is first among our nature poets His love poems and erotic lyrics are unsurpassed Rexroth s Selected Poems brings together in a single volume a representative sampling of sixty years work Here are substantial passages from his longer poems The Homestead Called Damascus 1920 1925 begun while the poet was in his teens the cubist Prolegomenon to a Theodicy 1925 1927 the philosophical masterpiece The Phoenix and the Tortoise 1940 1944 and The Dragon and the Unicorn 1944 1950 and the meditative The Heart s Garden The Garden s Heart 1967 The shorter poems were originally gathered in In What Hour 1940 The Art of Wordly Wisdom 1949 The Signature of All Things 1950 In Defense of the Earth 1956 Natural Numbers 1964 New Poems 1974 and The Morning Star 1979 Selected Poems Kenneth Patchen,1957 Poems of humor protest love and wonder by one of America s most original voices

A Coast for All Seasons Miles O. Hayes,Jacqueline Michel,2007-12-01

Illustrations photographs and satellite imagery enhance a narrative that presents hard science and makes it accessible and very human This is a book that investigates the changing face of the coastline through erosion hurricanes and climate change

This is a book that matters **Forbidden Words** Eugénio de Andrade,2003 Award winning poetry in a bilingual edition by Portugal s best known living poet

Stand Still Like the Hummingbird Henry Miller,1962 One of Henry Miller s most luminous statements of his personal philosophy of life Stand Still Like the Hummingbird provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller s genius for comedy is at its best in Money and How It Gets That Way a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in An Open Letter to All and Sundry and in The Angel is My

Watermark he writes of his own passionate love affair with painting The Immorality of Morality is an eloquent discussion of censorship Some of the stories such as First Love are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with Tropic of Cancer and other great books *Selected Poems and Songs of Charles Mackay* ... Charles Mackay,1888 *Selected Poetry and Prose* Stéphane Mallarmé,1982 The essential work of Mallarm collected in a bilingual French and English edition **The Crack-Up** F. Scott Fitzgerald,2009-02-27 A self portrait of a great writer s rise and fall intensely personal and etched with Fitzgerald s signature blend of romance and realism The Crack Up tells the story of Fitzgerald s sudden descent at the age of thirty nine from glamorous success to empty despair and his determined recovery Compiled and edited by Edmund Wilson shortly after F Scott Fitzgerald s death this revealing collection of his essays as well as letters to and from Gertrude Stein Edith Wharton T S Eliot John Dos Passos tells of a man with charm and talent to burn whose gaiety and genius made him a living symbol of the Jazz Age and whose recklessness brought him grief and loss Fitzgerald s physical and spiritual exhaustion is described brilliantly noted The New York Review of Books the essays are amazing for the candor **Selected poems and songs of Charles Mackay, with a commendatory and critical intr. by eminent writers** Charles Mackay,1888 The Cannibal John Hawkes,2013-07-25 The Cannibal was John Hawkes s first novel published in 1949 No synopsis conveys the quality of this now famous novel about an hallucinated Germany in collapse after World War II John Hawkes in his search for a means to transcend outworn modes of fictional realism has discovered a a highly original technique for objectifying the perennial degradation of mankind within a context of fantasy Nowhere has the nightmare of human terror and the deracinated sensibility been more consciously analyzed than in The Cannibal Yet one is aware throughout that such analysis proceeds only in terms of a resolutely committed humanism Hayden Carruth The Sri Lankan Loxodrome Will Alexander,2009 A mesmerizing poetry collection by an ecstatic surrealist on imaginal hyperdrive Eliot Weinberger *Selected Poems of August Strindberg* Lotta M. Löfgren,2002 August Strindberg 1849 1912 was one of the great innovators of modern drama as well as a novelist poet and master of the Swedish language In this collection *Selected Poems of August Strindberg* editor and translator Lotta M Lofgren has chosen poems from all three volumes of Strindberg s verse Poems in Verse and Prose Sleepwalking Nights on Awake Days and Word Play and Minor Art to illustrate to the English speaking reader the development strengths and versatility of Strindberg the poet Lofgren explains Although August Strindberg is internationally acknowledged as a pioneering realist expressionist and surrealist playwright his poetry is still relatively unknown outside Sweden The only English translation of his poems to date is the 1978 translation of Sleepwalking Nights by Arvid Paulson that gives an incomplete and misleading picture of Strindberg s poetry Lofgren s translation seeks to correct that picture Strindberg s stature as a dramatist alone may be adequate

justification for offering a translation of his verse but his poetry stands well on its own All three volumes broke new ground and paved the way for younger generations of poets Lofgren hopes that her translation will not only introduce Strindberg s verse to English speaking readers but will also inspire other scholars to revisit his poetry and give it the attention it deserves Selected Poems of August Strindberg received the American Scandinavian Foundation s Translation Prize International Who's Who in Poetry 2005 Europa Publications,2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes *Black Moods* Frank Marshall Davis,2024-03-18 *Black Moods* collects for the first time all of Frank Marshall Davis s extant published poems as well as his previously unpublished work From sharp edged sketches of Southside Chicago s urban landscape to the prismatic world that lay beneath Hawaii s placid surface Davis s muscular poems blend social cultural and political concerns always shaped by his promise to try to be as direct as good blues John Edgar Tidwell s introduction examines both Davis s poetry and his politics presenting a subtle portrait of a complex writer devoted to exposing discriminatory practices and reaffirming the humanity of the common people **William Grant Still** Catherine Parsons Smith,2000-03-30 During the 1930s and 1940s William Grant Still 1895 1978 was known as the Dean of Afro American Composers He worked as an arranger for early radio on Broadway and in Hollywood major symphony orchestras performed his concert works and an opera written in collaboration with Langston Hughes was produced by the New York City Opera Despite these successes the composer s name gradually faded into obscurity This book brings William Grant Still out of the archives and examines his place in America s musical heritage It also provides a revealing window into our recent cultural past Until now Still s profound musical creativity and cultural awareness have been obscured by the controversies that dogged much of his personal and professional life New topics explored by Catherine Parsons Smith and her contributors include the genesis of the Afro American Symphony Still s best known work his troubled years in film and opera and his outspoken anticommunism **Illuminations, and Other Prose Poems** Arthur Rimbaud,1957 Rimbaud born in 1854 started to write at an early age By 17 he had written his most famous poem The Drunken Boat He then embarked on a turbulent homosexual relationship with the poet Verlaine from which came some of their most original work including A Season in Hell and Illuminations Rimbaud rejected writing at the age of 20 After years of travelling and gun running in Africa he died in 1891 aged 37 *One Hundred Poems from the Chinese* Kenneth
