Colleen McDannell

Deep South Original Published In Past As In The Shadow Of Steeple:

Deep South Erskine Caldwell,1995 The author s anecdotes memories interviews and observations offer a portrayal of the religious life of the South and how southern protestantism fared during the social upheaval of the mid 1960s *The People's Writer* Wayne Mixon,1995 Most critics have considered Caldwell to be only a minor southern writer often associating him with his worst writing Yet Saul Bellow suggested he deserved the Nobel Prize and William Faulkner once characterized him as one of the five best writers of his time alongside himself Thomas Wolfe Ernest Hemingway and John Dos Passos

Erskine Caldwell Harvey L. Klevar,1993 Since the 1930s Erskine Caldwell s writings have provoked laughter and pathos curiosity and disbelief His perplexing characters comically motivated only by their instincts for survival allowed Caldwell to illustrate the duality of human nature as he explored the social issues of his times in such celebrated novels as *Tobacco Road* and *God s Little Acre* Behind Caldwell s social protest and his comic characters lay a man whose life imitated art A rural southerner who later moved among the movie industry s famous and powerful Caldwell led a life as compelling as any of his fiction As Harvey Klevar weaves the threads of this life into the cultural tapestry of the times he explores the myriad of personal forces and world events that contributed in the 1930s to Caldwell s popular acclaim and later to his descent from literary grace A recluse in both his personal life and in his public writing Caldwell offered little direction to those seeking clues to his literary intentions Klevar argues that Caldwell should have shared more in the accolades heaped upon his contemporaries Faulkner Hemingway and Steinbeck but ultimately his personal idiosyncrasies encouraged his underestimation by the literary establishment Proving that a careful reappraisal of Caldwell s life lends critical insight into his writings and career Klevar s work unveils an inventive artist who skillfully combined social phenomena with personal experience to offer unique insights into the telling of the human story
